Overview

We are one of the world's largest outdoor advertising companies and the only global outdoor advertising company with scaled presence in the United States ("U.S.") and Europe. With more than 460,000 advertising displays (including airport structures) spanning 32 countries, we deliver our clients' marketing campaigns internationally, nationally and locally by providing them with access to billboards, street furniture displays, transit displays and other out-of-home advertising displays in many of the most desirable markets across the globe.

Through our extensive display inventory and technology-based enhancements, we have the ability to deliver innovative, effective marketing campaigns for advertising partners globally, in their target markets. In the U.S., we are present in 43 out of the top 50 designated market areas ("DMAs"), as well as all top 20 DMAs. Internationally, our primary portfolio spans 22 countries across Europe, Asia and Latin America and is focused on densely populated metropolitan areas. Our large, diverse portfolio of assets connects brands with the people they want to reach, with ideas that enlighten, entertain and influence them, and our broad portfolio gives us exposure to a range of macro-economic, regulatory and media environments.

Our business model focuses on building strong customer relationships and leveraging our diverse global assets to provide customized advertising solutions. As part of our long-term strategy, we are transforming the way we do business by applying cutting-edge technology to the outdoor advertising experience, including continuing expansion of digital displays. We believe that with our reach, technology and global asset base, we can provide our clients with a more effective method to reach their audiences and deliver their messages in an impactful manner compared to other traditional advertising mediums. Further, we believe our Separation from iHeartMedia provides us with the flexibility and stability to continue to invest in the transformation of the out-of-home industry and the ability to better focus on maintaining our leading market position inout-of-home.

Our Reportable Business Segments

We have two reportable business segments, Americas outdoor advertising ("Americas") and International outdoor advertising ("International"), which represented 47% and 53% of our 2019 revenue, respectively. Our Americas segment consists of operations primarily in the U.S., and our International segment consists of operations primarily in Europe, Asia and Latin America.

Americas Outdoor Advertising

We are one of the largest outdoor advertising companies in the U.S., with operations in 43 of the 50 largest U.S. markets, including all of the top 20 DMAs, and reaching more U.S. adults monthly in the top 10 DMAs than any other out-of-home company. Our Americas segment generated 47%, 44% and 45% of our revenue in 2019, 2018 and 2017, respectively.

Americas revenue, which is generated through both local and national sales channels, is derived from the sale of advertising copy placed on our printed and digital displays, consisting primarily of billboards, transit displays, street furniture, and spectaculars and wallscapes. As of December 31, 2019, we had approximately 74,000 advertising displays in the Americas, of which more than 1,700 were digital displays. Our footprint is protected by significant barriers to entry for traditional large format roadside advertising, as well as the strong working relationships required with landlords and local governments. In 2019, the top five client categories in our Americas outdoor segment were business services, retail, media, healthcare/medical and banking/financial services. No single advertising market in the U.S. and no advertising category represented greater than 12% and 9%, respectively, of our Americas revenue during the year ended December 31, 2019.

International Outdoor Advertising

Our International segment spans 22 countries in Europe, Asia and Latin America. International outdoor advertising is an urban medium, and our presence in multiple countries gives us broad exposure to a diverse range of distinct economies and media market trends. Our International segment generated 53%, 56% and 55% of our revenue in 2019, 2018 and 2017, respectively.

International generates the majority of its revenue from the sale of advertising space on street furniture displays, billboards, transit displays and retail displays, and the majority of our clients are advertisers targeting national or regional audiences whose business generally is placed with us through media or advertising agencies. As of December 31, 2019, our portfolio included approximately 390,000 displays, including more than 15,000 digital displays. Our International display count includes display faces, which may include multiple faces on a single structure, as well as small, individual displays. As a result, our International display count is not comparable to our Americas display count, which includes only unique displays. In 2019, the top five client categories in our International segment were retail, food/food products, entertainment, Internet and E-Commerce, and telecommunications.

Issuance of the Original Notes and Subsequent Refinancing Transactions

Clear Channel Worldwide Holdings issued $2,235.0 million in aggregate principal amount of original notes on February 12, 2019, in a private placement to qualified institutional buyers under Rule 144A under the Securities Act and to persons outside the United States pursuant to Regulation S under the Securities Act. The original notes were issued pursuant to an indenture, dated as of February 12, 2019, among Clear Channel Worldwide Holdings, Clear Channel Outdoor Holdings, as guarantor, the subsidiaries of Clear Channel Outdoor Holdings party thereto, as guarantors, and U.S. Bank National Association, as trustee. At issuance, the original notes and related guarantees were subordinated indebtedness of Clear Channel Worldwide Holdings, Clear Channel Outdoor Holdings and the other guarantors and were known as the "9.25% Senior Subordinated Notes

due 2024." On August 22, 2019, Clear Channel Worldwide Holdings redeemed approximately $333.5 million aggregate principal amount of the original notes using proceeds from an equity offering by Clear Channel Outdoor Holdings. Following such redemption and as of the date of this prospectus, there are approximately $1,901.5 million aggregate principal amount of original notes outstanding.

On August 23, 2019, Clear Channel Outdoor Holdings consummated a series of refinancing transactions, including the offering of $1,250.0 million aggregate principal amount of 5.125% Senior Secured Notes due 2027 (the "Senior Secured Notes"), the entry into a senior secured credit agreement governing a $2,000.0 million term loan facility (the "Term Loan Facility") and a $175.0 million revolving credit facility (the "Revolving Credit Facility" and, together with the Term Loan Facility, the "Senior Secured Credit Facilities") and the termination of Clear Channel Outdoor, LLC's existing receivables-based credit facility and its replacement with a new $125.0 million asset-based credit facility (the "ABL Facility"). Clear Channel Outdoor Holdings used the proceeds of the Senior Secured Notes and the Term Loan Facility, together with cash on hand, to redeem in full and satisfy and discharge the 6.50% Series A and Series B Senior Notes due 2022 of Clear Channel Worldwide Holdings and the 8.75% Senior Notes due 2020 of Clear Channel International B.V.

The indenture governing the original notes provided that on the first day that the 6.50% Series A and Series B Senior Notes due 2022 of Clear Channel Worldwide Holdings were no longer outstanding and at least a portion of such notes had been refinanced with senior secured indebtedness, then, beginning on that day and continuing at all times thereafter, the subordination provisions of the indenture would no longer be applicable and the original notes and the guarantees thereof would cease to be subordinated indebtedness. These conditions were satisfied on August 23, 2022, upon the consummation of the refinancing transactions described above, and in accordance with the terms of the indenture governing the original notes, Clear Channel Worldwide Holdings notified the trustee for the original notes that, on such date, the original notes and the related guarantees ceased to be subordinated indebtedness, and on such date and continuing at all times thereafter, the original notes rank *pari passu* in right of payment with all of Clear Channel Worldwide Holdings' and the guarantors' senior indebtedness and are known as the "9.25% Senior Notes due 2024."

Also on August 23, 2019, the trustee for the original notes and certain subsidiaries of Clear Channel Outdoor Holdings that are acting as guarantors for the Senior Secured Notes, the Senior Secured Credit Facilities and the ABL Facility, but which were not previously guarantors of the original notes, entered into a supplemental indenture to the indenture governing the original notes to become guarantors thereunder.

On August 22, 2019, Clear Channel Worldwide Holdings redeemed $333,475,000 aggregate principal amount of the original notes using proceeds from an equity offering by Clear Channel Outdoor Holdings. See "Summary—Issuance of the Original Notes and Subsequent Refinancing Transactions."
Registration Rights	Simultaneously with the initial sale of the original notes, Clear Channel Worldwide Holdings and the guarantors of the original notes entered into an exchange and registration rights agreement with the initial purchasers of the original notes, pursuant to which they agreed, among other things, to use commercially reasonable efforts to file with the SEC and cause to become effective a registration statement relating to an offer to exchange the original notes and the related guarantees for new notes and new guarantees registered under the Securities Act, with terms substantially identical to those of the original notes and the related guarantees (except for provisions relating to the transfer restrictions, registration rights and payment of additional interest). The exchange offer is intended to satisfy your rights under the exchange and registration rights agreement. After the exchange offer is complete, you will generally no longer be entitled to any exchange or registration rights with respect to your original notes.

The Exchange Offer	We are offering to exchange the exchange notes, which have been registered under the Securities Act, for a like principal amount of the unregistered original notes. Original notes may only be tendered in an amount equal to $2,000 in principal amount or in integral multiples of $1,000 in excess of $2,000. See "The Exchange Offer—Terms of the Exchange."
The Exchange Notes	The exchange notes are part of the same series under the governing indenture as the original notes. The terms of the exchange notes are identical in all material respects to those of the original notes, except that the exchange notes have been registered under the Securities Act and the transfer restrictions, registration rights and additional interest provisions related to the original notes do not apply to the exchange notes.
Resale of Exchange Notes	Based upon the position the staff of the SEC has taken in previousno-action letters, we believe that exchange notes issued pursuant to the exchange offer in exchange for original notes may be offered for resale, resold and otherwise transferred by you without compliance with the registration and prospectus delivery provisions of the Securities Act, provided that you will acknowledge that: • you are acquiring the exchange notes in the ordinary course of your business; • you have not participated in, do not intend to participate in, and have no arrangement or understanding with any person to participate in a distribution of the exchange notes; and • you are not our "affiliate" as defined under Rule 405 of the Securities Act. We do not intend to apply for listing of the exchange notes on any securities exchange or to seek approval for quotation through an automated quotation system. Accordingly, there can be no assurance that an active market will develop upon completion of the exchange offer or, if developed, that such market will be sustained or as to the liquidity of any market. Each broker-dealer that receives exchange notes for its own account in exchange for original notes, where such original notes were acquired by such broker-dealer as a result of market-making activities or other trading activities, must acknowledge that it will deliver a prospectus in connection with any resale of such exchange notes. See "Plan of Distribution."

Consequences of Not Exchanging Your Original Notes	Original notes that are not validly tendered in the exchange offer or are not accepted for exchange will continue to bear legends restricting their transfer. You will not be able to offer or sell such original notes unless: • you are able to rely on an exemption from the requirements of the Securities Act; or • the original notes are registered under the Securities Act. After the exchange offer is completed, we will no longer have an obligation to register the original notes, except under limited circumstances. To the extent that original notes are tendered and accepted in the exchange offer, the trading market for any remaining original notes will be adversely affected. See "Risk Factors—Risks Related to the Exchange Offer—If you fail to exchange your original notes, they will continue to be restricted securities and might become less liquid."
Expiration Date	The exchange offer will expire at 5:00 p.m. New York City time, on , 2020, unless we extend the exchange offer. See "The Exchange Offer—Expiration Date; Extensions; Amendments."
Issuance of Exchange Notes	We will issue exchange notes in exchange for original notes validly tendered and accepted in the exchange offer promptly following the Expiration Date. See "The Exchange Offer—Terms of the Exchange."
Certain Conditions to the Exchange Offer	The exchange offer is subject to certain customary conditions, which we may amend or waive. The exchange offer is not conditioned upon any minimum principal amount of original notes being tendered. See "The Exchange Offer—Conditions to the Exchange Offer."
Special Procedures for Beneficial Holders	If you beneficially own original notes that are registered in the name of a broker, dealer, commercial bank, trust company or other nominee and you wish to tender in the exchange offer, you should contact the registered holder promptly and instruct such person to tender on your behalf. If you wish to tender in the exchange offer on your own behalf, you must, prior to completing and executing the accompanying letter of transmittal and delivering your original notes, either arrange to have the original notes registered in your name or obtain a properly completed bond power from the registered holder. The transfer of registered ownership may take a considerable amount of time. See "The Exchange Offer—Procedures for Tendering."
Withdrawal Rights	You may withdraw your tender of original notes at any time before the exchange offer expires. See "The Exchange Offer—Withdrawal of Tenders."

United States Federal Income Tax Considerations	An exchange of original notes for exchange notes pursuant to the exchange offer generally will not be a taxable event for U.S. federal income tax purposes. See "Material United States Federal Income Tax Considerations." You should consult your own tax advisor as to the tax consequences of exchanging your original notes for exchange notes.
Use of Proceeds and Expenses	We will not receive proceeds from the issuance of the exchange notes offered hereby. In consideration for issuing the exchange notes in exchange for original notes as described in this prospectus, we will receive original notes of like principal amount. The original notes surrendered in exchange for the exchange notes will be retired and cancelled. We will pay all of our expenses incident to the exchange offer.
Exchange Agent	U.S. Bank National Association will act as exchange agent in connection with the exchange offer.

Summary of the Exchange Notes

The following is a brief summary of the principal terms of the exchange notes. Certain of the terms and conditions described below are subject to important limitations and exceptions. See the section of this prospectus titled "Description of the Exchange Notes" for more complete information about the exchange notes.

Issuer	Clear Channel Worldwide Holdings, Inc.
Exchange Notes Offered	$1,901,525,000 principal amount of 9.25% Senior Notes due 2024. Other than the restrictions on transfer and provisions related to registration rights and additional interest, the exchange notes will have the same financial terms and covenants as the original notes.
Maturity Date	February 15, 2024.
Interest	The exchange notes will bear interest at the rate of 9.25% per year (calculated using a 360-day year comprised of twelve 30-day months). Interest on the exchange notes will accrue from February 15, 2020, the last interest payment date on which interest was paid on the original notes surrendered in exchange therefor. Interest will be payable, in arrears, on February 15 and August 15 of each year. No interest will be paid on either the exchange notes or the original notes at the time of the exchange. The holders of original notes that are accepted for exchange will not receive accrued but unpaid interest on such original notes at the time of the exchange. Rather, that interest will be payable on the exchange notes delivered in exchange for the original notes on the first interest payment date after the Expiration Date of the exchange offer, which will be August 15, 2020.
Ranking	The exchange notes: • will be the unsecured senior obligations of the issuer; • will rank *pari passu* in right of payment with all existing and future senior indebtedness of the issuer; • will be effectively subordinated to all existing and future secured indebtedness of the issuer, including the Senior Secured Notes, the Senior Secured Credit Facilities and the ABL Facility, to the extent of the value of the assets securing such indebtedness; • will be senior in right of payment to all existing and future subordinated indebtedness of the issuer; and • will be structurally subordinated to all existing and future obligations of any existing or future subsidiaries of the issuer that do not guarantee the exchange notes.
Guarantees	The exchange notes will be guaranteed, jointly and severally, irrevocably and unconditionally, on an unsecured senior basis, by

	Clear Channel Outdoor Holdings and certain of Clear Channel Outdoor Holdings' existing and future subsidiaries. See "Description of the Exchange Notes—Guarantees." The guarantee of each guarantor: • will be an unsecured senior obligation of such guarantor; • will rank *pari passu* in right of payment with all existing and future senior indebtedness of such guarantor; • will be effectively subordinated to all existing and future secured indebtedness of such guarantor, including the Senior Secured Notes, the Senior Secured Credit Facilities and the ABL Facility, to the extent of the value of the assets securing such indebtedness; • will be senior in right of payment to all existing and future subordinated indebtedness of such guarantor; and • will be structurally subordinated to all existing and future obligations of any subsidiary of a guarantor that does not guarantee the exchange notes.
Optional Redemption	The issuer may redeem all or a portion of the exchange notes beginning on February 15, 2021 at the redemption prices set forth in this prospectus. Prior to February 15, 2021, the issuer may redeem all or a portion of the exchange notes at a redemption price equal to 100% of the principal amount of the exchange notes plus a "make-whole" premium described in this prospectus. The issuer may redeem up to 40% of the aggregate principal amount of the exchange notes at any time prior to February 15, 2021, using the net proceeds from certain equity offerings at 109.25% of the principal amount of the exchange notes being redeemed. In addition, the issuer may redeem up to 20% of the aggregate principal amount of the exchange notes at any time prior to February 15, 2021, using the net proceeds from certain other equity offerings at 103% of the principal amount of the exchange notes. The issuer redeemed approximately 15% of the outstanding aggregate principal amount of the original notes on August 22, 2019 using this feature. The issuer will be permitted to use the two redemption options concurrently but will not be permitted to redeem, in the aggregate, more than 40% of the principal amount of the exchange notes pursuant to these two redemption options. See "Description of the Exchange Notes—Optional Redemption."
Change of Control	If a change of control occurs, we will be required to make an offer to purchase the exchange notes at a price equal to 101% of the principal amount of such exchange notes, plus accrued and unpaid interest, if any, to the date of purchase.

	The term "Change of Control" is defined under "Description of the Exchange Notes—Change of Control." This term includes important limitations and exceptions.
Certain Covenants	The indenture governing the exchange notes contains covenants that limit our ability and the ability of our restricted subsidiaries to, among other things: • incur or guarantee additional debt or issue certain preferred stock; • redeem, repurchase or retire our subordinated debt; • make certain investments; • create restrictions on the payment of dividends or other amounts to us from our restricted subsidiaries that are not guarantors of the exchange notes; • enter into certain transactions with affiliates; • merge or consolidate with another person, or sell or otherwise dispose of all or substantially all of our assets; • sell certain assets, including capital stock of our subsidiaries; • designate our subsidiaries as unrestricted subsidiaries; • pay dividends, redeem or repurchase capital stock or make other restricted payments; and • incur certain liens. The covenants in the indenture governing the exchange notes are subject to important exceptions and qualifications that are described under "Description of the Exchange Notes."
Events of Default	For a discussion of events that will permit acceleration of the payment of the principal of and accrued interest on the exchange notes, see "Description of the Exchange Notes—Events of Default and Remedies."
Listing	We do not intend to apply for a listing of the exchange notes on any securities exchange or for the inclusion of the exchange notes on any automated dealer quotation system.
Risk Factors	See "Risk Factors" for a discussion of certain factors that you should carefully consider before tendering your original notes in the exchange offer.

RISK FACTORS

You should consider carefully the following risks relating to the exchange offer and the exchange notes, together with the other information included or incorporated by reference in this prospectus, including the information described under the heading "Risk Factors" in the Annual Report on Form 10-K of Clear Channel Outdoor Holdings for the year ended December 31, 2019 which is incorporated by reference into this prospectus, before tendering your original notes in the exchange offer. The following is not intended as, and should not be construed as, an exhaustive list of relevant risk factors. There may be other risks that a holder of original notes should consider that are relevant to its own particular circumstances or generally.

Risks Related to the Exchange Offer

If you fail to exchange your original notes, they will continue to be restricted securities and might become less liquid.

Original notes that you do not validly tender or that we do not accept will, following the exchange offer, continue to be restricted securities, and you may not offer to sell them except pursuant to an exemption from the registration requirements of, or in a transaction not subject to, the Securities Act and applicable state securities law. We will issue exchange notes in exchange for the original notes pursuant to the exchange offer only following the satisfaction of the procedures and conditions set forth in "The Exchange Offer—Procedures for Tendering." These procedures and conditions include timely receipt by the exchange agent of such original notes (or a confirmation of book-entry transfer) and of a properly completed and duly executed letter of transmittal (or an agent's message from The Depository Trust Company ("DTC")).

Because we anticipate that most holders of original notes will elect to exchange their original notes, we expect that the liquidity of the market for any original notes remaining after the completion of the exchange offer will be substantially limited. Any original notes tendered and exchanged in the exchange offer will reduce the aggregate principal amount of the original notes outstanding. Following the exchange offer, if you do not tender original notes you generally will not have any further registration rights, and your original notes will continue to be subject to certain transfer restrictions. Accordingly, the liquidity of the market for the original notes could be adversely affected.

You may not receive exchange notes in the exchange offer if the appropriate procedures are not followed.

We will issue exchange notes in exchange for your original notes only if you deliver to the exchange agent original notes (or a confirmation of book-entry transfer) and a properly completed and duly executed letter of transmittal (or an agent's message from DTC) before 5:00 p.m., New York City time, on the Expiration Date. You should allow sufficient time to ensure timely delivery of the necessary documents. Neither the exchange agent nor we are under any duty to give notification of defects or irregularities with respect to the tenders of original notes for exchange. If you beneficially own original notes that are registered in the name of a broker, dealer, commercial bank, trust company or other nominee and you wish to tender in the exchange offer, you should promptly contact the person in whose name your original notes are registered and instruct that person to tender your original notes on your behalf.

The exchange offer may be delayed or may not be consummated.

We are not obligated to complete the exchange offer. The exchange offer is subject to the satisfaction of certain conditions, and subject to applicable law, we may extend, amend or terminate the exchange offer at any time before expiration and may, in our sole discretion, waive any of the conditions to the exchange offer. Even if the exchange offer is completed, it may not be completed on the schedule described in this prospectus. Accordingly, you may have to wait longer than expected to receive the exchange notes issuable pursuant to the exchange offer, during which time you will not be able to effect transfers of your original notes tendered in the exchange offer.

Broker-dealers participating in the exchange offer may be deemed to be "underwriters" within the meaning of the Securities Act.

Any broker-dealer who holds original notes that were acquired for its own account as a result of market-making activities or other trading activities may exchange such original notes pursuant to the exchange offer, but such broker-dealer may be deemed to be an "underwriter" within the meaning of the Securities Act and must therefore deliver a prospectus in connection with any resales of the exchange notes it receives in this exchange offer. Our obligations to make this prospectus available to any broker-dealer for use in connection with any such resale are limited. Further, any profit on any such resale of exchange notes and any commission or concessions received by any person deemed to be an underwriter may be deemed to be underwriting compensation under the Securities Act.

Risks Related to the Exchange Notes

We may not be able to generate sufficient cash to service all of our substantial indebtedness, including the exchange notes, and may be forced to take other actions to satisfy our obligations under our indebtedness, which may not be successful.

As of December 31, 2019, we had approximately $5.1 billion of total indebtedness outstanding, including: approximately $2.0 billion of term loans under the Term Loan Facility, which amortizes in equal quarterly installments in an aggregate annual amount of $20.0 million, with the balance being payable in August 2026; $1.25 billion aggregate principal amount of Senior Secured Notes; approximately $1.9 billion of original notes; and approximately $4.2 million of other debt, before giving effect to original issue discounts and long-term debt fees. Our substantial level of indebtedness and other financial obligations increase the possibility that we may be unable to generate cash sufficient to pay, when due, the principal of, interest on or other amounts due, in respect of our indebtedness, including the exchange notes.

