State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Clear Channel Outdoor Holdings, Inc. (the "Company") is unable to file its annual report on Form 10-K for the fiscal year ended December 31, 2017 (the "Annual Report") within the prescribed period due to a delay in completion of the financial statements of Clear Media Limited, an indirect, non-wholly-owned subsidiary of the Company whose ordinary shares are listed on the Hong Kong Stock Exchange. The Company understands that several employees of Clear Media Limited are subject to an ongoing police investigation for misappropriation of funds. Clear Media Limited is conducting additional procedures and processes, including a special investigation by forensic accountants and an external law firm appointed by Clear Media Limited's board of directors and approved by the Company's Audit Committee, into the misappropriation of funds. During the course of the special investigation, it was discovered that three bank accounts were opened in the name of Clear Media Limited entities, which were not authorized, and certain transactions were recorded therein. These matters have been referred to the police for investigation.

As a result of these developments, the Company will be unable to complete the financial statements required to be included in the Annual Report by the required filing date and anticipates not being able to make such filing until the financial statements of Clear Media Limited are completed. The Company has also not been able to complete its assessment of the effectiveness of its internal control over financial reporting as of December 31, 2017.

The Company is working expeditiously to complete its financial statements and file its Annual Report as soon as possible, but because the special investigation is still ongoing and its ultimate results are not yet known, the Company is currently unable to determine when it will be able to do so.

- (2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If answer is no, identify report(s). YES NO
- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? YES NO

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The Company expects to report a decrease in consolidated operating income for the year ended December 31, 2017 as compared to the year ended December 31, 2016. The decrease is due primarily to net gains recognized on the dispositions of certain non-strategic U.S. markets and the Company's Australia and Turkey businesses in 2016. The Company is not able to provide a quantitative estimate of the changes in its results of operations because the special investigation is ongoing and the outcome of the special investigation and the additional procedures being undertaken in connection with the review of the Company's financial statements is unknown.
