Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

The information set forth in Item 5.07 below is incorporated by reference into this Item 5.02.

On May 15, 2015, at the Annual Meeting of Stockholders of Clear Channel Outdoor Holdings, Inc. (the “Company”), the Company’s stockholders approved the Company’s 2015 Executive Incentive Plan and the Company’s 2015 Supplemental Incentive Plan. The summaries of the 2015 Executive Incentive Plan and the Company’s 2015 Supplemental Incentive Plan below are qualified in their entirety by reference to the full text of the plans filed herewith as Exhibits 10.1 and 10.2, respectively, and incorporated herein by reference.

2015 Executive Incentive Plan

The 2015 Executive Incentive Plan provides for the award of performance-based compensation to executive officers and other selected key executives of the Company and its subsidiaries. The 2015 Executive Incentive Plan will be administered by the compensation committee of the board of directors of the Company (the “Compensation Committee”). The Compensation Committee is authorized to select participants; grant performance awards under the 2015 Executive Incentive Plan; determine the type, terms and conditions of, and all other matters relating to, performance awards; prescribe performance award agreements; establish, modify or rescind such rules and regulations as it deems necessary for the proper administration of the 2015 Executive Incentive Plan; and make such determinations and interpretations and to take such steps in connection with the 2015 Executive Incentive Plan or the performance awards granted thereunder as it deems necessary or advisable. No participant may earn more than \$15,000,000 in any calendar year pursuant to a performance award under the 2015 Executive Incentive Plan.

2015 Supplemental Incentive Plan

The 2015 Supplemental Incentive Plan provides for the award of performance-based compensation to a select group of senior management of the Company and its subsidiaries. The 2015 Supplemental Incentive Plan will be administered by the Compensation Committee, which will designate performance objectives with respect to a performance period for each plan participant. The Compensation Committee is authorized to select participants to participate in the plan in any given year; to establish and administer any performance goals and award opportunities applicable to each participant and certify whether such goals have been attained; to construe and interpret the 2015 Supplemental Incentive Plan and any agreement or instrument entered into under the plan; to establish, amend and waive rules and regulations for the 2015 Supplemental Incentive Plan’s administration; to consider the recommendations of the Company’s Chief Executive Officer in regard to determinations regarding the forgoing with respect to participants other than the Chief Executive Officer and to make all other determinations which may be necessary or advisable for the administration of the 2015 Supplemental Incentive Plan.

Awards made pursuant to the plan will be subject to the participant’s attainment of at least one performance goal designated by the Compensation Committee and communicated to the participant. Each participant will have a target award opportunity under the plan as determined by the Compensation Committee to be paid in the event the performance goals applicable to such participant are met at the 100% level. Subject to certain conditions applicable to awards intended to be exempt from Section 162(m) of the Internal Revenue Code, the achievement of the applicable performance goal at less than 100% may result in a pro-rated reduction of the target award amount, as determined by the Compensation Committee. The applicable performance period will be twelve (12) months and the achievement and earned award will be communicated to each participant in writing as soon as practicable after the completion of the performance period (the “Conditionally Earned Award”). Subject to any exceptions that may be set forth in an applicable written agreement with the participant, the Conditionally Earned Awards will be paid to a participant within the 90-day period following the third anniversary of the beginning of the applicable performance period, subject to such participant’s continued employment through such payment date, or as otherwise set forth in the plan. No participant may be granted award(s) in excess of \$15,000,000 during any calendar year.