This substantial amount of indebtedness and other obligations could have negative consequences for us, including, without limitation:

- requiring us to dedicate a substantial portion of our cash flow to the payment of principal and interest on our indebtedness, thereby reducing cash available for other purposes, including to fund operations and capital expenditures, invest in new technology and pursue other business opportunities;
- limiting our liquidity and operational flexibility and limiting our ability to obtain additional financing for working capital, capital expenditures, debt service requirements, acquisitions and general corporate or other purposes;
- limiting our ability to adjust to changing economic, business and competitive conditions;
- requiring us to defer planned capital expenditures, reduce discretionary spending, sell assets, restructure existing indebtedness or defer acquisitions or other strategic opportunities;
- limiting our ability to refinance any of the indebtedness or increasing the cost of any such financing;
- making us more vulnerable to an increase in interest rates, a downturn in our operating performance, a decline in general economic or industry conditions or a disruption in the credit markets; and
- making us more susceptible to negative changes in credit ratings, which could impact our ability to obtain financing in the future and increase the cost of such financing.

If compliance with our debt obligations materially hinders our ability to operate our business and adapt to changing industry conditions, we may lose market share, our revenue may decline and our operating results may suffer.

Our ability to make scheduled payments on our debt obligations depends on our financial condition and operating performance, which is subject to prevailing economic and competitive conditions and to certain

financial, business, economic and other factors beyond our control. We may not be able to maintain a level of cash flows from operating activities sufficient to permit us to pay the principal, premium, if any, and interest on our indebtedness. If our cash flows and capital resources are insufficient to fund our debt service obligations, we may be forced to reduce or delay capital expenditures, sell assets or operations, seek additional capital or refinance our indebtedness. We may not be able to take any of these actions, and these actions may not be successful or permit us to meet our scheduled debt service obligations. Furthermore, these actions may not be permitted under the terms of our existing or future debt agreements.

Our ability to refinance our debt will depend on the condition of the capital markets and our financial condition at such time. Any refinancing of our debt could be at higher interest rates and increase our debt service obligations and may require us to comply with more onerous covenants, which could further restrict our business operations. Any failure to make payments of interest and principal on our outstanding indebtedness on a timely basis would likely result in a reduction of our credit rating, which could harm our ability to incur additional indebtedness. Additionally, the terms of existing or future debt instruments restrict us from pursuing some of these alternatives, and these alternative measures may not be successful and may not permit us to meet our scheduled debt service obligations. If we cannot make scheduled payments on our indebtedness, we will be in default under one or more of the agreements governing our indebtedness and as a result, we could be forced into bankruptcy or liquidation.

We require a significant amount of cash to service our debt obligations and to fund our operations and our capital expenditures, which depends on many factors beyond our control.

Our ability to service our debt obligations and to fund our operations and our capital expenditures for display construction, renovation or maintenance requires a significant amount of cash. Our primary sources of liquidity are currently cash on hand, cash flow from operations and our credit facilities. Our primary uses of liquidity are for our working capital, capital expenditure, debt service, dividend payments on our mandatorily-redeemable preferred stock and other funding requirements. During 2019, we spent $321.1 million of cash on interest on our debt, excluding cash paid for dividends on mandatorily-redeemable preferred stock, and we anticipate having approximately $347.2 million of cash interest payment obligations in 2020. Our significant interest payment obligations reduce our financial flexibility, make us more vulnerable to changes in operating performance and economic downturns generally, reduce our liquidity over time and could negatively affect our ability to obtain additional financing in the future.

Our ability to fund our working capital, capital expenditures, debt service, dividends on our preferred stock and other obligations depends on our future operating performance and cash from operations and our ability to manage our liquidity, which are in turn subject to prevailing economic conditions and other factors, many of which are beyond our control. Historically, our cash management arrangement with iHeartCommunications was our only committed external source of liquidity; however, the intercompany arrangements with iHeartCommunications were terminated on May 1, 2019 as part of the Separation. Now that our business is separated from iHeartCommunications, we depend solely on our ability to generate cash, borrow under our credit facilities or obtain additional financing to meet our liquidity needs. Subsequent to the Separation, we refinanced substantially all of our indebtedness, resulting in extended maturities and lower cash interest payments, and we obtained additional liquidity through the issuance of preferred stock and a public offering of common stock. However, availability of our credit facilities for working capital and other needs is limited by certain covenants under our existing indebtedness, and if we are unable to generate sufficient cash through our operations, we could face substantial liquidity problems, which could have a material adverse effect on our financial condition, on our ability to meet our obligations and on the value of our company.

The purchase price of possible acquisitions, capital expenditures for deployment of digital billboards, and other strategic initiatives could require additional indebtedness or equity financing from banks or other lenders, or through public offerings or private placements of debt or equity, strategic relationships or other arrangements, or from a combination of these sources. Additional indebtedness could increase our leverage and make us more

vulnerable to economic downturns and may limit our ability to withstand competitive pressures. The terms of our existing or future debt agreements may restrict us from securing financing on terms that are available to us at that time or at all. Further, there can be no assurance that financing alternatives will be available to us in sufficient amounts or on terms acceptable to us in the future due to market conditions, our financial condition, our liquidity constraints, our lack of history operating as a company independent from iHeartCommunications or other factors, many of which are beyond our control, and even if financing alternatives are available to us, we may not find them suitable or at reasonable interest rates. The inability to obtain additional financing in such circumstances could have a material adverse effect on our financial condition and on our ability to meet our obligations or pursue strategic initiatives.

Because the issuer derives all of its operating income from its subsidiaries, its ability to repay its debt, including the exchange notes, depends upon the performance of its subsidiaries and their ability to dividend or distribute funds to it.

The issuer derives all of its operating income from its subsidiaries. As a result, its cash flow and the ability to service its indebtedness, including the exchange notes, depends on the performance of its subsidiaries and the ability of those entities to distribute funds to it. The issuer cannot assure you that its subsidiaries will be able to, or be permitted to, pay to it the amounts necessary to service its debt, including the exchange notes.

The exchange notes and the related guarantees are unsecured and are effectively subordinated to the Senior Secured Notes, the Senior Secured Credit Facilities and the ABL Facility and any of our other secured indebtedness to the extent of the value of the property securing such indebtedness.

Even though the original notes and related guarantees ceased to be subordinated indebtedness on August 23, 2019, and now are senior indebtedness of the issuer and the guarantors, the notes and the related guarantees are not secured by any of our or our subsidiaries' assets and therefore are effectively subordinated to the claims of the holders of our secured indebtedness to the extent of the value of the assets securing such debt. As of December 31, 2019, we had $3,245.0 million in secured indebtedness under the Senior Secured Notes and the Term Loan Facility and $69.1 million of letters of credit outstanding under the Revolving Credit Facility and the ABL Facility, all of which is effectively senior to the exchange notes to the extent of the value of the assets securing such indebtedness. If we become insolvent or are liquidated, or if payment under our secured indebtedness is accelerated, the holders of or lenders under our secured indebtedness will be entitled to exercise the remedies available to a secured holder or lender under applicable law (in addition to any remedies that may be available under documents pertaining to our secured indebtedness). In addition, we and/or the guarantors may incur additional secured indebtedness that will be effectively senior to the exchange notes, the holders of which will also be entitled to the remedies available to a secured lender. See "Description of Other Indebtedness" and "Description of the Exchange Notes."

The exchange notes are structurally subordinated to the liabilities of our subsidiaries that do not guarantee the exchange notes; your right to receive payments on the exchange notes could be adversely affected if any of our non-guarantor subsidiaries declare bankruptcy, liquidate or reorganize.

Our non-wholly-owned (and certain wholly-owned) domestic subsidiaries and our foreign subsidiaries will not guarantee the exchange notes. As a result, the exchange notes will be structurally subordinated to all existing and future obligations of our subsidiaries that do not guarantee the exchange notes, and the claims of creditors of these subsidiaries, including trade creditors, will have priority as to the assets of these subsidiaries. In the event of a bankruptcy, liquidation or reorganization of any of our non-guarantor subsidiaries, holders of their indebtedness and their trade and other creditors will generally be entitled to payment of their claims from the assets of those subsidiaries before any assets are made available for distribution to us and, in turn, to our creditors.

For the year ended December 31, 2019, the issuer and the guarantors accounted for 47.1% of our consolidated revenue. For the year ended December 31, 2019, the non-guarantor subsidiaries accounted for

52.9% of our consolidated revenue. As of December 31, 2019, our non-guarantor subsidiaries had $30 thousand of outstanding indebtedness and $1,515.2 million of other outstanding liabilities, excluding intercompany obligations.

Restrictive covenants in the indenture governing the exchange notes, the indenture governing the Senior Secured Notes and the credit agreements governing the Senior Secured Credit Facilities and the ABL Facility restrict our ability to pursue our business strategies.

The indenture governing the exchange notes, the indenture governing the Senior Secured Notes and the credit agreements governing the Senior Secured Credit Facilities and the ABL Facility contain a number of restrictive covenants that impose significant operating and financial restrictions on us and may limit our ability to engage in acts that may be in our long-term best interests. These agreements include covenants restricting, among other things, our ability and the ability of our restricted subsidiaries to:

- incur or guarantee additional debt or issue certain preferred stock;
- pay dividends, redeem or purchase capital stock or make other restricted payments;
- redeem, repurchase or retire our subordinated debt;
- make certain investments;
- create liens on our or our restricted subsidiaries' assets to secure debt;
- create restrictions on the payment of dividends or other amounts to us from our restricted subsidiaries that are not guarantors of the notes;
- enter into transactions with affiliates;
- merge or consolidate with another company, or sell or otherwise dispose of all or substantially all of our assets;
- sell certain assets, including capital stock of our subsidiaries;
- alter the business that we conduct; and
- designate our subsidiaries as unrestricted subsidiaries.

In addition, restrictions in the certificate of designation governing our preferred stock restrict our ability to incur debt and make certain restricted payments. These restrictions could affect our ability to operate our business and may limit our ability to react to market conditions or take advantage of potential business opportunities as they arise. For example, these restrictions could adversely affect our ability to finance our operations, make strategic acquisitions, investments or alliances, restructure our organization or finance our capital needs. Additionally, our ability to comply with these covenants and restrictions may be affected by events beyond our control. These include prevailing economic, financial and industry conditions. If we breach any of these covenants or restrictions, we could be in default under the agreements governing our indebtedness and as a result, we could be forced into bankruptcy.

Despite current indebtedness levels, we and our subsidiaries may still be able to incur more debt and this could exacerbate the risks associated with our leverage.

Although the indentures governing the exchange notes and the Senior Secured Notes and the credit agreements governing the Senior Secured Credit Facilities and the ABL Facility contain restrictions on the incurrence of additional indebtedness, these restrictions are subject to a number of qualifications and exceptions, and we and our subsidiaries could incur additional indebtedness in the future. For example, if permitted by the documents governing their indebtedness, our subsidiaries that are not guarantors, which include all of our foreign subsidiaries, may be able to incur more indebtedness under the indenture than our subsidiaries that are

guarantors. Any indebtedness incurred by our subsidiaries that are not guarantors would be structurally senior to the exchange notes. Moreover, the indentures governing the exchange notes and the Senior Secured Notes and the credit agreements governing the Senior Secured Credit Facilities and the ABL Facility do not impose any limitation on our incurrence of liabilities that are not considered "indebtedness" and do not impose any limitation on liabilities incurred by our immaterial subsidiaries or our subsidiaries that might be designated as "unrestricted subsidiaries." As of the date of this prospectus, we had no "unrestricted subsidiaries." If we incur additional debt above current levels, the risks associated with our substantial leverage would increase.

If we default on our obligations to pay our other indebtedness, holders of such indebtedness may declare all the funds borrowed thereunder immediately due and payable, which may cause us to be unable to make payments on the exchange notes.

Any default under the agreements governing our indebtedness that is not waived by the required lenders thereunder, and the remedies sought by the holders of such indebtedness, could substantially decrease the market value of the exchange notes. If we are unable to generate sufficient cash flow and are otherwise unable to obtain funds necessary to meet required payments of principal, premium, if any, or interest on our indebtedness, or if we otherwise fail to comply with the various covenants, including financial and operating covenants, in the instruments governing our indebtedness, we could be in default under the terms of the agreements governing such indebtedness. In the event of any such default, the holders of such indebtedness could elect to declare all the funds borrowed thereunder to be due and payable, together with accrued and unpaid interest.

U.S. federal and state fraudulent transfer laws permit a court to void the exchange notes and the guarantees, and, if that occurs, you may not receive any payments on the exchange notes or may be required to return payments made on the exchange notes.

The issuance of the exchange notes and the guarantees may be subject to review under U.S. federal and state fraudulent conveyance and transfer statutes if a bankruptcy, liquidation or reorganization case or a lawsuit, including under circumstances in which bankruptcy is not involved, were commenced at some future date by us, by the guarantors or on behalf of our unpaid creditors or the unpaid creditors of a guarantor. While the relevant laws may vary from state to state, under such laws the payment of consideration in certain transactions could be considered a fraudulent conveyance or transfer if (1) the consideration was paid with the intent of hindering, delaying or defrauding creditors or (2) we or any of our guarantors received less than reasonably equivalent value or fair consideration in return for issuing exchange notes or a guarantee and, in the case of (2) only, one of the following is also true:

- we or any of our guarantors were or was insolvent or rendered insolvent by reason of issuing the exchange notes or guarantees;
- payment of the consideration left us or any of our guarantors with an unreasonably small amount of capital to carry on our or its business; or
- we or any of our guarantors intended to, or believed that we or it would, incur debts beyond our or its ability to pay as they mature.

If a court were to find that the issuance of the exchange notes or a guarantee was a fraudulent conveyance or transfer, the court could void the payment obligations under the exchange notes and the guarantees, further subordinate the exchange notes or the payment obligations under such guarantee to existing and future indebtedness of ours or such guarantor or require the holders of the exchange notes to repay any amounts received with respect to the exchange notes or such guarantee. In the event of a finding that a fraudulent conveyance or transfer occurred, you may not receive any repayment on the exchange notes. Further, the avoidance of the exchange notes could result in an event of default with respect to our other debt and that of our guarantors that could result in acceleration of such debt. The measures of insolvency for purposes of fraudulent conveyance and transfer laws vary depending upon the laws of the jurisdiction that is being applied, such that we

cannot be certain as to: the standards a court would use to determine whether or not the issuer or any of our guarantors were solvent at the relevant time, or, regardless of the standard that a court uses, that it would not determine that the issuer or a guarantor was indeed insolvent on that date; that any payments to the holders of the exchange notes (including under the guarantees) did not constitute preferences, fraudulent transfers, or conveyances on other grounds; or that the issuance of the exchange notes and the guarantees would not be subordinated to the issuer's or any guarantor's other debt. Generally, an entity would be considered insolvent if, at the time it incurred indebtedness:

- the sum of its debts, including contingent liabilities, was greater than the fair saleable value of all its assets;
- the present fair saleable value of its assets was less than the amount that would be required to pay its probable liability on its existing debts and liabilities, including contingent liabilities, as they become absolute and mature; or
- it could not pay its debts as they become due.

If the guarantees were legally challenged, any guarantee could be subject to the finding of a court that, because the guarantee was incurred for our benefit, and only indirectly for the benefit of the guarantor, the obligations of the applicable guarantor were incurred for less than fair consideration or reasonably equivalent value. Therefore, a court could void the obligations under the guarantees or take other action detrimental to the holders of the exchange notes. Each guarantee contains a "savings clause" intended to limit each guarantor's liability under its guarantee to the maximum amount that it could incur without causing the guarantee to be a fraudulent conveyance or transfer under applicable law. There can be no assurance that this provision will be upheld as intended.

Because each guarantor's liability under its guarantee may be reduced to zero, voided or released under certain circumstances, you may not receive any payments from some or all of the guarantors.

Holders of exchange notes have the benefit of the guarantees of certain of our subsidiaries. However, the guarantees are limited to the maximum amount that the guarantors are permitted to guarantee under applicable law. As a result, a guarantor's liability under its guarantee could be materially reduced or eliminated depending upon the amounts of its other obligations and upon applicable laws. In particular, in certain jurisdictions, a guarantee issued by a company that is not in the company's corporate interests, the burden of which exceeds the benefit to the company or which is entered into within a certain period prior to insolvency or bankruptcy, may not be valid and enforceable. It is possible that a guarantor, a creditor of a guarantor or the insolvency administrator in the case of an insolvency of a guarantor may contest the validity and enforceability of the guarantee and that the applicable court may determine the guarantee should be limited or voided. In the event that any guarantees are deemed invalid or unenforceable, in whole or in part, or to the extent that agreed limitations on the guarantee obligation apply, the exchange notes would be further subordinated to all liabilities of the applicable guarantor, including trade payables of such guarantor. See "—U.S. federal and state fraudulent transfer laws permit a court to void the exchange notes and the guarantees, and, if that occurs, you may not receive any payments on the exchange notes or may be required to return payments made on the exchange notes."

During any period in which the exchange notes are rated investment grade, certain covenants contained in the indenture will not be applicable and the guarantees may be released; however, there is no assurance that the exchange notes will be rated investment grade.

The indenture provides that certain covenants will be suspended and the guarantees may be released if the exchange notes are rated investment grade by both of S&P and Moody's and no default or event of default has otherwise occurred and is continuing under the indenture. If the exchange notes are subsequently downgraded below investment grade, such covenants and such guarantees will be reinstated. The covenants that would be

suspended include, among others, limitations on our and our restricted subsidiaries' ability to pay dividends, make restricted payments, incur indebtedness, sell certain assets and enter into certain other transactions. Any actions that we take while these covenants are not in force will be permitted even if the covenants are subsequently reinstated. There can be no assurance that the exchange notes will ever be rated investment grade, or that if they are rated investment grade, the exchange notes will maintain such ratings. See "Description of the Exchange Notes—Certain Covenants in the Indenture—Suspension of Covenants if the Notes Achieve Investment Grade Rating."

Certain transactions that may result in a change of ownership of Clear Channel Outdoor Holdings may not constitute a change of control. In addition, in the event of a change of control, the issuer may not be able to fulfill its repurchase obligations under the indenture governing the exchange notes.

Under the indenture governing the exchange notes, upon the occurrence of any change of control, the issuer will be required to make a change of control offer to repurchase the exchange notes at a price equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of repurchase.

The definition of change of control in the indenture governing the exchange notes includes a phrase relating to the sale of "all or substantially all" of our assets. There is no precise established definition of the phrase "substantially all" under applicable law. Accordingly, the ability of a holder of exchange notes to require the issuer to repurchase its exchange notes as a result of a sale of less than all our assets to another person is uncertain.

In addition, if a change of control occurs, there can be no assurance that the issuer will have available funds sufficient to pay the change of control purchase price for any of the exchange notes that might be delivered by holders of the exchange notes seeking to accept the change of control offer and, accordingly, none of the holders of the exchange notes may receive the change of control purchase price for their exchange notes. The issuer's failure to make the change of control offer or to pay the change of control purchase price with respect to the exchange notes when due would result in a default under the indenture governing the exchange notes. See "Description of the Exchange Notes—Events of Default and Remedies."

Your ability to transfer the exchange notes may be limited by the absence of an active trading market, and there is no assurance that any active trading market will develop for the exchange notes and you may not be able to sell them quickly or at the price you paid.

We do not intend to apply for the exchange notes to be listed on any securities exchange or to arrange for their quotation on any automated dealer quotation system. An active market for the exchange notes may not develop or, if developed, it may not continue. Historically, the markets for non-investment grade debt have been subject to disruptions that have caused substantial volatility in the prices of securities similar to the exchange notes. The market, if any, for the exchange notes may experience similar disruptions and any such disruptions may adversely affect the prices at which you may sell your exchange notes. In addition, the exchange notes will bear a different CUSIP number than the original notes. Subsequent to their initial issuances, the exchange notes may trade at discounts, depending upon prevailing interest rates, the market for similar notes, our financial and operating performance and other factors.

Ratings of the notes may cause their trading price to fall and affect the marketability of the notes.

A rating agency's rating of the notes is not a recommendation to purchase, sell or hold any particular security, including the notes. Such ratings are limited in scope and do not comment as to material risks relating to an investment in the notes. An explanation of the significance of such rating may be obtained from such rating agency. There is no assurance that the credit ratings of the notes will remain in effect for any given period of time prior to or following the exchange offer. Rating agencies may lower, suspend or withdraw ratings on the notes or our other debt in the future. Holders of the notes will have no recourse against us or any other parties in the event

of a change in or suspension or withdrawal of such ratings. Any lowering, suspension or withdrawal of such ratings may have an adverse effect on the market prices or marketability of the notes.

Downgrades in our credit ratings may adversely affect our borrowing costs, limit our financing options, reduce our flexibility under future financings and adversely affect our liquidity or business operations.

Our corporate credit ratings are speculative-grade. Our corporate credit ratings and ratings outlook are subject to review by rating agencies from time to time and, on various occasions, have been downgraded. In the future, our corporate credit rating and rating outlook could be further downgraded. Any further reductions in our credit ratings could increase our borrowing costs, reduce the availability of financing to us or increase the cost of doing business or otherwise negatively impact our business operations.

USE OF PROCEEDS

This exchange offer is intended to satisfy our obligations under the exchange and registration rights agreement entered into in connection with the issuance of the original notes. We will not receive proceeds from the issuance of the exchange notes offered hereby. In consideration for issuing the exchange notes in exchange for the original notes as described in this prospectus, we will receive original notes of like principal amount. The original notes surrendered in exchange for the exchange notes will be retired and canceled. We will pay all of our expenses incident to the exchange offer.

THE EXCHANGE OFFER

Purpose of the Exchange Offer

In connection with the issuance of the original notes, we entered into an exchange and registration rights agreement with the initial purchasers of the original notes, under which we agreed to (i) use commercially reasonable efforts to file with the SEC not later than April 30, 2020 a registration statement with respect to an offer to exchange the original notes and the related guarantees for new notes and new guarantees registered under the Securities Act, with terms substantially identical to those of the original notes and the related guarantees (except for provisions relating to the transfer restrictions, registration rights and payment of additional interest); (ii) use commercially reasonable efforts to cause the registration statement to become effective no later than June 9, 2020; and (iii) use commercially reasonable efforts to commence the exchange offer no later than 10 business days after the effective time of the registration statement. The exchange offer is intended to satisfy your rights under the exchange and registration rights agreement.

Based upon interpretations by the staff of the SEC set forth inno-action letters issued to third parties, we believe that a holder of original notes who exchanges original notes for exchange notes in the exchange offer generally may offer such exchange notes for resale, sell the exchange notes and otherwise transfer the exchange notes without further registration under the Securities Act and without delivery of a prospectus that satisfies the requirements of Section 10 of the Securities Act. This does not apply, however, to a holder who is our "affiliate" within the meaning of Rule 405 of the Securities Act. We also believe that a holder may offer, sell or transfer the exchange notes only if the holder acknowledges that the holder is acquiring the exchange notes in the ordinary course of its business and is not participating, does not intend to participate and has no arrangement or understanding with any person to participate in a distribution of the exchange notes.

Any holder of the original notes using the exchange offer to participate in a distribution of exchange notes cannot rely on theno-action letters referred to above. Any broker-dealer who holds original notes acquired for its own account as a result of market-making activities or other trading activities and who receives exchange notes in exchange for such original notes pursuant to the exchange offer may be a statutory underwriter and must deliver a prospectus meeting the requirements of the Securities Act in connection with any resale of such exchange notes. See "Plan of Distribution."

Except as described above, this prospectus may not be used for an offer to resell or transfer the exchange notes.

The exchange offer is not being made to, nor will we accept tenders for exchange from, holders of original notes in any jurisdiction in which the exchange offer or the acceptance of it would not be in compliance with the securities or blue sky laws of such jurisdiction.

Terms of the Exchange

Upon the terms and subject to the conditions of the exchange offer, we will accept any and all original notes validly tendered at or prior to 5:00 p.m., New York City time, on the Expiration Date. Promptly after the Expiration Date, we will issue an aggregate principal amount of up to $1,901,525,000 of exchange notes for a like principal amount of outstanding original notes validly tendered and accepted in connection with the exchange offer. The exchange notes issued in connection with the exchange offer will be delivered promptly after the Expiration Date. Holders may tender some or all of their original notes in connection with the exchange offer, but only in principal amounts of $2,000 or in integral multiples of $1,000 in excess of $2,000.

The terms of the exchange notes will be identical in all material respects to the terms of the original notes, except that the exchange notes will have been registered under the Securities Act and will be issued free from any covenant regarding registration, including the payment of additional interest upon a failure to complete the

exchange offer within the designated period. The exchange notes will evidence the same debt as the original notes and will be issued under the same indenture and be entitled to the same benefits under that indenture as the original notes being exchanged. As of the date of this prospectus, $1,901,525,000 in aggregate principal amount of the original notes are outstanding.

In connection with the issuance of the original notes, we arranged for the original notes issued to qualified institutional buyers and those issued in reliance on Regulation S under the Securities Act to be issued and transferable in book-entry form through the facilities of DTC, acting as depositary. Except as described under "Book-Entry; Delivery and Form," exchange notes will be issued in the form of one or more global notes registered in the name of DTC or its nominee and each beneficial owner's interest therein will be transferable in book-entry form through DTC. See "Book-Entry; Delivery and Form."

Holders of original notes do not have any appraisal or dissenters' rights in connection with the exchange offer. Original notes that are not validly tendered for exchange or are tendered but not accepted in connection with the exchange offer will remain outstanding and be entitled to the benefits of the indenture, but certain registration and other rights under the exchange and registration rights agreement will terminate and holders of the original notes will generally not be entitled to any registration rights under the exchange and registration rights agreement. See "—Consequences of Failures to Properly Tender Original Notes in the Exchange Offer."

We shall be considered to have accepted validly tendered original notes if and when we have given written notice to the exchange agent.

The exchange agent will act as agent for the tendering holders for the purposes of receiving the exchange notes from us.

If any tendered original notes are not accepted for exchange because of an invalid tender, the occurrence of certain other events described in this prospectus or otherwise, we will return the original notes, without expense, to the tendering holder promptly after the Expiration Date for the exchange offer.

Holders who tender original notes will not be required to pay brokerage commissions or fees or, subject to the instructions in the letter of transmittal, transfer taxes on exchange of original notes in connection with the exchange offer. We will pay all charges and expenses, other than certain applicable taxes described below, in connection with the exchange offer. See "—Fees and Expenses."

Expiration Date; Extensions; Amendments

The Expiration Date for the exchange offer is 5:00 p.m., New York City time, on , 2020, unless extended by us in our sole discretion, in which case the term "Expiration Date" shall mean the latest date and time to which the exchange offer is extended.

We reserve the right, in our sole discretion:

- to delay accepting any original notes, to extend the exchange offer or to terminate the exchange offer if, in our reasonable judgment, any of the conditions described below shall not have been satisfied, by giving written notice of the delay, extension or termination to the exchange agent; or
- to amend the terms of the exchange offer in any manner.

If we amend the exchange offer in a manner that we consider material, we will disclose such amendment by means of a prospectus supplement, and we will extend the exchange offer for a period of five to ten business days, depending on the significance of the amendment, if the exchange offer would otherwise have expired during such five- to ten-business-day period.

If we determine to extend, amend or terminate the exchange offer, we will publicly announce this determination by making a timely release through an appropriate news agency.

If we delay accepting any original notes or terminate the exchange offer, we promptly will return any original notes deposited pursuant to the exchange offer as required by Rule 14e-1(c) under the Exchange Act.

Conditions to the Exchange Offer

Notwithstanding any other provisions of the exchange offer, and subject to our obligations under the exchange and registration rights agreement, we will not be required to accept for exchange, or to issue exchange notes in exchange for, any original notes and may terminate or amend the exchange offer, if at any time before the acceptance of any original notes for exchange any one of the following events occurs:

- any injunction, order or decree has been issued by any court or any governmental agency that would prohibit, prevent or otherwise materially impair our ability to complete the exchange offer; or
- the exchange offer violates any applicable law or any applicable interpretation of the staff of the SEC.

The foregoing conditions are for our sole benefit and may be waived by us, in whole or in part, in our absolute discretion. Any determination made by us concerning an event, development or circumstance described or referred to above will be conclusive and binding.

If any of the foregoing conditions are not satisfied, we may, at any time on or prior to the Expiration Date:

- terminate the exchange offer and promptly return all tendered original notes to the respective tendering holders;
- modify, extend or otherwise amend the exchange offer and retain all tendered original notes until the Expiration Date, as extended, subject, however, to the withdrawal rights of holders; or
- waive the unsatisfied conditions with respect to the exchange offer and accept all original notes validly tendered and not previously validly withdrawn.

In addition, subject to applicable law, we may in our absolute discretion terminate the exchange offer for any other reason or for no reason.

Effect of Tender

Any tender by a holder, and our subsequent acceptance of that tender, of original notes will constitute a binding agreement between that holder and us upon the terms and subject to the conditions of the exchange offer described in this prospectus and in the accompanying letter of transmittal. The participation in the exchange offer by a tendering holder of original notes will constitute the agreement by that holder to deliver good and marketable title to the tendered original notes, free and clear of any and all liens, restrictions, charges, pledges, security interests, encumbrances or rights of any kind of third parties.

Procedures for Tendering

If you wish to participate in the exchange offer and your original notes are held by a custodial entity such as a bank, broker, dealer, trust company or other nominee, you must instruct that custodial entity to tender your original notes on your behalf pursuant to the procedures of that custodial entity. Please ensure you contact your custodial entity as soon as possible to give them sufficient time to meet your requested deadline.

To participate in the exchange offer, you must either:

- complete, sign and date a letter of transmittal, or a facsimile thereof, in accordance with the instructions in the letter of transmittal, including guaranteeing the signatures to the letter of transmittal,

if required, and mail or otherwise deliver the letter of transmittal or a facsimile thereof to the exchange agent at the address listed in the letter of transmittal and deliver the original notes specified in the letter of transmittal to the exchange agent (either by mailing or otherwise delivering certificates representing such notes along with the letter of transmittal or by effecting a book-entry transfer into the exchange agent's account at DTC) for receipt prior to the Expiration Date; or

- comply with the Automated Tender Offer Program ("ATOP") procedures for book-entry transfer described below prior to the Expiration Date.

The exchange offer will be made eligible for ATOP with respect to book-entry notes held through DTC. The letter of transmittal, or a facsimile thereof, with any required signature guarantees, or, in the case of book-entry transfer, an agent's message in lieu of the letter of transmittal, and any other required documents, must be transmitted to and received by the exchange agent prior to the Expiration Date at its address set forth below under the caption "Exchange Agent." Original notes will not be deemed to have been tendered until the letter of transmittal and signature guarantees, if any, or agent's message, is received by the exchange agent. We have not provided guaranteed delivery procedures in conjunction with the exchange offer or under this prospectus.

The tender by a holder of original notes will constitute an agreement between us and the holder in accordance with the terms and subject to the conditions set forth in this prospectus and in the letter of transmittal.

The method of delivery of original notes, the letter of transmittal and all other required documents to the exchange agent is at the election and risk of the holders. Instead of delivery by mail, we recommend that holders use an overnight or hand-delivery service, properly insured. In all cases, sufficient time should be allowed to assure delivery to and receipt by the exchange agent prior to the Expiration Date. Do not send the letter of transmittal or any original notes to anyone other than the exchange agent.

If you are tendering your original notes in exchange for exchange notes and anticipate delivering your letter of transmittal and other documents other than through DTC, we urge you to contact promptly a bank, broker or other intermediary that has the capability to hold notes custodially through DTC to arrange for receipt of any original notes to be delivered pursuant to the exchange offer and to obtain the information necessary to provide the required DTC participant with account information in the letter of transmittal.

If you are a beneficial owner that holds original notes through Euroclear (as defined herein) or Clearstream (as defined herein) and wish to tender your original notes, you must instruct Euroclear or Clearstream, as the case may be, to block the account in respect of the tendered original notes in accordance with the procedures established by Euroclear or Clearstream. You are encouraged to contact Euroclear and Clearstream directly to ascertain their procedure for tendering original notes.

Book-Entry Delivery Procedures for Tendering Original Notes Held with DTC

If you wish to tender original notes held on your behalf by a participant with DTC, you must:

- inform the participant of your interest in tendering your original notes pursuant to the exchange offer; and
- instruct the participant to tender all original notes you wish to be tendered in the exchange offer into the exchange agent's account at DTC prior to the Expiration Date.

Any financial institution that is a participant in DTC, including Euroclear and Clearstream, must tender original notes by effecting a book-entry transfer of original notes to be tendered in the exchange offer into the account of the exchange agent at DTC by electronically transmitting its acceptance of the exchange offer through the ATOP procedures for transfer. DTC will then verify the acceptance, execute a book-entry delivery to the exchange agent's account at DTC and send an agent's message to the exchange agent. An "agent's message" is a

message, transmitted by DTC to, and received by, the exchange agent and forming part of a book-entry confirmation, which states that DTC has received an express acknowledgement from an organization that participates in DTC (a "participant") tendering original notes that the participant has received and agrees to be bound by the terms of the letter of transmittal and that we may enforce the agreement against the participant. **A letter of transmittal need not accompany tenders effected through ATOP.**

Proper Execution and Delivery of the Letter of Transmittal

Signatures on a letter of transmittal or notice of withdrawal described under "—Withdrawal of Tenders," as the case may be, must be guaranteed by an eligible guarantor institution unless the original notes tendered pursuant thereto are tendered (i) by a registered holder who has not completed the box entitled "Special Issuance Instructions" or "Special Delivery Instructions" on the letter of transmittal or (ii) for the account of an eligible guarantor institution. An "eligible guarantor institution" is one of the following firms or other entities identified in Rule 17Ad-15 under the Exchange Act (as the terms are used in Rule 17Ad-15):

- a bank;
- a broker, dealer, municipal securities dealer, municipal securities broker, government securities dealer or government securities broker;
- a credit union;
- a national securities exchange, registered securities association or clearing agency; or
- a savings association.

If signatures on a letter of transmittal or notice of withdrawal are required to be guaranteed, that guarantee must be made by an eligible guarantor institution.

If the letter of transmittal is signed by the holders of original notes tendered thereby, the signatures must correspond with the names as written on the face of the original notes or on the DTC security position listing without any change whatsoever. If any of the original notes tendered thereby are held by two or more holders, each holder must sign the letter of transmittal. If any of the original notes tendered thereby are registered in different names on different original notes, it will be necessary to complete, sign and submit as many separate letters of transmittal, and any accompanying documents, as there are different registrations of certificates.

If original notes that are not tendered for exchange pursuant to the exchange offer are to be returned to a person other than the tendering holder, certificates for those original notes must be endorsed or accompanied by an appropriate instrument of transfer, signed exactly as the name of the registered owner appears on the certificates, with the signatures on the certificates or instruments of transfer guaranteed by an eligible guarantor institution.

If the letter of transmittal is signed by a person other than the holder of any original notes listed in the letter of transmittal, those original notes must be properly endorsed or accompanied by a properly completed bond power, signed by the holder exactly as the holder's name appears on those original notes. If the letter of transmittal or any original notes, bond powers or other instruments of transfer are signed by trustees, executors, administrators, guardians, attorneys-in-fact, officers of corporations or others acting in a fiduciary or representative capacity, those persons should so indicate when signing, and, unless waived by us, evidence satisfactory to us of their authority to so act must be submitted with the letter of transmittal.

No alternative, conditional, irregular or contingent tenders will be accepted. By executing the letter of transmittal, or facsimile thereof, the tendering holders of original notes waive any right to receive any notice of the acceptance for exchange of their original notes. Tendering holders should indicate in the applicable box in the letter of transmittal the name and address to which payments and/or substitute certificates evidencing original

notes for amounts not tendered or not exchanged are to be issued or sent, if different from the name and address of the person signing the letter of transmittal. If those instructions are not given, original notes not tendered or exchanged will be returned to the tendering holder.

All questions as to the validity, form, eligibility, including time of receipt, and acceptance and withdrawal of tendered original notes will be determined by us in our absolute discretion, which determination will be final and binding. We reserve the absolute right to reject any and all tendered original notes determined by us not to be in proper form or not to be tendered properly or any tendered original notes our acceptance of which may, in the opinion of our counsel, be unlawful. We also reserve the right to waive, in our absolute discretion, any defects, irregularities or conditions of tender as to particular original notes, whether or not waived in the case of other original notes. Our interpretation of the terms and conditions of the exchange offer, including the terms and instructions in the letter of transmittal, will be final and binding on all parties. Unless waived, any defects or irregularities in connection with tenders of original notes must be cured within the time we determine. Although we intend to notify holders of defects or irregularities with respect to tenders of original notes, neither we, the exchange agent nor any other person will be under any duty to give that notification or shall incur any liability for failure to give that notification. Tenders of original notes will not be deemed to have been made until any defects or irregularities therein have been cured or waived.

Any holder whose original notes have been mutilated, lost, stolen or destroyed will be responsible for obtaining replacement securities or for arranging for indemnification with the trustee of the original notes. Holders may contact the exchange agent for assistance with these matters.

In addition, we reserve the right, as set forth above under "—Conditions to the Exchange Offer," to terminate the exchange offer.

By tendering, each holder represents and acknowledges to us, among other things, that:

- it has full power and authority to tender, sell, assign and transfer the original notes it is tendering and that we will acquire good and unencumbered title thereto, free and clear of all liens, restrictions, charges and encumbrances and not subject to any adverse claim when the same are accepted by us;
- the exchange notes acquired in connection with the exchange offer are being obtained in the ordinary course of business of the person receiving the exchange notes;
- at the time of commencement of the exchange offer it had no arrangement or understanding with any person to participate in a distribution of such exchange notes;
- it is not our "affiliate" (as defined in Rule 405 under the Securities Act), or if it is our affiliate, such holder will comply with the registration and prospectus delivery requirements of the Securities Act to the extent applicable;
- if the holder is not a broker-dealer, that it is not engaged in, and does not intend to engage in, the distribution of the exchange notes; and
- if the holder is a broker-dealer, that it is not engaged in, and does not intend to engage in, a distribution of the exchange notes; that if it will receive exchange notes for its own account in exchange for original notes, such notes were acquired by such broker-dealer as a result of market-making activities or other trading activities; and that it will be required to acknowledge that it will deliver a prospectus in connection with any resale of such exchange notes. See "Plan of Distribution."

Withdrawal of Tenders

Tenders of original notes in the exchange offer may be validly withdrawn at any time prior to the Expiration Date.

For a withdrawal of a tender to be effective, a written or facsimile transmission notice of withdrawal must be received by the exchange agent prior to the Expiration Date at its address set forth below under the caption "Exchange Agent." The withdrawal notice must:

- specify the name of the tendering holder of original notes;
- bear a description of the original notes to be withdrawn;
- specify, in the case of original notes tendered by delivery of certificates for those original notes, the certificate numbers shown on the particular certificates evidencing those original notes;
- specify the aggregate principal amount represented by those original notes;
- specify, in the case of original notes tendered by delivery of certificates for those original notes, the name of the registered holder, if different from that of the tendering holder, or specify, in the case of original notes tendered by book-entry transfer, the name and number of the account at DTC to be credited with the withdrawn original notes; and
- be signed by the holder of those original notes in the same manner as the original signature on the letter of transmittal, including any required signature guarantees, or be accompanied by evidence satisfactory to us that the person withdrawing the tender has succeeded to the beneficial ownership of those original notes.

The signature on any notice of withdrawal must be guaranteed by an eligible guarantor institution, unless the original notes have been tendered for the account of an eligible guarantor institution.

Withdrawal of tenders of original notes may not be rescinded, and any original notes validly withdrawn will thereafter be deemed not to have been validly tendered for purposes of the exchange offer. Validly withdrawn original notes may, however, be re-tendered by again following one of the procedures described in "—Procedures for Tendering" prior to the Expiration Date.

Exchange Agent

U.S. Bank National Association will be appointed as exchange agent in connection with the exchange offer. Questions and requests for assistance with respect to the procedures for tendering or withdrawing tenders of original notes, as well as requests for additional copies of this prospectus or of the letter of transmittal, should be directed to the exchange agent as follows:

Fees and Expenses

We will not make any payment to brokers, dealers or others soliciting acceptances of the exchange offer. We will pay certain other expenses to be incurred in connection with the exchange offer, including the fees and expenses of the exchange agent and certain accountant and legal fees.

Holders who tender their original notes for exchange will not be obligated to pay transfer taxes. If, however:

- exchange notes are to be delivered to, or issued in the name of, any person other than the registered holder of the original notes tendered;

- tendered original notes are registered in the name of any person other than the person signing the letter of transmittal; or
- a transfer tax is imposed for any reason other than the exchange of original notes in connection with the exchange offer;

then the amount of any such transfer taxes (whether imposed on the registered holder or any other persons) will be payable by the tendering holder. If satisfactory evidence of payment of such taxes or exemption from them is not submitted with the letter of transmittal, the amount of such transfer taxes will be billed directly to the tendering holder.

Consequences of Failures to Properly Tender Original Notes in the Exchange Offer

Issuance of the exchange notes in exchange for the original notes under the exchange offer will be made only after timely receipt by the exchange agent of a properly completed and duly executed letter of transmittal (or an agent's message from DTC) and the certificate(s) representing such original notes (or confirmation of book-entry transfer), and all other required documents. Therefore, holders of the original notes desiring to tender such original notes in exchange for exchange notes should allow sufficient time to ensure timely delivery. We are under no duty to give notification of defects or irregularities of tenders of original notes for exchange. Original notes that are not validly tendered or that are tendered but not accepted by us will, following completion of the exchange offer, continue to be subject to the existing restrictions upon transfer thereof under the Securities Act, and, upon completion of the exchange offer, certain registration rights under the registration rights agreement will terminate.

In the event the exchange offer is completed, we generally will not be required to register the remaining original notes, subject to limited exceptions. Remaining original notes will continue to be subject to the following restrictions on transfer:

- the remaining original notes may be resold only if registered pursuant to the Securities Act, if any exemption from registration is available, or if neither such registration nor such exemption is required by law; and
- the remaining original notes will bear a legend restricting transfer in the absence of registration or an exemption.

In addition, the exchange notes will bear a different CUSIP number than the original notes. We do not currently anticipate that we will register the remaining original notes under the Securities Act. To the extent that original notes are tendered and accepted in connection with the exchange offer, any trading market for remaining original notes could be adversely affected. See "Risk Factors—Risks Related to the Exchange Offer—If you fail to exchange your original notes, they will continue to be restricted securities and might become less liquid."

DESCRIPTION OF THE EXCHANGE NOTES

General

The Issuer issued $2,235,000,000 in aggregate principal amount of 9.25% senior subordinated notes due 2024 (the *"Original Notes"*) on February 12, 2019. The Original Notes were issued, and the Exchange Notes will be issued, pursuant to an indenture, dated as of February 12, 2019, among the Issuer, the Guarantors party thereto and U.S. Bank National Association, as trustee (the *"Trustee"*) and as paying agent (the *"Paying Agent"*), registrar and transfer agent, as supplemented by the first supplemental indenture, dated as of May 1, 2019, among the Issuer, the Guarantors party thereto and the Trustee and by the second supplemental indenture, dated as of August 23, 2019, among the Guarantors party thereto and the Trustee (as supplemented, the *"Indenture"*). The terms of the Indenture include those stated therein and those made part thereof by reference to the Trust Indenture Act.

Certain terms used in this description are defined under the subheading "Certain Definitions." In this description, (i) the term *"Issuer"* refers to Clear Channel Worldwide Holdings, Inc. and not to any of its Subsidiaries; (ii) the term *"Company"* refers to Clear Channel Outdoor Holdings, Inc. and not to any of its Subsidiaries; (iii) the terms *"we," "our"* and *"us"* each refer to the Company and its consolidated Subsidiaries; and (iv) the term *"CCO"* refers to Clear Channel Outdoor, LLC, and not to any of its Subsidiaries. The Issuer is a Wholly-Owned Subsidiary of the Company. The Company Guarantees the Original Notes and will Guarantee the Exchange Notes and each Restricted Subsidiary of the Company that Guarantees the Original Notes and will Guarantee the Exchange Notes is referred to as a *"Restricted Guarantor."* The term "*Exchange Notes*" refers to the Issuer's notes being offered hereby in exchange for a like principal amount of Original Notes, and the term *"Notes"* refers to the Original Notes and the Exchange Notes, collectively.

If the exchange offer is consummated, Holders of Original Notes who do not exchange their Original Notes for Exchange Notes will vote together with the Holders of the Exchange Notes for all relevant purposes under the Indenture. In that regard, the Indenture requires that certain actions by the Holders under the Indenture must be taken, and certain rights must be exercised, by specified minimum percentages of the aggregate principal amount of all Notes issued under the Indenture. In determining whether Holders of the requisite percentage in principal amount have given any notice, consent or waiver or taken any other action permitted under the Indenture, any Original Notes that remain outstanding after the exchange offer will be aggregated with the Exchange Notes and the Holders of all Notes will vote together as a single series for all such purposes. Accordingly, all references in this "Description of the Exchange Notes" to specified percentages in aggregate principal amount of the outstanding Notes mean, at any time after the exchange offer for the Original Notes is consummated, such percentage in aggregate principal amount of all Notes then outstanding.

Certain Developments Since Issuance of the Original Notes

On May 1, 2019, in connection with the emergence of iHeartMedia, Inc., iHeart and certain of iHeartMedia, Inc.'s direct and indirect domestic subsidiaries from Chapter 11, the Separation was consummated and the Company and its Subsidiaries ceased to be Subsidiaries of, or controlled by, iHeart. On August 22, 2019, the Issuer redeemed $333,475,000 aggregate principal amount of the Original Notes using proceeds from an equity offering by the Company. Following such redemption and as of the date of this prospectus, there are $1,901,525,000 aggregate principal amount of Original Notes outstanding.

On August 23, 2019, the Company consummated a series of refinancing transactions, including the offering of the Senior Secured Notes and the entry into the Senior Secured Credit Facilities and the ABL Facility (each as defined elsewhere in this prospectus). The Company used the proceeds of the Senior Secured Notes and the Term Loan Facility (as defined elsewhere in this prospectus), together with cash on hand, to redeem in full and satisfy and discharge the CCWH Senior Notes and the CCIBV Senior Notes, and also terminated the Senior Credit Facilities.

On the Issue Date, the Original Notes and related Guarantees were Subordinated Indebtedness of the Issuer and the Guarantors and were known as the "9.25% senior subordinated notes due 2024." The Indenture provides that on the first day that the CCWH Senior Notes were no longer outstanding and at least a portion of such notes had been refinanced with Senior Secured Indebtedness, then, beginning on that day and continuing at all times thereafter, the subordination provisions of the Indenture would cease to apply to the Notes and the Guarantees and the Notes and the Guarantees would cease to be Subordinated Indebtedness. These conditions were satisfied on August 23, 2019 (the "*Step-up Trigger Date*"), upon the consummation of the refinancing transactions described above, and in accordance with the terms of the Indenture, the Issuer notified the Trustee that, on such date, the Original Notes and the Guarantees ceased to be Subordinated Indebtedness, and on such date and continuing at all times thereafter, the Notes rank *pari passu* in right of payment with all of the Issuer's and the Guarantors' Senior Indebtedness and became known as the "9.25% Senior Notes due 2024" (the "*Step-up*").

The following description is only a summary of the material provisions of the Indenture and does not purport to be complete and is qualified in its entirety by reference to the provisions of that agreement, including the definitions therein of certain terms used in this "Description of the Exchange Notes." Additionally, the Indenture has not been amended and restated to reflect the consummation of the Separation or the Step-up, and thus, certain subsections of this description that contain a verbatim recitation of the provisions of the Indenture continue to refer to terms and instruments that are referred to in the Indenture but that are no longer applicable or in effect following the Separation and the Step-up. We urge you to read the Indenture and the Notes because those agreements, not this description, define your rights as Holders of the Notes. Copies of the Indenture may be obtained from the Company.

Brief Description of Exchange Notes

Like the Original Notes, the Exchange Notes:

- will be the unsecured senior obligations of the Issuer;
- will rank *pari passu* in right of payment to all existing and future Senior Indebtedness of the Issuer, including the Senior Secured Notes, the Senior Secured Credit Facilities and the ABL Facility (each as defined elsewhere in this prospectus);
- will be effectively subordinated to all existing and future secured Indebtedness of the Issuer, including the Senior Secured Notes, the Senior Secured Credit Facilities and the ABL Facility (each as defined elsewhere in this prospectus), to the extent of the value of the assets securing such Indebtedness;
- will be senior in right of payment to all existing and future Subordinated Indebtedness of the Issuer; and
- will be structurally subordinated to all existing and future obligations of any existing or future Subsidiaries of the Company that do not guarantee the Exchange Notes.

Like the Guarantees of the Original Notes, the Guarantee of each Guarantor of the Exchange Notes:

- will be an unsecured senior obligation of such Guarantor;
- will rank *pari passu* in right of payment to all existing and future Senior Indebtedness of such Guarantor, including the Senior Secured Notes, the Senior Secured Credit Facilities and the ABL Facility (each as defined elsewhere in this prospectus);
- will be effectively subordinated to all existing and future secured Indebtedness of such Guarantor, including the Senior Secured Notes, the Senior Secured Credit Facilities and the ABL Facility (each as defined elsewhere in this prospectus), to the extent of the value of the assets securing such Indebtedness;
- will be senior in right of payment to all existing and future Subordinated Indebtedness of such Guarantor.

Guarantees

The Guarantors, as primary obligors and not merely as sureties, will jointly and severally irrevocably and unconditionally guarantee, on an unsecured senior basis, in each case, the performance and full and punctual payment when due, whether at maturity, by acceleration or otherwise, of all obligations of the Issuer under the Exchange Notes, whether for payment of principal of or interest on the Exchange Notes, expenses, indemnification or otherwise, on the terms set forth in the Indenture.

Each Restricted Subsidiary that is a Wholly-Owned Subsidiary of the Company (other than Excluded Subsidiaries) guarantees the Original Notes and will guarantee the Exchange Notes, subject to release as provided below. The Original Notes are and the Exchange Notes will be structurally subordinated to Indebtedness and other liabilities of Subsidiaries of the Company that do not guarantee the Notes.

Not all of the Company's Subsidiaries guarantee the Original Notes or will guarantee the Exchange Notes. In the event of a bankruptcy, liquidation or reorganization of any of these non-guarantor Subsidiaries, the non-guarantor Subsidiaries will pay the holders of their debt and their trade creditors before they will be able to distribute or contribute, as the case may be, any of their assets to a Guarantor. None of the Company's Excluded Subsidiaries guarantee the Original Notes or will guarantee the Exchange Notes. As of the Issue Date and as of the date of this prospectus, the Excluded Subsidiaries include all Foreign Subsidiaries of the Company, all non-Wholly-Owned Subsidiaries of the Company, certain Domestic Subsidiaries and all Immaterial Subsidiaries. The non-Guarantor Subsidiaries accounted for approximately $1,420.2 million, or 52.9%, of our revenue for the year ended December 31, 2019. As of December 31, 2019, our non-Guarantor Subsidiaries had $30 thousand in outstanding indebtedness and $1,515.2 million of other outstanding liabilities, excluding intercompany obligations.

The obligations of each Guarantor under its Guarantee are limited as necessary to prevent such Guarantee from constituting a fraudulent conveyance under applicable law.

Any Guarantor that makes a payment under its Guarantee will be entitled upon payment in full of all guaranteed obligations under the Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's pro rata portion of such payment based on the respective net assets of all the Guarantors at the time of such payment (such net assets determined in accordance with GAAP).

If a Guarantee were to be rendered voidable, it could be subordinated by a court to all other indebtedness (including guarantees and other contingent liabilities) of the Guarantor, and, depending on the amount of such indebtedness, a Guarantor's liability on its Guarantee could be reduced to zero.

Each Guarantee by a Restricted Guarantor provides by its terms that it shall be automatically and unconditionally released and discharged upon:

(1)(a) any sale, exchange or transfer (by merger or otherwise) of (i) the Capital Stock of such Restricted Guarantor after which the applicable Restricted Guarantor is no longer a Restricted Subsidiary or (ii) all or substantially all of the assets of such Restricted Guarantor which sale, exchange or transfer is made in a manner in compliance with the applicable provisions of the Indenture;

(b) the designation of any Restricted Subsidiary that is a Guarantor as an Unrestricted Subsidiary;

(c) the Issuer exercising its legal defeasance option or covenant defeasance option as described under "—Legal Defeasance and Covenant Defeasance" or the Issuer's obligations under the Indenture being discharged in a manner not in violation of the terms of the Indenture; or

(d) such Restricted Guarantor ceasing to be a Restricted Subsidiary as a result of a transaction or designation permitted hereunder;*provided, however*, if such Restricted Guarantor, immediately prior thereto, was a guarantor of other capital markets debt securities of the Issuer or a Guarantor and continues to be a guarantor of such other capital markets debt securities of the Issuer or a Guarantor, no such release shall be permitted; and

(2) such Restricted Guarantor delivering to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for in the Indenture relating to such transaction have been complied with.

The Guarantee by the Company provides by its terms that it shall be automatically and unconditionally released and discharged upon the Issuer exercising its legal defeasance option or covenant defeasance option as described under "—Legal Defeasance and Covenant Defeasance" or the Issuer's obligations under the Indenture being discharged in a manner in accordance with the terms of the Indenture.

Ranking

The payment of the principal of, premium, if any, and interest on the Notes by the Issuer will rank *pari passu* in right of payment to all existing and future Senior Indebtedness of the Issuer and rank senior in right of payment to all existing and future Subordinated Indebtedness of the Issuer.

The payment of any Guarantee of the Notes will rank *pari passu* in right of payment to all existing and future Senior Indebtedness of such Guarantor and rank senior in right of payment to all existing and future Subordinated Indebtedness of such Guarantor.

At December 31, 2019:

(1) the Company and its Subsidiaries had $5,146.5 million of Senior Indebtedness outstanding (including the Senior Secured Notes and the Senior Secured Credit Facilities, each as defined elsewhere in this prospectus), $3,245.0 million of which was Secured Indebtedness; and

(2) the Company and the Guarantors did not have any Subordinated Indebtedness outstanding.

Although the Indenture limits the incurrence of Indebtedness by the Company and its Restricted Subsidiaries and the issuance of Disqualified Stock and Preferred Stock by the Restricted Subsidiaries, such limitations are subject to a number of significant qualifications and exceptions. Under certain circumstances, the Company and its Subsidiaries may be able to incur additional amounts of Indebtedness and such Indebtedness may be Secured Indebtedness. See "—Certain Covenants in the Indenture—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock" and "—Certain Covenants in the Indenture—Liens."

Substantially all of the operations of the Issuer are conducted through its Subsidiaries, most of which are Foreign Subsidiaries of the Issuer that will not Guarantee the Exchange Notes. In addition, substantially all of the operations of the Company are conducted through its Subsidiaries.

Unless a Subsidiary is a Guarantor, claims of creditors of such Subsidiary, including trade creditors, and claims of preferred stockholders (if any) of such Subsidiary generally will have priority with respect to the assets and earnings of such Subsidiary over the claims of creditors of the Issuer, including Holders, even if such claims do not constitute Senior Indebtedness. The Exchange Notes, therefore, will be effectively subordinated to creditors (including trade creditors) and preferred stockholders (if any) of Subsidiaries of the Company that are not Guarantors. As of December 31, 2019, the Company's Subsidiaries which are not Guarantors had $30 thousand of outstanding indebtedness and $1,515.2 million of other outstanding liabilities, excluding intercompany obligations.

The Issuer and the Guarantors agreed in the Indenture not to incur any Indebtedness that is subordinated or junior in right of payment to the Senior Indebtedness of the Issuer or such Guarantor unless such Indebtedness is Senior Subordinated Indebtedness or is expressly subordinated in right of payment to the Senior Subordinated Indebtedness of such Person. The Indenture and the Notes will not treat (i) unsecured Indebtedness as subordinated or junior to Secured Indebtedness merely because it is unsecured or (ii) Senior Indebtedness as

subordinated or junior to any other Senior Indebtedness merely because it has a junior priority with respect to the same collateral.

See "Risk Factors—Risks Related to the Exchange Notes."

Proceeds Loan

The Issuer loaned the entire stated principal amount of the Notes issued on the Issue Date to CCO pursuant to an intercompany loan. The proceeds from such intercompany loan were used by CCO to repay in full to the Issuer two proceeds loans made in March 2012 simultaneously with the closing of the issuance of the CCWH Existing Subordinated Notes. The obligations of CCO under the Proceeds Loan are senior unsecured obligations of CCO.

Interest accrues on the Proceeds Loan at a rate equal to the interest rate payable on the Notes. CCO is entitled toset-off and deduct any payments it makes under its Guarantee against and from its obligations under the Proceeds Loan. The maturity date of the Proceeds Loan is the same as the maturity date of the Notes.

The Proceeds Loan is repayable by CCO upon the repayment in full or in part of the Notes, whether at maturity, on early redemption or upon acceleration thereof. The Proceeds Loan includes cross-acceleration events to the Notes.

Paying Agent and Registrar for the Notes

The Issuer will maintain one or more Paying Agents for the Notes. The Paying Agent for the Notes is U.S. Bank National Association.

The Issuer also maintains a registrar in respect of the Notes, presently U.S. Bank National Association. If the Issuer fails to appoint a registrar, the Trustee will act as such. The registrar for the Notes will maintain a register reflecting ownership of the Notes outstanding from time to time and will make payments on and facilitate transfer of the Notes on behalf of the Issuer.

The Issuer may change the Paying Agents or registrars without prior notice to the Holders. The Company, the Issuer, any Restricted Subsidiary or any Subsidiaries of a Restricted Subsidiary may not act as a Paying Agent or registrar.

Transfer and Exchange

A Holder may transfer or exchange Notes in accordance with the terms set forth in the Indenture. Any registrar or the Trustee may require a Holder to furnish appropriate endorsements and transfer documents in connection with a transfer of Notes. Holders will be required to pay all taxes due on transfer. The Issuer is not required to transfer or exchange any Note selected for redemption.

Principal, Maturity and Interest

The Issuer will issue up to $1,901,525,000 aggregate principal amount of Exchange Notes. The Exchange Notes will mature on February 15, 2024. Subject to compliance with the covenant described below under the caption "—Certain Covenants in the Indenture—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock," the Issuer may issue additional Notes from time to time (such additional Notes, the *"Additional Notes"*). The Original Notes, the Exchange Notes and any Additional Notes subsequently issued under the Indenture will be treated as a single class for all purposes under the Indenture, including waivers, amendments, redemptions and offers to purchase. Unless the context requires otherwise, for all purposes of the Indenture and this "Description of the Exchange Notes," references to "Notes" include any Additional Notes that are actually issued.

Interest on the Exchange Notes will accrue and be payable by or on behalf of the Issuer semi-annually in arrears from the last interest payment date on which interest was paid on the Original Notes surrendered in exchange therefor, which was February 15, 2020. Interest will be payable by the Issuer semi-annually on February 15 and August 15 of each year, computed using a 360-day year comprised of twelve 30-day months, to Holders of record at the close of business on the February 1 or August 1 immediately preceding the relevant interest payment date. If a payment date is not on a Business Day at the place of payment, payment may be made at the place on the next succeeding Business Day and no interest will accrue for the intervening period.

The Issuer will pay interest on overdue principal at 1% per annum in excess of the interest otherwise payable by the Issuer and will pay interest on overdue installments due from the Issuer at such higher rate to the extent lawful.

Principal of, premium, if any, and interest on the Notes will be payable at the office or agency of the Issuer maintained for such purpose or, at the option of the Issuer, may be made by check delivered to the Holders of the Notes at their respective addresses set forth in the register of Holders; *provided* that all payments of principal, premium, if any, and interest with respect to the Notes represented by one or more global notes registered in the name of or held by The Depository Trust Company (*"DTC"*) or its nominee will be made by wire transfer of immediately available funds to the accounts specified by the Holder or Holders thereof. The Issuer's office or agency will be the office of the Paying Agent maintained for such purpose.

Mandatory Redemption; Offers to Purchase; Open Market Purchases

We are not required to make any sinking fund payments with respect to the Notes. Under certain circumstances, we may be required to offer to purchase Notes as described under the caption "—Repurchase at the Option of Holders." We and our affiliates may at any time and from time to time purchase Notes in the open market, by tender offer, in negotiated transactions or otherwise.

Optional Redemption

Except as set forth below, the Issuer shall not be permitted to redeem the Notes. The Notes will be payable at par at maturity.

At any time prior to February 15, 2021, the Notes may be redeemed or purchased (by the Issuer or any other Person), at the Issuer's option, in whole or in part, upon notice as described under "—Selection and Notice," at a redemption price equal to 100.000% of the principal amount of Notes redeemed plus the Applicable Premium as of the redemption date, and, without duplication, accrued and unpaid interest to the redemption date, subject to the rights of Holders of the Notes on the relevant record date to receive interest due on the relevant interest payment date. The Issuer may provide in such notice that the consummation of such redemption or purchase and the payment of the redemption price with respect thereto may, at the Issuer's discretion, be subject to one or more conditions precedent including, but not limited to, the consummation of an acquisition, financing transaction or Equity Offering, and that performance of the Issuer's obligations with respect to such redemption or purchase may be performed by another Person.

On and after February 15, 2021, the Notes may be redeemed or purchased (by the Issuer or any other Person), at the Issuer's option, in whole or in part, upon notice as described under "—Selection and Notice," at any time and from time to time at the redemption prices set forth below. The Issuer may provide in such notice that the consummation of such redemption or purchase and the payment of the redemption price with respect thereto may, at the Issuer's discretion, be subject to one or more conditions precedent, and that performance of the Issuer's obligations with respect to such redemption or purchase may be performed by another Person. The Notes will be redeemable at the redemption prices (expressed as percentages of principal amount of the Notes to be redeemed) set forth below plus accrued and unpaid interest thereon to the applicable redemption date, subject to the right of Holders of record of Notes on the relevant record date to receive interest due on the relevant

interest payment date, if redeemed during the twelve-month period beginning on February 15 of each of the years indicated below:

Dates	Percentage
2021	104.6250%
2022	102.3125%
2023 and thereafter	100.0000%

Until February 15, 2021, the Issuer may, at its option, on one or more occasions, redeem up to 40% of the then outstanding aggregate principal amount of Notes at a redemption price equal to 109.25% of the aggregate principal amount thereof, plus accrued and unpaid interest thereon to the applicable redemption date, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date, with the net cash proceeds of one or more Equity Offerings to the extent such net cash proceeds are received by or contributed to the Issuer; *provided* that at least 50% of the sum of the aggregate principal amount of Notes originally issued under the Indenture and any Additional Notes issued under the Indenture after the Issue Date remains outstanding immediately after the occurrence of each such redemption unless all such Notes are redeemed substantially concurrently; *provided further,* that each such redemption occurs within 180 days of the date of closing of each such Equity Offering.

In addition, until February 15, 2021, the Issuer may, at its option, redeem up to 20% of the then outstanding aggregate principal amount of Notes issued under the Indenture at a redemption price equal to 103% of the aggregate principal amount thereof, plus accrued and unpaid interest thereon to the redemption date, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date, with the net cash proceeds of one or more Equity Offerings to the extent such net cash proceeds are received by or contributed to the Issuer; *provided* that at least 50% of the sum of the aggregate principal amount of Notes originally issued under the Indenture and any Additional Notes issued under the Indenture after the Issue Date remains outstanding immediately after the occurrence of each such redemption unless all such Notes are redeemed substantially concurrently; *provided further,* that each such redemption occurs within 180 days of the date of closing of each such Equity Offering. Any redemption of Notes effected pursuant to this paragraph will reduce the Issuer's ability to redeem Notes under the immediately preceding paragraph; *provided* that the redemption provisions under the immediately preceding paragraph and this paragraph may be used concurrently to redeem up to an aggregate 40% of the then outstanding aggregate principal amount of Notes. On August 22, 2019, the Issuer redeemed $333,475,000 aggregate principal amount, or approximately 15%, of Original Notes using this feature.

The Issuer may provide in the notice that payment of the redemption price and performance of the Issuer's obligations with respect thereto may be performed by another Person. Notice of any redemption upon any Equity Offering may be given prior to the completion of the related Equity Offering. Any redemption or notice of redemption may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, the consummation of an acquisition or financing transaction or an Equity Offering.

The Trustee or the Paying Agent shall select the Notes to be purchased in the manner described under "—Selection and Notice."

Repurchase at the Option of Holders

Change of Control

The Notes provide that if a Change of Control occurs, unless the Issuer has previously or concurrently delivered a redemption notice with respect to all the outstanding Notes as described under "—Optional Redemption," the Issuer will make an offer to purchase all of the Notes pursuant to the offer described below (the *"Change of Control Offer"*) at a price in cash (the *"Change of Control Payment"*) equal to 101.0% of the

aggregate principal amount thereof plus accrued and unpaid interest, if any, to the date of purchase, subject to the right of Holders of the Notes of record on the relevant record date to receive interest due on the relevant interest payment date. Within 30 days following any Change of Control, unless the Issuer has previously or concurrently delivered a redemption notice with respect to all the outstanding Notes as described under "—Optional Redemption," the Issuer will send notice of such Change of Control Offer by electronic transmission (for Notes held in book-entry form) or first-class mail, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the security register with a copy to the Trustee, or otherwise in accordance with the procedures of DTC, with the following information:

(1) that a Change of Control Offer is being made pursuant to the covenant entitled "—Repurchase at the Option of Holders—Change of Control," and that all Notes properly tendered pursuant to such Change of Control Offer will be accepted for payment by the Issuer;

(2) the purchase price and the purchase date, which will be no earlier than 30 days nor later than 60 days from the date such notice is transmitted or delivered (the *"Change of Control Payment Date"*);

(3) that any Note not properly tendered will remain outstanding and continue to accrue interest;

(4) that unless the Issuer defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest on the Change of Control Payment Date;

(5) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender such Notes, with the form entitled "Option of Holder to Elect Purchase" on the reverse of such Notes completed, to the Paying Agent specified in the notice at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(6) that Holders will be entitled to withdraw their tendered Notes and their election to require the Issuer to purchase such Notes, provided that the Paying Agent receives, not later than the close of business on the fifth Business Day preceding the Change of Control Payment Date, a telegram, facsimile transmission or letter setting forth the name of the Holder of the Notes, the principal amount of Notes tendered for purchase, and a statement that such Holder is withdrawing its tendered Notes and its election to have such Notes purchased;

(7) that the Holders whose Notes are being repurchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered. The unpurchased portion of the Notes must be equal to a minimum of $2,000 or an integral multiple of $1,000 in principal amount;

(8) if such notice is transmitted or delivered prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control; and

(9) the other instructions, as determined by the Issuer, consistent with the covenant described hereunder, that a Holder must follow.

The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of Notes by the Issuer pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of the Indenture, the Issuer will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in the Indenture by virtue thereof.

On the Change of Control Payment Date, the Issuer will, to the extent permitted by law,

(1) accept for payment all Notes or portions thereof properly tendered pursuant to the Change of Control Offer,

(2) deposit with the Paying Agent an amount equal to the aggregate Change of Control Payment in respect of all Notes or portions thereof so tendered, and

(3) deliver, or cause to be delivered, to the Trustee for cancellation (and delivery to the Paying Agent) the Notes so accepted together with an Officer's Certificate to the Trustee stating that such Notes or portions thereof have been tendered to and purchased by the Issuer.

Credit agreements, including the Senior Secured Credit Facilities and the ABL Facility (each as defined elsewhere in this prospectus), or other agreements to which the Company or the Issuer are or become a party may provide that certain change of control events with respect to the Company would constitute a default thereunder (including a Change of Control under the Indenture). If we experience a change of control that triggers a default under any Credit Facilities, we could seek a waiver of such default or seek to refinance our Credit Facilities. In the event we do not obtain such a waiver or refinance the Credit Facilities, such default could result in amounts outstanding under our Credit Facilities being declared due and payable.

Our ability to pay cash to the Holders of Notes following the occurrence of a Change of Control may be limited by our then-existing financial resources. Therefore, sufficient funds may not be available when necessary to make any required repurchases. See "Risk Factors—Risks Related to the Exchange Notes—Certain transactions that may result in a change in ownership of Clear Channel Outdoor Holdings may not constitute a change of control. In addition, in the event of a change of control, the issuer may not be able to fulfill its repurchase obligations under the indenture governing the exchange notes."

The Change of Control purchase feature of the Notes may in certain circumstances make more difficult or discourage a sale or takeover of us and, thus, the removal of incumbent management. The Change of Control purchase feature is a result of negotiations between the Initial Purchasers of the Original Notes and us. Subject to the limitations discussed below, we could, in the future, enter into certain transactions, including acquisitions, dispositions, refinancings or other recapitalizations that would not constitute a Change of Control under the Indenture, but that could increase the amount of indebtedness outstanding at such time or otherwise affect our capital structure or credit ratings. Restrictions on our ability to incur additional Indebtedness (including Senior Indebtedness) are contained in the covenant described under "—Certain Covenants in the Indenture—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock." Such restrictions in the Indenture can be waived only with the consent of the Holders of a majority in principal amount of the Notes then outstanding. Except for the limitations contained in such covenants, however, the Indenture does not contain any covenants or provisions that may afford Holders of the Notes protection in the event of a highly leveraged transaction. Such limitations are subject to a number of important exceptions, baskets and qualifications.

We will not be required to make a Change of Control Offer following a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the Indenture applicable to a Change of Control Offer made by us and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer. Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

The definition of "Change of Control" includes a disposition of all or substantially all of the assets of the Company and its Restricted Subsidiaries to any Person. Although there is a limited body of case law interpreting the phrase "substantially all," there is no precise established definition of the phrase under applicable law. Accordingly, in certain circumstances there may be a degree of uncertainty as to whether a particular transaction would involve a disposition of "all or substantially all" of the assets of the Company and its Restricted Subsidiaries. As a result, it may be unclear as to whether a Change of Control has occurred and whether a Holder of Notes may require the Issuer to make an offer to repurchase the Notes as described above. In addition, Holders may not be entitled to require us to purchase their Notes in certain circumstances involving a significant change

in the composition of our Board of Directors, including in connection with a proxy contest where our Board of Directors does not endorse a dissident slate of directors but approves them as "Continuing Directors."

Except as described in clause (11) of the second paragraph under "—Amendment, Supplement and Waiver," the provisions in the Indenture relative to the Issuer's obligation to make an offer to repurchase the Notes as a result of a Change of Control may be waived or modified at any time with the written consent of the Holders of a majority in principal amount of the then outstanding Notes under the Indenture.

Asset Sales

The Indenture provides that the Company will not, and will not permit any of its Restricted Subsidiaries to, consummate an Asset Sale, unless:

(1) the Company or such Restricted Subsidiary, as the case may be, receives consideration at the time of such Asset Sale at least equal to the fair market value (as determined in good faith by the Company) of the assets sold or otherwise disposed of; and

(2) except in the case of a Permitted Asset Swap, at least 75% of the consideration therefor received by the Company or such Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents; *provided* that the amount of:

(a) any liabilities (as shown on the Company's or such Restricted Subsidiary's most recent balance sheet or in the footnotes thereto) of the Company or such Restricted Subsidiary, other than liabilities that are by their terms subordinated to the Notes (or Guarantees) or that are owed to the Company or a Restricted Subsidiary, that are assumed by the transferee of any such assets and for which the Company and all of its Restricted Subsidiaries have been irrevocably released from such liabilities,

(b) any securities, notes or other obligations or assets received by the Company or such Restricted Subsidiary from such transferee that are converted by the Company or such Restricted Subsidiary into cash (to the extent of the cash received) within 180 days following the closing of such Asset Sale, subject to ordinary settlement periods, and

(c) any Designated Non-cash Consideration received by the Company or such Restricted Subsidiary in such Asset Sale having an aggregate fair market value, taken together with all other Designated Non-cash Consideration received pursuant to this clause (c) that is at that time outstanding, not to exceed the greater of (x) $150.0 million and (y) 2.0% of Total Assets as of the end of the Company's most recently ended fiscal quarter prior to the date of the receipt of such Designated Non-cash Consideration, with the fair market value of each item of DesignatedNon-cash Consideration being measured at the time received and without giving effect to subsequent changes in value

shall be deemed to be cash for purposes of this provision and for no other purpose.

Within 18 months after the receipt of any Net Proceeds of any Asset Sale:

(1) by the Company or any Restricted Subsidiary, then the Company or such Restricted Subsidiary, at its option, may apply the Net Proceeds from such Asset Sale to permanently reduce Obligations under (i) prior to the Step-up Trigger Date, any Senior Indebtedness of the Issuer or the Guarantors and (ii) on and after the Step-up Trigger Date, any Senior Secured Indebtedness or other Indebtedness secured by Lien of the Issuer or the Guarantors, and in each case to correspondingly reduce commitments with respect thereto;

(2) by the Company or any Restricted Subsidiary, then the Company or such Restricted Subsidiary, at its option, may apply the Net Proceeds from such Asset Sale to permanently reduce Obligations under (i) the Notes (to the extent such purchases are at or above 100% of the principal amount thereof) or (ii)(x) prior to the Step-up Trigger Date, any Senior Subordinated Indebtedness of the Issuer or a Guarantor and (y) on and after theStep-up

Trigger Date, any Senior Indebtedness of the Issuer or a Guarantor (and, in each case, to correspondingly reduce commitments with respect thereto); *provided, however,* that the Issuer shall equally and ratably reduce (or offer to reduce) Obligations under the Notes as provided under "—Optional Redemption," through open-market purchases (to the extent such purchases are at or above 100% of the principal amount thereof) or by making an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all Holders of Notes to purchase a pro rata amount of Notes at 100% of the principal amount thereof, plus accrued but unpaid interest;

(3) [Reserved];

(4) [Reserved];

(5) by any Restricted Subsidiary that is not the Issuer or a Guarantor, then such Restricted Subsidiary that is not the Issuer or a Guarantor, at its option, may apply the Net Proceeds of such Asset Sale to permanently reduce Obligations under Indebtedness of Restricted Subsidiaries that are not the Issuer or not Guarantors, and to correspondingly reduce commitments with respect thereto; or

(6) by the Company or any Restricted Subsidiary, then the Company or such Restricted Subsidiary, at its option, may apply the Net Proceeds from such Asset Sale to (a) make an Investment in any one or more businesses, *provided, however,* that such Investment in any business is in the form of the acquisition of Capital Stock and results in the Issuer or Restricted Subsidiary, as the case may be, owning an amount of the Capital Stock of such business such that it constitutes a Restricted Subsidiary, (b) acquire properties, (c) make capital expenditures or (d) acquire other assets that, in the case of each of clauses (a), (b), (c) and (d) either (x) are used or useful in a Similar Business or (y) replace the businesses, properties or assets that are the subject of such Asset Sale;

provided, however, that, in the case of clause (6) above, a binding commitment shall be treated as a permitted application of the Net Proceeds from the date of such commitment so long as the Issuer or such other Restricted Subsidiary enters into such commitment with the good faith expectation that such Net Proceeds will be applied to satisfy such commitment within the later of 18 months after receipt of such Net Proceeds and 180 days following such commitment; *provided further, however,* that if such commitment is cancelled or terminated after the later of such 18 month or 180 day period for any reason before such Net Proceeds are applied, then such Net Proceeds shall constitute Excess Proceeds.

Any Net Proceeds from any Asset Sale described in the preceding paragraph that are not invested or applied as provided and within the time period set forth in the preceding paragraph will be deemed to constitute *"Excess Proceeds,"* except the amount of Excess Proceeds will be reduced by the sum of the amount of the Notes offered to be purchased in an offer pursuant to clause (2) above. When the aggregate amount of Excess Proceeds with respect to the Notes exceeds $50.0 million, the Issuer shall make an offer to all Holders of the Notes and, if required by the terms of any Indebtedness that ranks *pari passu* with the Notes, to the holder of such Indebtedness (an *"Asset Sale Offer"*), to purchase the maximum aggregate principal amount of such Notes and the maximum aggregate principal amount (or accreted value, if less) of such Indebtedness that is a minimum of $2,000 or an integral multiple of $1,000 thereof (in aggregate principal amount) that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof plus accrued and unpaid interest to the date fixed for the closing of such offer, in accordance with the procedures set forth in the Indenture. The Issuer will commence an Asset Sale Offer with respect to Excess Proceeds within 20 Business Days after the date that Excess Proceeds exceed $50.0 million by mailing the notice required pursuant to the terms of the Indenture, with a copy to the Trustee or otherwise in accordance with the procedures of DTC. The Issuer, in its sole discretion, may satisfy the foregoing obligations with respect to any Net Proceeds from an Asset Sale by making an Asset Sale Offer with respect to such Net Proceeds prior to the expiration of the relevant 18 month period (or such longer period provided above) or with respect to Excess Proceeds of $50.0 million or less.

To the extent that the aggregate principal amount of Notes and the aggregate principal amount (or accreted value, if applicable) of such Indebtedness that ranks *pari passu* with the Notes tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds with respect to the Notes, the Issuer may use any remaining Excess Proceeds for general corporate purposes, including to make Restricted Payments, subject to the other covenants contained in the Indenture or for any other purpose not otherwise prohibited by the Indenture. If the aggregate principal amount of Notes and the aggregate principal amount (or accreted value, if applicable) of the Indebtedness surrendered in an Asset Sale Offer exceeds the amount of Excess Proceeds with respect to the Notes, the Trustee or the Paying Agent shall select the Notes and the Issuer or the agent for such Indebtedness will select such other Indebtedness to be purchased on a pro rata basis based on the principal amount of the Notes and the aggregate principal amount (or accreted value, if applicable) of such Indebtedness tendered. Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero.

Pending the final application of any Net Proceeds pursuant to this covenant, the holder of such Net Proceeds may apply such Net Proceeds temporarily to reduce Indebtedness outstanding under a revolving credit facility, including under any Credit Facilities, or otherwise invest or apply such Net Proceeds in any manner not prohibited by the Indenture.

The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of the Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of the Indenture, the Issuer will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in the Indenture by virtue thereof.

Except as described in clause (11) of the second paragraph under "—Amendment, Supplement and Waiver," the provisions under the Indenture relative to the Issuer's obligation to make an offer to repurchase the Notes as a result of an Asset Sale may be waived or modified with the written consent of the Holders of a majority in principal amount of the then outstanding Notes.

Selection and Notice

If the Issuer is redeeming less than all of the Notes at any time, the Trustee or the Paying Agent will select the Notes to be redeemed (a) if such Notes are listed on any national securities exchange, in compliance with the requirements of the principal national securities exchange on which such Notes are listed or (b) on a pro rata basis to the extent practicable, and, in the case of Notes represented in global form, in accordance with the applicable procedures of DTC, or, if the pro rata basis is not practicable for any reason, by lot or by such other method as the Trustee or the Paying Agent shall deem appropriate.

Notices of purchase or redemption shall be delivered by electronic transmission (for Notes held in book-entry form) or by first-class mail, postage prepaid, at least 30 but not more than 60 days before the purchase or redemption date to (x) each Holder of Notes to be redeemed at such Holder's registered address, (y) to the Trustee to forward to each Holder of Notes to be redeemed at such Holder's registered address, or (z) otherwise in accordance with the procedures of DTC, except that redemption notices may be delivered more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of the Indenture. Notices of purchase or redemption may, at the Issuer's discretion, provide that the purchase or redemption contemplated thereby is conditioned on the satisfaction of one or more conditions precedent, including, but not limited to, the consummation of an acquisition or financing transaction or Equity Offering. If any Note is to be purchased or redeemed in part only, any notice of purchase or redemption that relates to such Note shall state the portion of the principal amount thereof that has been or is to be purchased or redeemed.

The Issuer will issue a new Note in a principal amount equal to the unredeemed portion of the original Note in the name of the Holder upon cancellation of the original Note. Notes called for redemption become due on the

date fixed for redemption. On and after the redemption date, interest ceases to accrue on Notes or portions of them called for redemption.

Certain Covenants in the Indenture

Set forth below are summaries of the principal covenants that are contained in the Indenture.

Suspension of Covenants if the Notes Achieve Investment Grade Rating

If on any date following the date of the Indenture:

(1) the Notes achieve an Investment Grade Rating by both of the Rating Agencies; and

(2) no Default or Event of Default shall have occurred and be continuing (a *"Suspension Date"*),

then, beginning on that day and subject to the provisions of the following paragraph, the covenants specifically listed under the following captions in this offering memorandum will be terminated:

(1) "—Repurchase at the Option of Holders—Asset Sales";

(2) "—Certain Covenants in the Indenture—Limitation on Restricted Payments";

(3) "—Certain Covenants in the Indenture—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock";

(4) "—Certain Covenants in the Indenture—Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries";

(5) "—Certain Covenants in the Indenture—Limitation on Guarantees of Indebtedness by Restricted Subsidiaries";

(6) "—Certain Covenants in the Indenture—Transactions with Affiliates"; and

(7) clause (4) of the covenant described below under the caption "—Certain Covenants in the Indenture—Merger, Consolidation or Sale of All or Substantially All Assets",

(collectively, the *"Suspended Covenants"*). In the event that the Company and its Restricted Subsidiaries are not subject to the Suspended Covenants for any period of time as a result of the foregoing, and on any subsequent date (the *"Reversion Date"*) one or both of the Rating Agencies withdraws its Investment Grade Rating or downgrades the rating assigned to the Notes below an Investment Grade Rating, then the Company and the Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants with respect to future events, unless and until the Notes subsequently attain an Investment Grade Rating by both of the Rating Agencies and no Default or Event of Default is in existence (in which event the Suspended Covenants shall no longer be in effect for such time as the Notes maintain an Investment Grade Rating by both of the Rating Agencies and no Default or Event of Default is in existence). Notwithstanding that the Suspended Covenants may be reinstated, no Default, Event of Default or breach of any kind shall be deemed to exist under the Indenture, the Notes or the Guarantees with respect to the Suspended Covenants based on any actions taken or events occurring during any Suspension Period (as defined below), or any actions taken at any time pursuant to any contractual obligation arising after the commencement of a Suspension Period and prior to the immediately following Reversion Date, regardless of whether such actions or events would have been permitted if the applicable Suspended Covenants remained in effect during such period. The periods of time between the applicable Suspension Date and the immediately following Reversion Date are each referred to in this description as a *"Suspension Period."*

On the Reversion Date, all Indebtedness incurred during the immediately preceding Suspension Period will be deemed to have been outstanding on the Issue Date, so that it is classified as permitted under clause (4) of the second paragraph of "—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock." Calculations made after a Reversion Date of the amount available to be made as Restricted Payments under "—Limitation on Restricted Payments" will be made as though the covenant described under "—Limitation on Restricted Payments" had been in effect prior to, but not during, the Suspension Period. No Default or Event of Default will be deemed to have occurred as a result of the Reversion Date occurring on the basis of any actions taken or the continuance of any circumstances resulting from actions taken or the performance of obligations under agreements entered into by the Company, the Issuer or any of their Restricted Subsidiaries during the Suspension Period (other than agreements to take actions after the Reversion Date that would not be permitted outside of the Suspension Period entered into in contemplation of the Reversion Date). For purposes of determining compliance with "—Asset Sales," the amount of Excess Proceeds from all Asset Sales not applied in accordance with the covenant will be deemed to be reset to zero.

There can be no assurance that the Notes will ever achieve an Investment Grade Rating or that any such rating will be maintained.

Limitation on Restricted Payments

The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly:

(1) declare or pay any dividend or make any distribution or any payment having the effect thereof on account of the Company's or any Restricted Subsidiary's Equity Interests (in such Person's capacity as holder of such Equity Interests), including any dividend or distribution payable in connection with any merger, amalgamation or consolidation other than:

(a) dividends or distributions payable solely in Equity Interests (other than Disqualified Stock) of the Company; or

(b) dividends or distributions by a Restricted Subsidiary so long as, in the case of any dividend or distribution payable on or in respect of any class or series of securities issued by a Restricted Subsidiary other than a Wholly-Owned Subsidiary of the Company, the Company or a Restricted Subsidiary receives at least its pro rata share of such dividend or distribution in accordance with its Equity Interests in such class or series of securities;

(2) purchase, redeem, defease or otherwise acquire or retire for value any Equity Interests of the Company or any direct or indirect parent of the Company, including in connection with any merger, amalgamation or consolidation;

(3) make any principal payment on, or redeem, repurchase, defease or otherwise acquire or retire for value in each case, prior to any scheduled repayment, sinking fund payment or maturity, any Subordinated Indebtedness, other than:

(a) Indebtedness permitted under clause (8) of the covenant described under "—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock"; or

(b) the payment of principal on or the purchase, redemption, defeasance, repurchase or other acquisition or retirement of Subordinated Indebtedness of the Company or any Restricted Subsidiary in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case due within one year of the date of such payment of principal or such purchase, redemption, defeasance, repurchase or acquisition; or

(4) make any Restricted Investment

(all such payments and other actions set forth in clauses (1) through (4) above being collectively referred to as *"Restricted Payments"*); unless, at the time of such Restricted Payment:

(1) no Default shall have occurred and be continuing or would occur as a consequence thereof;

(2) immediately after giving effect to such transaction on a pro forma basis, the Issuer could incur $1.00 of additional Indebtedness pursuant to the Consolidated Leverage Ratio test set forth in the first paragraph of the covenant described under "—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock"; and

(3) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by the Company and its Restricted Subsidiaries after the Issue Date (including Restricted Payments permitted by clauses (1), (2) (with respect to the payment of dividends on Refunding Capital Stock (as defined below) pursuant to clause (c) thereof only), (6)(c), 17(b) and 17(c) of the next succeeding paragraph, but excluding all other Restricted Payments permitted by the next succeeding paragraph), is less than the sum of (without duplication):

(a) 50% of the Consolidated Net Income of the Company for the period (taken as one accounting period) beginning on the first day of the fiscal quarter commencing after the Issue Date to the end of the Company's most recently ended fiscal quarter for which internal financial statements are available at the time of such Restricted Payment, or, in the case such Consolidated Net Income for such period is a deficit, minus 100% of such deficit; plus

(b) 100% of the aggregate net proceeds (including cash and the fair market value, as determined in good faith by the Company, of marketable securities or other property) received by the Company or a Restricted Subsidiary since immediately after the Issue Date from the issue or sale of:

(i) (A) Equity Interests of the Company, including Treasury Capital Stock (as defined below), but excluding cash proceeds and the fair market value, as determined in good faith by the Company, of marketable securities or other property received from the sale of:

(x) Equity Interests to members of management, directors or consultants of the Company, its Restricted Subsidiaries and any direct or indirect parent company of the Company, after the Issue Date to the extent such amounts have been applied to Restricted Payments made in accordance with clause (4) of the next succeeding paragraph; and

(y) Designated Preferred Stock; and

(B) to the extent such proceeds or other property are actually contributed to the capital of the Company or any Restricted Subsidiary, Equity Interests of the Company's direct or indirect parent companies (excluding contributions of the proceeds from the sale of Designated Preferred Stock of such companies or contributions to the extent such amounts have been applied to Restricted Payments made in accordance with clause (4) of the next succeeding paragraph); or

(ii) debt of the Company or any Restricted Subsidiary that has been converted into or exchanged for such Equity Interests of the Company or a direct or indirect parent company of the Company;

provided, however, that this clause (b) shall not include the proceeds from (W) Refunding Capital Stock (as defined below), (X) Equity Interests or convertible debt securities sold to the Company or a Restricted Subsidiary, as the case may be, (Y) Disqualified Stock or debt securities that have been converted into Disqualified Stock or (Z) Excluded Contributions; plus

(c) 100% of the aggregate amount of net proceeds (including cash and the fair market value, as determined in good faith by the Company, of marketable securities or other property) contributed to the capital of the Company following the Issue Date (other than (i) by a Restricted Subsidiary and (ii) from any Excluded Contributions); plus

(d) 100% of the aggregate amount of proceeds (including cash and the fair market value, as determined in good faith by the Company, of marketable securities or other property) received by the Company or a Restricted Subsidiary by means of:

(i) the sale or other disposition (other than to the Company or a Restricted Subsidiary) of Restricted Investments made by the Company or its Restricted Subsidiaries and repurchases and redemptions of such Restricted Investments from the Company or its Restricted Subsidiaries and repayments of loans or advances, and releases of guarantees, which constitute Restricted Investments by the Company or its Restricted Subsidiaries, in each case with respect to Restricted Investments made after the Issue Date; or

(ii) the sale or other disposition (other than to the Company or a Restricted Subsidiary) of the stock of an Unrestricted Subsidiary or a dividend or distribution from an Unrestricted Subsidiary after the Issue Date;

provided, however, that this clause (d) shall not include the proceeds from Net Proceeds of any Asset Sale to the extent such Net Proceeds have been applied to Restricted Payments made in accordance with clause (19) of the next succeeding paragraph; plus

(e) in the case of the redesignation of an Unrestricted Subsidiary as a Restricted Subsidiary after the Issue Date, the fair market value of the Investment in such Unrestricted Subsidiary, as determined by the Company in good faith or if such fair market value may exceed $100.0 million, in writing by an Independent Financial Advisor, at the time of the redesignation of such Unrestricted Subsidiary as a Restricted Subsidiary, other than to the extent such Investment constituted a Permitted Investment.

The foregoing provisions will not prohibit:

(1) the payment of any dividend or distribution or consummation of any redemption within 60 days after the date of declaration of such dividend or distribution or the giving of redemption notice, as the case may be, if at the date of declaration or notice such payment or redemption would have complied with the provisions of the Indenture;

(2) (a) the purchase, redemption, defeasance, repurchase, retirement or other acquisition of any Equity Interests (*"Treasury Capital Stock"*) of the Company or any Restricted Subsidiary or Subordinated Indebtedness of the Company or any of its Restricted Subsidiaries or any Equity Interests of any direct or indirect parent company of the Company, in exchange for, or out of the proceeds of, the substantially concurrent sale or issuance (other than to a Restricted Subsidiary) of, Equity Interests of the Company, or any direct or indirect parent company of the Company, to the extent contributed to the Company or any Restricted Subsidiary (in each case, other than any Disqualified Stock) (*"Refunding Capital Stock"*), (b) the declaration and payment of dividends on the Treasury Capital Stock out of the proceeds of the substantially concurrent sale (other than to a Restricted Subsidiary) of the Refunding Capital Stock, and (c) if immediately prior to the retirement of Treasury Capital Stock, the declaration and payment of dividends thereon was permitted under clause (6)(a) or (b) of this paragraph, the declaration and payment of dividends on the Refunding Capital Stock (other than Refunding Capital Stock the proceeds of which were used to purchase, redeem, defease, repurchase, retire or otherwise acquire any Equity Interests of any direct or indirect parent company of the Company) in an aggregate amount per year no greater than the aggregate amount of dividends per annum that were declarable and payable on such Treasury Capital Stock immediately prior to such retirement;

(3) the purchase, redemption, defeasance, repurchase or other acquisition or retirement of Subordinated Indebtedness of the Company or a Restricted Subsidiary made by exchange for, or out of the proceeds of the substantially concurrent sale of, new Indebtedness of the Company or a Restricted Subsidiary, as the case may be, which is incurred in compliance with "—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock" so long as:

(a) the principal amount (or accreted value, if applicable) of such new Indebtedness does not exceed the principal amount of (or accreted value, if applicable), plus any accrued and unpaid interest on, the

Subordinated Indebtedness being so purchased, redeemed, defeased, repurchased, exchanged, acquired or retired for value, plus the amount of any premium (including reasonable tender premiums), defeasance costs and any fees and expenses incurred in connection with such purchase, redemption, defeasance, repurchase, exchange, acquisition or retirement and the issuance of such new Indebtedness;

(b) such new Indebtedness is subordinated to the Notes or the applicable Guarantee at least to the same extent as such Subordinated Indebtedness so purchased, redeemed, defeased, repurchased, exchanged, acquired or retired for value;

(c) such new Indebtedness has a final scheduled maturity date equal to or later than the final scheduled maturity date of the Subordinated Indebtedness being so purchased, redeemed, defeased, repurchased, exchanged, acquired or retired; and

(d) such new Indebtedness has a Weighted Average Life to Maturity equal to or greater than the remaining Weighted Average Life to Maturity of the Subordinated Indebtedness being so purchased, redeemed, defeased, repurchased, exchanged, acquired or retired;

(4) a Restricted Payment to pay for the repurchase, redemption, defeasance, retirement or other acquisition for value of Equity Interests (other than Disqualified Stock) of the Company or any of its direct or indirect parent companies held by any future, present or former employee, director, officer or consultant of the Company, any of its Subsidiaries or any of its direct or indirect parent companies pursuant to any management equity plan or stock option plan or any other management or employee benefit plan or agreement (including any principal and interest payable on any notes issued by the Company or any direct or indirect parent company of the Company in connection with any such repurchase, retirement or acquisition), or any stock subscription or shareholder agreement; *provided, however,* that the aggregate Restricted Payments made under this clause (4) do not exceed in any calendar year $7.5 million with unused amounts in any calendar year being carried over to succeeding calendar years subject to a maximum of $15.0 million in any calendar year; *provided further* that such amount in any calendar year may be increased by an amount not to exceed:

(a) the cash proceeds from the sale of Equity Interests (other than Disqualified Stock) of the Company and, to the extent contributed to the capital of the Company, Equity Interests of any of the direct or indirect parent companies of the Company, in each case to employees, directors, officers or consultants of the Company, any of its Subsidiaries or any of its direct or indirect parent companies, that occurs after the Issue Date; plus

(b) the cash proceeds of key man life insurance policies received by the Company (or by any direct or indirect parent company to the extent actually contributed in cash to the Company) or any of its Restricted Subsidiaries after the Issue Date; less

(c) the amount of any Restricted Payments previously made with the cash proceeds described in clauses (a) and (b) of this clause (4);

and *provided further* that cancellation of Indebtedness owing to the Company or any Restricted Subsidiary from employees, directors, officers or consultants of the Company, any of its Subsidiaries or its direct or indirect parent companies in connection with a repurchase of Equity Interests of the Company or any of the Company's direct or indirect parent companies will not be deemed to constitute a Restricted Payment for purposes of this covenant or any other provision of the Indenture;

(5) the declaration and payment of dividends to holders of any class or series of Disqualified Stock of the Company or any of its Restricted Subsidiaries issued in accordance with the covenant described under "—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock";

(6) (a) the declaration and payment of dividends to holders of any class or series of Designated Preferred Stock (other than Disqualified Stock) issued by the Company or any of its Restricted Subsidiaries after the Issue Date; *provided* that the amount of dividends paid pursuant to this clause (a) shall not exceed the aggregate

amount of cash actually received by the Company or a Restricted Subsidiary from the issuance of such Designated Preferred Stock;

(b) a Restricted Payment to a direct or indirect parent company of the Company, the proceeds of which will be used to fund the payment of dividends to holders of any class or series of Designated Preferred Stock (other than Disqualified Stock) of such parent corporation issued after the Issue Date; *provided* that the amount of Restricted Payments paid pursuant to this clause (b) shall not exceed the aggregate amount of cash actually contributed to the capital of the Company from the sale of such Designated Preferred Stock; or

(c) the declaration and payment of dividends on Refunding Capital Stock that is Preferred Stock in excess of the dividends declarable and payable thereon pursuant to clause (2) of this paragraph;

provided, however, that, in the case of each of (a), (b) and (c) of this clause (6), for the most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date of issuance of such Designated Preferred Stock or the declaration of such dividends on Refunding Capital Stock that is Preferred Stock, after giving effect to such issuance or declaration on a *pro forma* basis, the Company could incur $1.00 of additional Indebtedness pursuant to the Consolidated Leverage Ratio test set forth in the first paragraph of the covenant described under "—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock";

(7) repurchases of Equity Interests deemed to occur upon exercise of stock options, warrants or convertible securities if such Equity Interests represent a portion of the exercise price of such options, warrants or convertible securities and payments of cash in lieu of the issuance of fractional shares of Capital Stock upon exercise or conversion of securities exercisable or convertible into Capital Stock;

(8) [Reserved];

(9) Restricted Payments that are made with Excluded Contributions;

(10) other Restricted Payments in an aggregate amount taken together with all other Restricted Payments made pursuant to this clause (10) not to exceed $25.0 million;

(11) Restricted Payments in an aggregate amount taken together with all other Restricted Payments made pursuant to this clause (11) not to exceed $500.0 million;

(12) any Restricted Payment used to fund or effect the Transactions and the fees and expenses related thereto or owed to Affiliates paid substantially concurrently with the completion of the Transactions, in each case to the extent permitted by the covenant described under "—Transactions with Affiliates";

(13) the repurchase, redemption or other acquisition or retirement for value of any Subordinated Indebtedness pursuant to the provisions similar to those described under the captions "—Repurchase at the Option of Holders—Change of Control" and "—Repurchase at the Option of Holders—Asset Sales"; *provided, however,* that all Notes tendered by Holders in connection with a Change of Control Offer or Asset Sale Offer, as applicable, have been repurchased, redeemed, acquired or retired for value;

income of such Unrestricted Subsidiaries; (b) the declaration and payment of dividends, other distributions or other amounts or the making of loans or advances by the Company, if applicable, in amounts required for any direct or indirect parent of the Company, if applicable, to pay fees and expenses (including franchise or similar taxes) required to maintain its corporate existence, customary salary, bonus and other benefits payable to, and indemnities provided on behalf of, officers and employees of any direct or indirect parent of the Company, if applicable, and general corporate operating and overhead costs and expenses of any direct or indirect parent of the Company, if applicable, in each case to the extent such costs, fees and expenses are attributable to the ownership or operation of the Company, if applicable, and its Subsidiaries; and (c) the declaration and payment of dividends, other distributions or other amounts or the making of loans or advances by the Company, if applicable, in amounts required to pay fees and expenses related to any unsuccessful equity or debt offering of such parent entity;

(15) the distribution, by dividend or otherwise, of shares of Capital Stock of, or Indebtedness owed to the Company or a Restricted Subsidiary by, Unrestricted Subsidiaries;

(16) payments or distributions to dissenting stockholders pursuant to applicable law, pursuant to or in connection with a consolidation, merger or transfer of all or substantially all of the assets of the Company and its Restricted Subsidiaries, taken as a whole, that complies with the covenant described under "—Merger, Consolidation or Sale of All or Substantially All Assets"; *provided, however,* that as a result of such consolidation, merger or transfer of assets, the Issuer shall make a Change of Control Offer and that all Notes tendered by Holders in connection with such Change of Control Offer have been repurchased, redeemed, acquired or retired for value;

(17) at any time on or prior to the occurrence of the Separation, (a) any transaction constituting an Investment in connection with the Cash Management Arrangements, in each case, out of cash flow from operations of the Company and its consolidated Subsidiaries, (b) any transaction constituting a Restricted Payment made with (x) cash flow from operations of the Company and its consolidated Subsidiaries in lieu of any Investment that would have been permitted by clause (17)(a) and (y) amounts repaid under the iHeart Mirror Note, and (c) if the Cash Management Arrangements are no longer in effect, Restricted Payments made with (x) cash flow from operations of the Company and its consolidated Subsidiaries in an amount that could have been used to make Investments and Restricted Payments if such Cash Management Arrangements referred to in clause (17)(a) were in effect as of the date such Restricted Payment is made pursuant to this clause (17)(c) and (y) amounts repaid under the iHeart Mirror Note;

(18) the declaration and payment of dividends or distributions by the Company made with the proceeds of any Indebtedness;*provided, however,* that after giving *pro forma* effect thereto the Consolidated Leverage Ratio would be less than 7.0 to 1.0;

(19) distributions, by dividend or otherwise, of Net Proceeds of any Asset Sale by the Company or any Restricted Subsidiary that do not, or no longer, constitute Excess Proceeds because they were used to make an Asset Sale Offer; *provided, however,* that all Notes validly tendered by Holders of Notes in the Asset Sale Offer have been purchased and all Notes validly tendered by Holders of Notes in the Notes Purchase Offer have been purchased and, if after giving *pro forma* effect to such distribution (and any other application of Net Proceeds), the Consolidated Leverage Ratio would be less than 7.0 to 1.0;

(20) the distribution, by dividend or otherwise, of a Restricted Investment or any Investment made with a previously existing Restricted Investment, in each case in an amount not to exceed the amount attributed to such Restricted Investment at the time initially made; and

(21) any Restricted Payment made in connection with the declaration and payment by the Company or any Restricted Subsidiary of dividends or distributions with respect to the CCOH Preferred Stock or any Equity Interests (other than Disqualified Stock) issued as a replacement therefor;

provided, however, that at the time of, and after giving effect to, any Restricted Payment permitted under clauses (10) and (15) no Default shall have occurred and be continuing or would occur as a consequence thereof.

As of the Issue Date and as of the date of this prospectus, all of the Subsidiaries of the Company are Restricted Subsidiaries. The Company will not permit any Unrestricted Subsidiary to become a Restricted Subsidiary except pursuant to the second to last sentence of the definition of "Unrestricted Subsidiary."

For purposes of designating any Restricted Subsidiary as an Unrestricted Subsidiary, all outstanding Investments by the Company and its Restricted Subsidiaries (except to the extent repaid) in the Subsidiary so designated will be deemed to be Investments in an amount determined as set forth in the last sentence of the definition of "Investments." Such designation will be permitted only if a Restricted Payment in such amount would be permitted at such time pursuant to this covenant or pursuant to the definition of "Permitted Investments," and if such Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. Unrestricted Subsidiaries are not subject to any of the restrictive covenants set forth in the Indenture.

Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock

The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise (collectively, *"incur"* and collectively, an *"incurrence"*) with respect to any Indebtedness (including Acquired Indebtedness) and the Issuer and the Guarantors will not issue any shares of Disqualified Stock and the Company will not permit the Issuer to, and will not permit any Restricted Subsidiary that is not a Guarantor to issue any shares of Disqualified Stock or Preferred Stock; *provided, however,* that (1) the Issuer and the Guarantors may incur Indebtedness (including Acquired Indebtedness) or issue shares of Disqualified Stock (other than Disqualified Stock of the Issuer or any parent company of the Issuer that is also a Restricted Subsidiary), and (2) any Restricted Subsidiary that is not a Guarantor may incur Indebtedness (including Acquired Indebtedness), issue shares of Disqualified Stock and issue shares of Preferred Stock, if in each case the Consolidated Leverage Ratio at the time such additional Indebtedness is incurred or such Disqualified Stock or Preferred Stock is issued would have been no greater than 7.0 to 1.0 determined on a *pro forma* basis (including a *pro forma* application of the net proceeds therefrom), as if the additional Indebtedness had been incurred, or the Disqualified Stock or Preferred Stock had been issued, as the case may be, and the application of proceeds therefrom had occurred at the beginning of the most recently ended four fiscal quarters for which internal financial statements are available; *provided further, however,* that Restricted Subsidiaries that are not Guarantors may not incur Indebtedness or issue Disqualified Stock or Preferred Stock if, after giving *pro forma* effect to such incurrence or issuance (including a *pro forma* application of the net proceeds therefrom), more than an aggregate of $150.0 million of Indebtedness or Disqualified Stock or Preferred Stock of Restricted Subsidiaries that are not Guarantors is outstanding pursuant to this paragraph at such time.

The foregoing limitations will not apply to:

(1) Indebtedness of (a) the Issuer and the Guarantors pursuant to the CCWH Senior Notes (including any guarantee in respect of the CCWH Senior Notes) and (b) CCO represented by the Senior Proceeds Loans in the amount outstanding as of the Issue Date;

(3) the incurrence by the Issuer and any Guarantor of Indebtedness represented by the Exchange Notes and related guarantees of the Exchange Notes to be issued in exchange for the Notes (excluding any Additional Notes) and Guarantees pursuant to the Registration Rights Agreement;

(4) Indebtedness of the Company and its Restricted Subsidiaries (i) in existence on the Issue Date (other than the Senior Credit Facilities and Indebtedness described in clauses (1), (2) and (18)), or (ii) under Credit Facilities in an amount not to exceed $350.0 million at any one time outstanding;

(5) Indebtedness (including Capitalized Lease Obligations) incurred or Disqualified Stock and Preferred Stock issued by the Company or any of its Restricted Subsidiaries (other than Disqualified Stock or Preferred Stock of the Issuer or any parent company of the Issuer that is also a Restricted Subsidiary), to finance the purchase, lease or improvement of property (real or personal) or equipment that is used or useful in a Similar Business, whether through the direct purchase of assets or the Equity Interests of any Person owning such assets in an aggregate principal amount, together with any Refinancing Indebtedness in respect thereof and all other Indebtedness incurred and Disqualified Stock and/or Preferred Stock issued and outstanding under this clause (5), not to exceed the greater of (x) $140 million and (y) 2.0% of Total Assets at any time outstanding; so long as such Indebtedness exists at the date of such purchase, lease or improvement, or is created within 270 days thereafter;

(6) Indebtedness incurred by the Company or any Restricted Subsidiary constituting reimbursement obligations with respect to bankers' acceptances, letters of credit and bank guarantees issued in the ordinary course of business, including letters of credit in respect of workers' compensation claims, or other Indebtedness with respect to reimbursement type obligations regarding workers' compensation claims, health, disability or other benefits to employees or former employees or their families or property, casualty or liability insurance or self-insurance, or other Indebtedness with respect to reimbursement type obligations regarding the foregoing; *provided, however,* that upon the drawing of such bankers' acceptances and letters of credit or the incurrence of such Indebtedness, such obligations are reimbursed within 30 days following such drawing or incurrence;

(7) Indebtedness arising from agreements of the Company or a Restricted Subsidiary providing for indemnification, adjustment of purchase price, earn-out or similar obligations, in each case, incurred or assumed in connection with the acquisition or disposition of any business, assets or a Subsidiary, other than guarantees of Indebtedness incurred by any Person acquiring all or any portion of such business, assets or a Subsidiary for the purpose of financing such acquisition; *provided, however,* that such Indebtedness is not reflected on the balance sheet (other than by application of ASC 460 or in respect of acquired contingencies and contingent consideration recorded under ASC 805) of the Company or any Restricted Subsidiary (contingent obligations referred to in a footnote to financial statements and not otherwise reflected on the balance sheet will not be deemed to be reflected on such balance sheet for purposes of this clause (7));

(8) Indebtedness or Disqualified Stock of the Company to a Restricted Subsidiary or a Restricted Subsidiary to the Company or another Restricted Subsidiary; *provided* that any such Indebtedness owing by the Issuer or a Guarantor to a Restricted Subsidiary that is not the Issuer or a Guarantor is expressly subordinated in right of payment to the Notes or the Guarantee of the Notes, as applicable; *provided further,* that any subsequent issuance or transfer of any Capital Stock or any other event which results in any Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer (except that a pledge of Indebtedness referred to in this clause (8) shall not be deemed a transfer until the pledgee commences actions to foreclose on such Indebtedness) of any such Indebtedness or Disqualified Stock (except to the Company, the Issuer or another Restricted Subsidiary that is a Guarantor or, after the Step-up Trigger Date, if and when such date occurs, any pledge of such Indebtedness constituting a Permitted Lien) shall be deemed, in each case, to be an incurrence of such Indebtedness or Disqualified Stock not permitted by this clause (8);

(9) shares of Disqualified Stock or Preferred Stock of a Restricted Subsidiary (other than the Issuer or any parent company of the Issuer that is also a Restricted Subsidiary) issued to the Company or another Restricted Subsidiary; *provided* that any subsequent issuance or transfer of any Capital Stock or any other event which results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer (except that a pledge of such Disqualified Stock or Preferred Stock referred to in this clause (9) shall not be deemed a transfer until the pledgee commences actions to foreclose on such Disqualified Stock or Preferred

Stock) of any such shares of Disqualified Stock or Preferred Stock (except to the Company or a Restricted Subsidiary or, after the Step-up Trigger Date, if and when such date occurs, any pledge of such Indebtedness constituting a Permitted Lien) shall be deemed in each case to be an issuance of such shares of Disqualified Stock or Preferred Stock not permitted by this clause (9);

(10) Hedging Obligations (excluding Hedging Obligations entered into for speculative purposes) for the purpose of limiting interest rate risk with respect to any Indebtedness permitted to be incurred pursuant to this covenant, exchange rate risk or commodity pricing risk;

(11) obligations in respect of self-insurance, customs, stay, performance, bid, appeal and surety bonds and completion guarantees and other obligations of a like nature provided by the Company or any of its Restricted Subsidiaries in the ordinary course of business;

(12) (a) at any time on or prior to the occurrence of the Separation, Indebtedness or Disqualified Stock of the Company owed or issued to iHeart or any of its Subsidiaries that is a direct or indirect parent company in connection with the Cash Management Arrangements and (b) Indebtedness or Disqualified Stock of the Company or a Restricted Guarantor (other than Disqualified Stock of a parent company of the Issuer that is also a Restricted Subsidiary) and Indebtedness, Disqualified Stock or Preferred Stock of any Restricted Subsidiary that is not a Guarantor (in the case of Disqualified Stock or Preferred Stock, other than the Issuer or any parent company of the Issuer that is also a Restricted Subsidiary) in an aggregate principal amount or liquidation preference, which when aggregated with the principal amount and liquidation preference of all other Indebtedness, Disqualified Stock and Preferred Stock then outstanding and incurred pursuant to this clause (12)(b), does not at any one time outstanding exceed $150.0 million (it being understood that any Indebtedness incurred or Disqualified Stock or Preferred Stock issued pursuant to this clause (12)(b) shall cease to be deemed incurred or outstanding for purposes of this clause (12)(b) but shall be deemed incurred for the purposes of the first paragraph of this covenant from and after the first date on which the Company or such Restricted Subsidiary could have incurred such Indebtedness or issued such Disqualified Stock or Preferred Stock under the first paragraph of this covenant without reliance on this clause (12)(b), with such automatic reclassification subject to the $150.0 million limitation in the first paragraph of this covenant that Restricted Subsidiaries that are not Guarantors may not incur Indebtedness or issue Disqualified Stock or Preferred Stock if, after giving *pro forma* effect to such incurrence or issuance (including a *pro forma* application of the net proceeds therefrom), the availability as of such date of determination under the $150.0 million sublimit would be exceeded);

(13) the incurrence by (1) the Issuer and the Guarantors of Indebtedness or the issuance of shares of Disqualified Stock by the Guarantors (other than Disqualified Stock of any parent company of the Issuer that is also a Restricted Subsidiary), and (2) any Restricted Subsidiary that is not a Guarantor of Indebtedness or the issuance of shares of Disqualified Stock or shares of Preferred Stock, in each case, that serves to extend, replace, refund, refinance, renew or defease:

(a) any Indebtedness incurred or Disqualified Stock or Preferred Stock issued as permitted under the first paragraph of this covenant and clauses (1), (2), (3), (4)(i), 4(ii), (5) and (12)(a) above and clause (14) below (including with respect to (x) the first paragraph of this covenant, any unfunded commitment for which an Officer's Certificate has been delivered to the Trustee as provided in the definition of Consolidated Leverage Ratio, (y) clause (1)(a) above, any Senior Secured Indebtedness that serves to extend, replace, refund, refinance, renew or defease the CCWH Senior Notes, and (z) clause (4) above, any revolving or other line of credit pursuant to which there is an unfunded commitment in effect as of the Issue Date), or

(b) any Indebtedness incurred or Disqualified Stock or Preferred Stock issued to so extend, replace, refund, refinance, renew or defease the Indebtedness, Disqualified Stock or Preferred Stock described in clause (a) above (including unfunded commitments that serve to extend, replace, refund, refinance, renew or defease any unfunded commitments under Indebtedness described in such clause (a));

provided, however, that in the case of clauses (a) and (b), any unfunded commitment shall continue to be treated as outstanding for purposes of the definition of Consolidated Leverage Ratio, and on and after the Step-up Trigger Date, the definition of Consolidated Secured Leverage Ratio, to the extent such unfunded commitment was outstanding for purposes thereof prior to such extension, replacement, refunding, refinancing, renewal or defeasance under this clause (13), including, in each case, additional Indebtedness, Disqualified Stock or Preferred Stock incurred to pay premiums (including tender premiums), defeasance costs and fees and expenses in connection therewith or incurred as a result of original issue discount, accreted value in excess of the proceeds thereof or the stated principal amount thereof being in excess of the fair value thereof at issuance, in each case, as determined in good faith by the Company (collectively, the *"Refinancing Indebtedness"*) prior to its respective maturity;*provided, however,* that such Refinancing Indebtedness:

(i) has a Weighted Average Life to Maturity at the time such Refinancing Indebtedness is incurred which is not less than the remaining Weighted Average Life to Maturity of the Indebtedness, Disqualified Stock or Preferred Stock being extended, replaced, refunded, refinanced, renewed or defeased (except by virtue of prepayment of such Indebtedness),

(ii) to the extent such Refinancing Indebtedness extends, replaces, refunds, refinances, renews or defeases (i) Indebtedness subordinated in right of payment or *pari passu* to the Notes or any Guarantee thereof, such Refinancing Indebtedness is subordinated in right of payment or *pari passu* to the Notes or the Guarantee at least to the same extent as the Indebtedness being extended, replaced, refunded, refinanced, renewed or defeased or (ii) Disqualified Stock or Preferred Stock, such Refinancing Indebtedness must be Disqualified Stock or Preferred Stock, respectively,

(iii) in the case of any Refinancing Indebtedness incurred to refinance Indebtedness, Disqualified Stock or Preferred Stock outstanding under clause 4(ii) or clause (5) above, such Refinancing Indebtedness shall be deemed to have been incurred and to be outstanding under such clause (4)(ii) or clause (5), as applicable, and not this clause (13) for purposes of determining amounts outstanding under such clauses; and

(iv) shall not include:

(i) Indebtedness, Disqualified Stock or Preferred Stock of a Restricted Subsidiary that is not a Guarantor that refinances Indebtedness, Disqualified Stock or Preferred Stock of the Issuer or a Guarantor; or

(ii) Indebtedness, Disqualified Stock or Preferred Stock of the Issuer or a Restricted Subsidiary that refinances Indebtedness, Disqualified Stock or Preferred Stock of an Unrestricted Subsidiary;

and *provided further, however,* that subclauses (A) and (B) of this clause (13) will not apply to any extension, replacement, refunding, refinancing, renewal or defeasance of any Indebtedness under any Credit Facilities;

(14) Indebtedness, Disqualified Stock or Preferred Stock of (x) the Company or a Restricted Subsidiary (in the case of Disqualified Stock or Preferred Stock, other than the Issuer or any parent company of the Issuer that is also a Restricted Subsidiary) incurred or issued to finance an acquisition or (y) Persons that are acquired by the Company or any Restricted Subsidiary or merged into the Company or a Restricted Subsidiary in accordance with the terms of the Indenture; *provided, however,* that after giving effect to such acquisition or merger, either:

(i) the Company would be permitted to incur at least $1.00 of additional Indebtedness pursuant to the Consolidated Leverage Ratio test set forth in the first paragraph of this covenant, or

(ii) the Consolidated Leverage Ratio is less than the Consolidated Leverage Ratio immediately prior to such acquisition or merger;

provided, however, that in each case, such determination is made on a*pro forma* basis taking into account such acquisition or merger;

(15) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business; *provided* that such Indebtedness is extinguished within five Business Days of its incurrence;

(16) [Reserved];

(17) (a) any guarantee by the Company or a Restricted Subsidiary of Indebtedness or other obligations of any Guarantor so long as the incurrence of such Indebtedness incurred by such Guarantor is permitted under the terms of the Indenture;

(b) any guarantee by a Restricted Subsidiary of Indebtedness of the Company; or

(c) any guarantee by a Restricted Subsidiary (other than the Issuer or a Restricted Guarantor), the Company or CCO of obligations of any other Restricted Subsidiary (other than the Issuer or a Guarantor);

provided that, in each case, such Restricted Subsidiary shall comply with the covenant described below under "—Limitation on Guarantees of Indebtedness by Restricted Subsidiaries";

(18) Indebtedness under the CCIBV Senior Notes and other Indebtedness of Foreign Subsidiaries of the Company in an aggregate amount not to exceed at any one time outstanding and together with any other Indebtedness incurred under this clause (18) $375.0 million plus any additional Indebtedness incurred to pay premiums (including tender premiums), defeasance costs and fees and expenses in connection with extending, replacing, refunding, refinancing, renewing or defeasing the CCIBV Senior Notes and any other Indebtedness of Foreign Subsidiaries (it being understood that any Indebtedness incurred pursuant to this clause (18) shall cease to be deemed incurred or outstanding for purposes of this clause (18) but shall be deemed incurred for the purposes of the first paragraph of this covenant from and after the first date on which such Foreign Subsidiary could have incurred such Indebtedness under the first paragraph of this covenant without reliance on this clause (18), with such automatic reclassification subject to the $150.0 million limitation in the first paragraph of this covenant that Restricted Subsidiaries that are not Guarantors may not incur Indebtedness or issue Disqualified Stock or Preferred Stock if, after giving *pro forma* effect to such incurrence or issuance (including a*pro forma* application of the net proceeds therefrom), the availability as of such date of determination under the $150.0 million sublimit would be exceeded;

(19) Indebtedness consisting of Indebtedness issued by the Company or any of its Restricted Subsidiaries to future, current or former officers, directors, employees and consultants thereof or any direct or indirect parent thereof, their respective estates, heirs, family members, spouses or former spouses, in each case to finance the purchase or redemption of Equity Interests of the Company, a Restricted Subsidiary or any of their respective direct or indirect parent companies to the extent described in clause (4) of the second paragraph of the covenant described under "—Limitation on Restricted Payments";

(20) cash management obligations and Indebtedness in respect of netting services, employee credit card programs and similar arrangements in connection with cash management and deposit accounts; and

(21) (a) Indebtedness of the Company or any of its Restricted Subsidiaries consisting of the financing of insurance premiums in the ordinary course of business or (b) customer deposits and advance payments received in the ordinary course of business from customers for goods purchased in the ordinary course of business.

For purposes of determining compliance with this covenant:

(1) in the event that an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) meets the criteria of more than one of the categories of permitted Indebtedness, Disqualified Stock or

Preferred Stock described in clauses (1) through (21) above or is entitled to be incurred pursuant to the first paragraph of this covenant, the Company, in its sole discretion, may classify or reclassify such item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) and will only be required to include the amount and type of such Indebtedness, Disqualified Stock or Preferred Stock in one of the above clauses or under the first paragraph of this covenant; *provided* that (x) all Indebtedness outstanding under the Credit Facilities on the Issue Date will be treated as incurred on the Issue Date under clause (4)(ii) of the preceding paragraph and (y) Indebtedness incurred or Disqualified Stock or Preferred Stock issued by Restricted Subsidiaries that are not Guarantors may be reclassified only to the extent that, after giving effect to such reclassification (including a pro forma application of the net proceeds therefrom), such Restricted Subsidiary that is not a Guarantor would be permitted to incur the Indebtedness or issue the Disqualified Stock or Preferred Stock as so reclassified on the date; and

(2) at the time of incurrence or any reclassification thereafter, the Company will be entitled to divide and classify an item of Indebtedness, Disqualified Stock or Preferred Stock in more than one of the types of Indebtedness, Disqualified Stock or Preferred Stock described in the first and second paragraphs above; *provided, however,* that with respect to such Indebtedness, Disqualified Stock and Preferred Stock of Restricted Subsidiaries that are not Guarantors, such Indebtedness, Disqualified Stock and Preferred Stock may only be classified or reclassified as a type of Indebtedness, Disqualified Stock or Preferred Stock to the extent such Restricted Subsidiary that is not a Guarantor may so incur such Indebtedness, Disqualified Stock or Preferred Stock under the Indenture on the date of classification or reclassification.

Accrual of interest or dividends, the accretion of accreted value, the accretion or amortization of original issue discount and the payment of interest or dividends in the form of additional Indebtedness, Disqualified Stock or Preferred Stock, as applicable, will not be deemed to be an incurrence of Indebtedness or issuance of Disqualified Stock or Preferred Stock for purposes of this covenant.

For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt; *provided* that if such Indebtedness is incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar- denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed (i) the principal amount of such Indebtedness being refinanced plus (ii) the aggregate amount of fees, underwriting discounts, premiums and other costs and expenses incurred in connection with such refinancing.

The principal amount of any Indebtedness incurred to refinance other Indebtedness, if incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such refinancing. The principal amount of any non-interest bearing Indebtedness or other discount security constituting Indebtedness at any date shall be the principal amount thereof that would be shown on a balance sheet of the Company dated such date prepared in accordance with GAAP.

The Company will not, and will not permit the Issuer or any Guarantor to, directly or indirectly, incur (1) any Indebtedness (including Acquired Indebtedness) that is contractually subordinated or junior in right of payment to any Senior Indebtedness of the Issuer or such Guarantor, as the case may be, unless such Indebtedness is Senior Subordinated Indebtedness or is expressly subordinated in right of payment to Senior Subordinated Indebtedness of the Issuer or such Guarantor, as the case may be, or (2) any Secured Indebtedness that is not Senior Indebtedness of the Issuer or such Guarantor, as the case may be, unless contemporaneously therewith the Issuer or such Guarantor makes effective provision to secure the Notes or applicable Guarantee equally and ratably with such Secured Indebtedness for so long as such Secured Indebtedness is secured by a Lien.

For all purposes of the Notes and the Indenture, subordination will refer to contractual payment subordination and not to structural subordination. The Notes and the Indenture do not treat (1) unsecured Indebtedness as subordinated or junior to Secured Indebtedness merely because it is unsecured, (2) unsubordinated Indebtedness as subordinated or junior to any other unsubordinated Indebtedness merely because it has a junior priority with respect to the same collateral or (3) Indebtedness as subordinated or junior Indebtedness merely because it is structurally subordinated to other Indebtedness.

Liens

The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, create, incur, assume or suffer to exist any Lien that secures Obligations under any Indebtedness (other than a Permitted Lien) on any asset or property of the Company or such Restricted Subsidiary, or any income or profits therefrom or assign or convey any right to receive income therefrom, unless:

(1) in the case of Liens securing Subordinated Indebtedness, the Notes and related Guarantees are secured by a Lien on such property, assets or proceeds that is senior in priority to such Liens; or

(2) in all other cases, the Notes or the Guarantees are equally and ratably secured.

The foregoing shall not apply to Liens securing the Original Notes and the related Guarantees thereof or the Exchange Notes and the related Guarantees thereof. Any Lien created for the benefit of the Holders of the Notes pursuant to this covenant shall be deemed automatically and unconditionally released and discharged upon the release and discharge of the applicable Lien described in clauses (1) and (2) above.

Merger, Consolidation or Sale of All or Substantially All Assets

Neither the Company nor the Issuer may consolidate or merge with or into or wind up into (whether or not the Company or the Issuer, as the case may be, is the surviving corporation), nor may the Company or the Issuer sell, assign, transfer, lease, convey or otherwise dispose of assets or properties that in either case constitute all or substantially all of the properties or assets of the Company and its Subsidiaries which are Restricted Subsidiaries, taken as a whole, in one or more related transactions, to any Person unless:

(1) the Company or the Issuer, as the case may be, is the surviving corporation or the Person formed by or surviving any such consolidation or merger (if other than the Company or the Issuer, as the case may be) or the Person to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is organized or existing under the laws of the United States, any state thereof, the District of Columbia, or any territory thereof (the Company, the Issuer or such Person, as the case may be, being herein called the *"Successor Company"*); *provided* that in the case where the Successor Company is not a corporation, a co-obligor of the Notes is a corporation;

(2) the Successor Company, if other than the Company or the Issuer, as the case may be, expressly assumes all the obligations of the Company or the Issuer, as the case may be, under the Company's Guarantee or the Notes, as applicable, pursuant to a supplemental indenture or other documents or instruments in form reasonably satisfactory to the Trustee;

(3) immediately after such transaction, no Default exists;

(4) immediately after giving *pro forma* effect to such transaction and any related financing transactions, as if such transactions had occurred at the beginning of the applicable four-quarter period, (a) the Successor Company would be permitted to incur at least $1.00 of additional Indebtedness pursuant to the Consolidated Leverage Ratio set forth in the first paragraph of the covenant described under "—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock," or (b) the Consolidated Leverage Ratio for the Successor Company and its Restricted Subsidiaries would be equal to or less than such Consolidated Leverage Ratio immediately prior to such acquisition or merger;

(5) each Guarantor, unless it is (a) the other party to the transactions described above, in which case clause (1)(b) of the second succeeding paragraph shall apply or (b) a Guarantor that will be released from its obligations under its Guarantee in connection with such transactions, shall have by supplemental indenture confirmed that its Guarantee shall apply to such Person's obligations under the Indenture and the Notes; and

(6) the Company shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with the Indenture.

The Successor Company will succeed to, and be substituted for, the Company or the Issuer, as the case may be, under the Indenture and the Notes, as applicable, and the Company or the Issuer, as applicable, will be automatically released from its obligations under the Indenture and the Notes. Notwithstanding the foregoing clauses (3) and (4),

(1) the Company or any Restricted Subsidiary (other than the Issuer) may consolidate with or merge into or transfer all or part of its properties and assets to the Issuer or a Guarantor; and

(2) the Company or the Issuer may merge with an Affiliate of the Company or the Issuer, as the case may be, solely for the purpose of reorganizing the Company or the Issuer, as the case may be, in the United States, any state thereof, the District of Columbia or any territory thereof so long as the amount of Indebtedness of the Company, the Issuer and its Restricted Subsidiaries is not increased thereby.

Subject to certain limitations described in the Indenture governing release of a Guarantee upon the sale, disposition or transfer of a guarantor, no Guarantor will, and the Company will not permit any Restricted Guarantor to, consolidate or merge with or into or wind up into (whether or not the Company or such Restricted Guarantor is the surviving corporation), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets, in one or more related transactions, to any Person unless:

(1) (a) such Guarantor is the surviving Person or the Person formed by or surviving any such consolidation or merger (if other than such Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is organized or existing under the laws of the jurisdiction of organization of such Guarantor, as the case may be, or the laws of the United States, any state thereof, the District of Columbia, or any territory thereof (such Guarantor or such Person, as the case may be, being herein called the *"Successor Person"*);

(b) the Successor Person, if other than such Guarantor, expressly assumes all the obligations of such Guarantor under the Indenture and such Guarantor's related Guarantee pursuant to supplemental indentures or other documents or instruments in form reasonably satisfactory to the Trustee;

(c) immediately after such transaction, no Default exists; and

(d) the Company shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with the Indenture; or

(2) the transaction complies with clauses (1) and (2) of the first paragraph of the covenant described under "—Repurchase at the Option of Holders —Asset Sales."

In the case of clause (1) of the immediately preceding paragraph, the Successor Person will succeed to, and be substituted for, such Guarantor under the Indenture and such Guarantor's Guarantee. Notwithstanding the foregoing, any Guarantor (other than the Company, which is covered by the third preceding paragraph) may (1) merge or consolidate with or into or wind up into or transfer all or part of its properties and assets to another Guarantor or the Issuer, (2) merge with an Affiliate of the Company solely for the purpose of reincorporating the Guarantor in the United States, any state thereof, the District of Columbia or any territory thereof or (3) convert

into (which may be effected by merger with a Restricted Subsidiary that has substantially no assets and liabilities) a corporation, partnership, limited partnership, limited liability corporation or trust organized or existing under the laws of the jurisdiction of organization of such Guarantor (which may be effected by merger so long as the survivor thereof is a Guarantor).

Transactions with Affiliates

The Company will not, and will not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of their properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Company (each of the foregoing, an *"Affiliate Transaction"*) involving aggregate payments or consideration in excess of $10.0 million, unless:

(1) such Affiliate Transaction is on terms that are not materially less favorable to the Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with an unrelated Person on an arm's-length basis; and

(2) the Company delivers to the Trustee with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate payments or consideration in excess of $20.0 million, a resolution adopted by the majority of the Board of Directors approving such Affiliate Transaction and set forth in an Officer's Certificate certifying that such Affiliate Transaction complies with clause (1) above.

The foregoing provisions will not apply to the following:

(1) transactions between or among the Company or any of its Restricted Subsidiaries;

(2) Restricted Payments permitted by the provisions of the Indenture described above under the covenant "—Limitation on Restricted Payments" and Investments constituting Permitted Investments;

(3) for so long as the Company is a member of a group filing a consolidated, combined, unitary, or similar group tax return with any direct or indirect parent company of the Company (regardless of whether the Company is a Wholly-Owned Subsidiary of such parent company), payments in respect of the hypothetical consolidated, combined, unitary, or similar group tax liabilities of the Company and its Subsidiaries, determined as if the Company were the common parent of a group of a separate affiliated group of corporations filing a consolidated federal income tax return (or the common parent of the applicable comparable group filing a consolidated, combined, unitary, or similar group tax return under state, local, or foreign law);

(4) the payment of reasonable and customary fees and compensation paid to, and indemnities provided on behalf or for the benefit of, employees, officers, directors or consultants of the Company, any of its direct or indirect parent companies or any of its Restricted Subsidiaries;

(5) transactions in which the Company or any of its Restricted Subsidiaries, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Company or such Restricted Subsidiary from a financial point of view or stating that the terms are not materially less favorable to the Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with an unrelated Person on an arm's-length basis;

(6) any arrangement or agreement and the transactions contemplated thereby with an affiliate as in effect as of the Issue Date, including the iHeart Mirror Note, the CCOH Mirror Note and other Cash Management Arrangements, and any extension, amendment, restatement, modification or other supplement to, or replacement of, any of the foregoing otherwise permitted by the Indenture and so long as any such extension, amendment, restatement, modification or other supplement is not materially adverse in the good faith judgment of the Board of Directors to the Holders when taken as a whole as compared to the applicable agreement as in effect on the Issue Date;

(7) the existence of, or the performance by the Company or any of its Restricted Subsidiaries of its obligations under the terms of, any stockholders agreement, principal investors agreement (including any registration rights agreement or purchase agreement related thereto) to which it is a party as of the Issue Date and any similar agreements which it may enter into thereafter; *provided, however,* that the existence of, or the performance by the Company or any of its Restricted Subsidiaries of obligations under any future amendment to any such existing agreement or under any similar agreement entered into after the Issue Date shall only be permitted by this clause (7) to the extent that the terms of any such amendment or new agreement are not otherwise materially adverse in the good faith judgment of the Board of Directors to the Holders when taken as a whole;

(8) the Transactions and the payment of all fees and expenses related to the Transactions, including Transaction Expenses related thereto;

(9) transactions with Unrestricted Subsidiaries, customers, clients, suppliers, contractors, joint venture partners, lessors or lessees of property or purchasers or sellers of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of the Indenture which are fair to the Company and its Restricted Subsidiaries, in the reasonable determination of the Board of Directors or the senior management thereof, or are on terms at least as favorable as would reasonably have been obtained at such time from an unaffiliated party;

(10) the issuance of Equity Interests (other than Disqualified Stock) by the Company or a Restricted Subsidiary;

(11) [Reserved];

(12) payments by the Company or any of its Restricted Subsidiaries to any of the Investors made for any financial advisory, financing, underwriting or placement services or in respect of other investment banking activities, including in connection with acquisitions or divestitures, which payments are approved by a majority of the Board of Directors in good faith or as otherwise permitted by the Indenture;

(13) payments or loans (or cancellation of loans) to employees or consultants of the Company, any of its direct or indirect parent companies or any of its Restricted Subsidiaries and employment agreements, severance arrangements, stock option plans and other similar arrangements with such employees or consultants which, in each case, are approved by a majority of the Board of Directors in good faith;

(14) (a) Investments by the Investors in debt securities of the Company or any of its Restricted Subsidiaries and any payments in respect thereof so long as (i) the investment is being offered generally to other investors on the same or more favorable terms and (ii) the investment constitutes less than 5.0% of the proposed or outstanding issue amount of such class of securities, and (b) payments in respect of any Public Debt or Notes held by Affiliates;

(15) pledges of Equity Interests of Unrestricted Subsidiaries for the benefit of the lenders to such Unrestricted Subsidiaries in connection with bona fide lending or financing transactions; and

(16) any sale of securities (including Disqualified Stock but excluding other Capital Stock) made to an Affiliate on the same terms as are being made to non-Affiliate investors in any public or private sale of such securities and any related transactions involving such securities where such Affiliate is treated no more favorably than the non-Affiliate investors, provided that, in each case, at least 80% of such securities are sold to, in the case of a public or private sale of securities, or held by, in the case of other related transactions involving such securities, non-Affiliate investors.

This covenant is subject to important qualifications and limitations. Notwithstanding any of the foregoing provisions of this covenant, for all purposes of this covenant under the Indenture, the Company will be permitted

to engage in any Affiliate Transaction (i) at any time on or prior to the occurrence of the Separation, constituting set-off or other payments under the iHeart Mirror Note and other Cash Management Arrangements and (ii) involving Net Proceeds of Asset Sales (or Excess Proceeds related thereto) applied in a manner that complies with the covenant described under "—Repurchase at the Option of Holders—Asset Sales".

Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries

The Company will not, and will not permit any of its Restricted Subsidiaries that are not Guarantors to, directly or indirectly, create or otherwise cause or suffer to exist or become effective any consensual encumbrance or consensual restriction on the ability of any such Restricted Subsidiary to:

(1) pay (a) dividends or make any other distributions to the Company or any of its Restricted Subsidiaries on its Capital Stock or with respect to any other interest or participation in, or measured by, its profits (except for any dividend or liquidation priority between classes of Capital Stock) or (b) any Indebtedness owed to the Company or any of its Restricted Subsidiaries;

(2) make loans or advances to the Company or any of its Restricted Subsidiaries; or

(3) sell, lease or transfer any of its properties or assets to the Company or any of its Restricted Subsidiaries,

except (in each case) for such encumbrances or restrictions existing under or by reason of:

(a) contractual encumbrances or restrictions in effect on the Issue Date, including pursuant to (i) the Senior Notes, the guarantees in respect thereof and the Senior Indentures, (ii) the Priority Guarantee Notes, the guarantees in respect thereof and the Priority Guarantee Indentures, (iii) the Existing iHeart Senior Notes and the Existing iHeart Senior Notes Indentures, (iv) the Existing iHeart Credit Agreement, and (v) the Existing iHeart DIP Credit Agreement;

(b) (x) the Senior Credit Facilities and the related documentation and (y) the Indenture, the Notes, the Exchange Notes and the Guarantees;

(c) purchase money obligations for property acquired in the ordinary course of business and Capital Lease Obligations that impose restrictions of the nature discussed in clause (3) above on the property so acquired;

(d) applicable law or any applicable rule, regulation or order;

(e) any agreement or other instrument of a Person acquired by or merged, consolidated or amalgamated with or into the Company or any Restricted Subsidiary thereof in existence at the time of such acquisition, merger, consolidation or amalgamation (but, in any such case, not created in contemplation thereof), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person so acquired and its Subsidiaries, or the property or assets of the Person so acquired and its Subsidiaries or the property or assets so assumed;

(f) contracts for the sale of assets, including customary restrictions with respect to a Subsidiary of (i) the Company or (ii) a Restricted Subsidiary, pursuant to an agreement that has been entered into for the sale or disposition of all or substantially all of the Capital Stock or assets of such Subsidiary that impose restrictions on the assets to be sold;

(g) Secured Indebtedness otherwise permitted to be incurred pursuant to the covenant described under "—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock" that limits the right of the debtor to dispose of the assets securing such Indebtedness;

(h) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business;

(i) other Indebtedness, Disqualified Stock or Preferred Stock of Foreign Subsidiaries of the Company permitted to be incurred subsequent to the Issue Date pursuant to the provisions of the covenant described under "—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock";

(j) customary provisions in any joint venture agreement or other similar agreement relating solely to such joint venture;

(k) customary provisions contained in any lease, sublease, license, sublicense or similar agreement, including with respect to intellectual property, and other agreements, in each case, entered into in the ordinary course of business;

(l) customary provisions contained in any Indebtedness incurred pursuant to any Credit Facilities as permitted pursuant to the covenant described under "—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock" and provided that an Officer reasonably and in good faith determines at the time such Indebtedness is incurred (and at the time of any modification of the terms of any such encumbrance or restriction) that any such encumbrance or restriction will not materially adversely affect the Issuer's or any Guarantor's ability to make any payments, when due, with respect to the Notes or its Guarantee thereof and any other Indebtedness that is an obligation of the Issuer or such Guarantor and such determination is set forth in an Officer's Certificate delivered to the Trustee; and

(m) any encumbrances or restrictions of the type referred to in clauses (1), (2) and (3) above imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (a) through (l) above; provided that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Company, not materially more restrictive with respect to such encumbrance and other restrictions taken as a whole than those prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing.

Limitation on Guarantees of Indebtedness by Restricted Subsidiaries

The Company will not permit any Restricted Subsidiary of the Company, other than a Guarantor or an Immaterial Subsidiary, to guarantee the payment of any Indebtedness in excess of $25.0 million of the Issuer or any Guarantor unless:

(1) such Restricted Subsidiary within 30 days executes and delivers a supplemental indenture to the Indenture providing for a Guarantee by such Restricted Subsidiary, except that with respect to a guarantee of Indebtedness of the Issuer or any Guarantor, if such Indebtedness is by its express terms subordinated in right of payment to the Notes or a related Guarantee, any such guarantee by such Restricted Subsidiary with respect to such Indebtedness shall be subordinated in right of payment to such Guarantee substantially to the same extent as such Indebtedness is subordinated to the Notes or such Guarantor's related Guarantee; and

(2) such Restricted Subsidiary shall within 30 days deliver to the Trustee an Opinion of Counsel reasonably satisfactory to the Trustee;

provided, that this covenant shall not be applicable to any guarantee of any Restricted Subsidiary that existed at the time such Person became a Restricted Subsidiary and was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary. The Company may elect, in its sole discretion, to cause any Subsidiary that is not otherwise required to be a Guarantor to become a Guarantor, in which case such Subsidiary shall not be required to comply with the 30 day periods described above.

Reports and Other Information

Notwithstanding that the Company may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act or otherwise report on an annual and quarterly basis on forms provided for such annual and

quarterly reporting pursuant to rules and regulations promulgated by the SEC, the Indenture requires the Company to file with the SEC from and after the Issue Date no later than 15 days after the periods set forth below:

(1) within 90 days (or any other time period then in effect under the rules and regulations of the Exchange Act with respect to the filing of a Form 10-K by a non-accelerated filer) after the end of each fiscal year, annual reports on Form 10-K, or any successor or comparable form, containing the information required to be contained therein, or required in such successor or comparable form;

(2) within 45 days (or any other time period then in effect under the rules and regulations of the Exchange Act with respect to the filing of a Form 10-Q by a non-accelerated filer) after the end of each of the first three fiscal quarters of each fiscal year, reports on Form 10-Q containing all quarterly information that would be required to be contained in Form 10-Q, or any successor or comparable form;

(3) promptly from time to time after the occurrence of an event required to be therein reported, such other reports on Form 8-K, or any successor or comparable form; and

(4) any other information, documents and other reports which the Company would be required to file with the SEC if it were subject to Section 13 or 15(d) of the Exchange Act; in each case, in a manner that complies in all material respects with the requirements specified in such form; *provided* that the Company shall not be so obligated to file such reports with the SEC if the SEC does not permit such filing, in which event the Company will make available such information to prospective purchasers of Notes, in addition to providing such information to the Trustee and the Holders of the Notes, in each case within 15 days after the time the Company would have been required to file such information with the SEC as required pursuant to the first sentence of this paragraph. To the extent any such information is not furnished within the time periods specified above and such information is subsequently furnished (including upon becoming publicly available, by filing such information with the SEC), the Company will be deemed to have satisfied its obligations with respect thereto at such time and any Default with respect thereto shall be deemed to have been cured; *provided,* that such cure shall not otherwise affect the rights of the Holders under "—Events of Default and Remedies" if Holders of at least 25% in principal amount of the then total outstanding Notes have declared the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Notes to be due and payable immediately and such declaration shall not have been rescinded or cancelled prior to such cure. In addition, to the extent not satisfied by the foregoing, the Company will agree that, for so long as any Notes are outstanding, it will furnish to Holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

In the event that any direct or indirect parent company of the Company becomes a guarantor of the Notes, the Indenture permits the Company to satisfy its obligations in this covenant with respect to financial information relating to the Company by furnishing financial information relating to such parent; *provided* that the same is accompanied by consolidating information that explains in reasonable detail the differences between the information relating to such parent, on the one hand, and the information relating to the Company and its Restricted Subsidiaries on a standalone basis, on the other hand.

In connection with the filings with the SEC required pursuant to clauses (1) and (2) above, in connection therewith, the Company shall provide notice of, and host, a conference call open to the public to discuss the results for the applicable period.

Notwithstanding the foregoing, such requirements shall be deemed satisfied prior to the commencement of this exchange offer or the effectiveness of the shelf registration statement by the filing with the SEC of the registration statement of which this prospectus is a part or the shelf registration statement in accordance with the terms of the Registration Rights Agreement, and any amendments thereto, with such financial information that satisfies Regulation S-X of the Securities Act.

Reports filed by us with the SEC via the EDGAR system will be deemed to be filed with the Trustee as of the time such reports are filed via EDGAR.

Events of Default and Remedies

The Indenture provides that each of the following is an Event of Default with respect to the Notes:

(1) default in payment when due and payable, upon redemption, acceleration or otherwise, of principal of, or premium, if any, on the Notes;

(2) default for 30 days or more in the payment when due of interest on or with respect to the Notes;

(3) failure by the Issuer or any Guarantor for 60 days after receipt of written notice given by the Trustee or the Holders of not less than 25% in principal amount of the then outstanding Notes (with a copy to the Trustee) to comply with any of its obligations, covenants or agreements (other than a default referred to in clauses (1) and (2) above and clause (8) below) contained in the Indenture or the Notes;

(4) default under any mortgage, indenture or instrument under which there is issued or by which there is secured or evidenced any Indebtedness for money borrowed by the Company or any of its Restricted Subsidiaries or the payment of which is guaranteed by the Company or any of its Restricted Subsidiaries, other than Indebtedness owed to the Company or a Restricted Subsidiary, whether such Indebtedness or guarantee now exists or is created after the issuance of the Notes, if both:

(a) such default either results from the failure to pay any principal of such Indebtedness at its stated final maturity (after giving effect to any applicable grace periods) or relates to an obligation other than the obligation to pay principal of any such Indebtedness at its stated final maturity and results in the holder or holders of such Indebtedness causing such Indebtedness to become due prior to its stated final maturity; and

(b) the principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness in default for failure to pay principal at stated final maturity (after giving effect to any applicable grace periods), or the maturity of which has been so accelerated, aggregate $50.0 million or more at any one time outstanding, in each case;

(5) failure by the Company, the Issuer or any other Significant Party to pay finalnon-appealable judgments aggregating in excess of $50.0 million, which final judgments remain unpaid, undischarged and unstayed for a period of more than 90 days after such judgments become final, and in the event such judgment is covered by insurance, an enforcement proceeding has been commenced by any creditor upon such judgment or decree which is not promptly stayed;

(6) certain events of bankruptcy or insolvency with respect to the Company, the Issuer or any other Significant Party;

(7) failure of any Person required by the terms of the Indenture to be a Guarantor as of the Issue Date to execute a supplemental indenture to the Indenture within five Business Days following the Issue Date; and

(8) the Guarantee of any Significant Party shall for any reason cease to be in full force and effect or be declared null and void or any responsible officer of any Guarantor that is a Significant Party, as the case may be, denies in writing that it has any further liability under its Guarantee or gives written notice to such effect, other than by reason of the termination of the Indenture or the release of any such Guarantee in accordance with the Indenture and such Default continues uncured for ten or more Business Days.

If any Event of Default (other than of a type specified in clause (6) above with respect to the Company or the Issuer) occurs and is continuing under the Indenture, the Trustee or the Holders of at least 25% in principal amount of the then total outstanding Notes may declare the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Notes to be due and payable immediately.

Upon the effectiveness of such declaration, such principal and interest will be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising under clause (6) of the first paragraph of this section with respect to the Company or the Issuer, all outstanding Notes will become due and payable without further action or notice. The Indenture provides that the Trustee may withhold from the Holders notice of any continuing Default, except a Default relating to the payment of principal, premium, if any, or interest, if it determines that withholding notice is in their interest. In addition, the Trustee shall have no obligation to accelerate the Notes if in the best judgment of the Trustee acceleration is not in the best interest of the Holders of the Notes.

The Indenture provides that the Holders of a majority in aggregate principal amount of the then outstanding Notes under the Indenture by notice to the Trustee may on behalf of the Holders of all such Notes waive any existing Default and its consequences under such Indenture (except a continuing Default in the payment of interest on, premium, if any, or the principal of any Note held by a non-consenting Holder) and rescind any acceleration with respect to such Notes and its consequences (except if such rescission would conflict with any judgment of a court of competent jurisdiction). In the event of any Event of Default specified in clause (4) above, such Event of Default and all consequences thereof (excluding any resulting payment default, other than as a result of acceleration of the Notes) shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if within 20 days after such Event of Default arose:

(1) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged;

(2) holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default; or

(3) the default that is the basis for such Event of Default has been cured.

Subject to the provisions of the Indenture relating to the duties of the Trustee thereunder, in case an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers under the Indenture at the request or direction of any of the Holders of the Notes outstanding thereunder unless the Holders have offered to the Trustee reasonable indemnity or security against any loss, liability or expense. Except to enforce the right to receive payment of principal, premium (if any) or interest when due, no Holder of a Note may pursue any remedy with respect to the Indenture or the Notes unless:

(1) such Holder has previously given the Trustee notice that an Event of Default is continuing;

(2) Holders of at least 25% in principal amount of the total outstanding Notes have requested the Trustee to pursue the remedy;

(3) Holders of the Notes have offered the Trustee reasonable security or indemnity against any loss, liability or expense;

(4) the Trustee has not complied with such request within 60 days after the receipt thereof and the offer of security or indemnity; and

(5) Holders of a majority in principal amount of the total outstanding Notes thereunder have not given the Trustee a direction inconsistent with such request within such 60-day period.

Subject to certain restrictions, under the Indenture the Holders of a majority in principal amount of the then total outstanding Notes thereunder are given the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or the Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder of a Note or that would involve the Trustee in personal liability.

The Company is required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Company is required, within five Business Days after becoming aware of any Default, to deliver to the Trustee a statement specifying such Default.

No Personal Liability of Directors, Officers, Employees and Stockholders

No past, present or future director, officer, employee, incorporator, member, partner or stockholder of the Issuer or any Guarantor or any of their direct or indirect parent companies shall have any liability for any obligations of the Issuer or the Guarantors under the Notes, the Guarantees or the Indenture or for any claim based on, in respect of, or by reason of such obligations or their creation. Each Holder by accepting Notes waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. Such waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the SEC that such a waiver is against public policy.

Legal Defeasance and Covenant Defeasance

The obligations of the Issuer and the Guarantors under the Indenture will terminate (other than certain obligations) and will be released upon payment in full of all of the Notes issued thereunder. The Issuer may, at its option and at any time, elect to have all of its obligations discharged with respect to the Indenture and the Notes and have each Guarantor's obligations discharged with respect to its Guarantee (*"Legal Defeasance"*) and cure all then existing Events of Default except for:

(1) the rights of Holders of Notes to receive payments in respect of the principal of, premium, if any, and interest on the Notes when such payments are due solely out of the trust created pursuant to the Indenture for those Notes;

(2) the Issuer's obligations with respect to Notes concerning issuing temporary Notes, registration of such Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust;

(3) the rights, powers, trusts, duties and immunities of the Trustee, and the Issuer's obligations in connection therewith; and

(4) the Legal Defeasance provisions of the Indenture.

In addition, the Issuer may, at its option and at any time, elect to have its obligations and those of each Guarantor released with respect to substantially all of the restrictive covenants in the Indenture (*"Covenant Defeasance"*) and thereafter any omission to comply with such obligations shall not constitute a Default with respect to the Notes. In the event Covenant Defeasance occurs, certain events (not including bankruptcy, receivership, rehabilitation and insolvency events pertaining to the Company or the Issuer) described under "—Events of Default and Remedies" will no longer constitute an Event of Default with respect to those Notes.

In order to exercise either Legal Defeasance or Covenant Defeasance with respect to the Notes:

(1) the Issuer must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders of the Notes, cash in U.S. dollars, Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal amount of, premium, if any, and interest due on the Notes on the stated maturity date or on the redemption date, as the case may be, of such principal amount, premium, if any, or interest on such Notes, and the Issuer must specify whether such Notes are being defeased to maturity or to a particular redemption date;

(2) in the case of Legal Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions,

(a) the Issuer has received from, or there has been published by, the United States Internal Revenue Service a ruling, or

(b) since the issuance of the Notes, there has been a change in the applicable U.S. federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, subject to customary assumptions and exclusions, the Holders of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes, as applicable, as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions, the Holders of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to such tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to such other Indebtedness, and in each case, the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit;

(5) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under any Senior Credit Facility or any other material agreement or instrument governing Indebtedness (other than the Indenture) to which, the Issuer or any Guarantor is a party or by which the Issuer or any Guarantor is bound (other than that resulting from any borrowing of funds to be applied to make the deposit required to effect such Legal Defeasance or Covenant Defeasance and any similar and simultaneous deposit relating to other Indebtedness, and, in each case, the granting of Liens in connection therewith);

(6) the Issuer shall have delivered to the Trustee an Officer's Certificate stating that the deposit was not made by the Issuer with the intent of defeating, hindering, delaying or defrauding any creditors of the Issuer or any Guarantor or others; and

(7) the Issuer shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions) each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

Satisfaction and Discharge

The Indenture will be discharged and will cease to be of further effect as to all Notes issued thereunder, when either:

(1) all Notes theretofore authenticated and delivered, except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust, have been delivered to the Trustee for cancellation; or

(2) (a) all Notes not theretofore delivered to the Trustee for cancellation have become due and payable by reason of the making of a notice of redemption or otherwise, will become due and payable within one year or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of

notice of redemption by the Trustee in the name, and at the expense, of the Issuer, and the Issuer or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders of the Notes cash in U.S. dollars, Government Securities, or a combination thereof, in such amounts as will be sufficient without consideration of any reinvestment of interest to pay and discharge the entire indebtedness on the Notes not theretofore delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption thereof, as the case may be;

(b) no Default (other than that resulting from borrowing funds to be applied to make such deposit or any similar and simultaneous deposit relating to other Indebtedness and in each case, the granting of Liens in connection therewith) with respect to the Indenture or the Notes shall have occurred and be continuing on the date of such deposit or shall occur as a result of such deposit and such deposit will not result in a breach or violation of, or constitute a default under any Senior Credit Facility or any other material agreement or instrument governing Indebtedness (other than the Indenture) to which the Issuer or any Guarantor is a party or by which the Issuer or any Guarantor is bound (other than resulting from any borrowing of funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith);

(c) the Issuer has paid or caused to be paid all sums payable by it under the Indenture; and

(d) the Issuer has delivered irrevocable instructions to the Trustee to apply the deposited money toward the payment of the Notes at maturity or the redemption date, as the case maybe.

In addition, the Issuer must deliver an Officer's Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Amendment, Supplement and Waiver

Except as provided in the next two succeeding paragraphs, the Indenture, any Guarantee and the Notes may be amended or supplemented with the consent of the Holders of at least a majority in principal amount of the Notes issued thereunder then outstanding, other than Notes issued thereunder beneficially owned by the Company or any of its Affiliates, including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes issued thereunder, and any existing Default or Event of Default or compliance with any provision of the Indenture or the Notes issued thereunder may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Notes issued thereunder, other than Notes issued thereunder beneficially owned by the Company or any of its Affiliates (including consents obtained in connection with a purchase of or tender offer or exchange offer for such Notes).

The Indenture provides that, without the consent of each affected Holder of Notes issued thereunder, an amendment or waiver may not, with respect to any Notes issued thereunder held by a non-consenting Holder:

(1) reduce the principal amount of such Notes whose Holders must consent to an amendment, supplement or waiver;

(2) reduce the principal amount of or change the fixed final maturity of any such Note or reduce the premium payable upon the redemption of such Notes or change the time (except those providing when notice of redemption is to be provided to the Trustee or Holders) at which any Note may be redeemed (in each case other than provisions relating to the covenants described above under "—Repurchase at the Option of Holders");

(3) reduce the rate of or change the time for payment of interest on any Note;

(4) waive a Default in the payment of principal of or premium, if any, or interest on the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the Notes and a waiver of the payment default that resulted from such acceleration) or in respect of a covenant or provision contained in the Indenture or any Guarantee which cannot be amended or modified without the consent of all affected Holders;

(5) make any Note payable in money other than that stated therein;

(6) make any change in the provisions of the Indenture relating to waivers of past Defaults or the rights of Holders to receive payments of principal of or premium, if any, or interest on the Notes;

(7) make any change in these amendment and waiver provisions;

(8) impair the right of any Holder to receive payment of principal of, or interest on such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Holder's Notes;

(9) make any change to the ranking of the Notes that would adversely affect the Holders;

(10) except as expressly permitted by the Indenture, modify the Guarantees of any Significant Party in any manner adverse to the Holders of the Notes; or

(11) after the Issuer's obligation to purchase Notes arises thereunder, amend, change or modify in any respect materially adverse to the Holders of the Notes the obligations of the Issuer to make and consummate a Change of Control Offer in the event of a Change of Control or make and consummate an Asset Sale Offer with respect to any Asset Sale that has been consummated or, after such Change or Control has occurred or such Asset Sale has been consummated, modify any of the provisions or definitions with respect thereto in a manner that is materially adverse to the Holders of the Notes.

Notwithstanding the foregoing, the Issuer and the Trustee may amend or supplement the Indenture and the Notes and the Issuer, the Trustee and the Guarantors may amend or supplement any Guarantee issued under the Indenture, in each case, without the consent of any Holder:

(1) to cure any ambiguity, omission, mistake, defect or inconsistency, including any such ambiguity, omission, mistake, defect or inconsistency that may arise in connection with the Step-up upon the occurrence of the Step-up Trigger Date, if and when such date occurs;

(2) to provide for uncertificated Notes in addition to or in place of certificated Notes;

(3) to comply with the covenant relating to mergers, consolidations and sales of assets;

In the event that the Company or any Restricted Subsidiary (i) incurs, redeems, retires or extinguishes any Indebtedness (other than Indebtedness incurred or repaid under any revolving credit facility in the ordinary course of business for working capital purposes) or (ii) issues or redeems Disqualified Stock or Preferred Stock subsequent to the commencement of the period for which the Consolidated Leverage Ratio is being calculated but prior to or simultaneously with the event for which the calculation of the Consolidated Leverage Ratio is made (the "—Consolidated Leverage Ratio Calculation Date"), then the Consolidated Leverage Ratio shall be calculated giving pro forma effect to such incurrence, redemption, retirement or extinguishment of Indebtedness, or such issuance or redemption of Disqualified Stock or Preferred Stock, as if the same had occurred at the beginning of the applicable four-quarter period; *provided, however,* that the Issuer may elect, pursuant to an Officer's Certificate delivered to the Trustee not later than 30 days after entering into any commitment providing for the incurrence of Consolidated Indebtedness, that all or any portion of the Consolidated Indebtedness that could be incurred under such commitment at the time such commitment is entered into shall be treated as incurred and outstanding in such amount for all purposes of this calculation (whether or not such Consolidated

Indebtedness is outstanding at the time such commitment is entered into) and any subsequent incurrence of such Consolidated Indebtedness under such commitment (including upon repayment and reborrowing) shall not be deemed, for purposes of this calculation, to be the incurrence of Consolidated Indebtedness at such subsequent time.

For purposes of making the computation referred to above, Investments, acquisitions, dispositions, mergers, amalgamations, consolidations and discontinued operations (as determined in accordance with GAAP), in each case with respect to an operating unit of a business made (or committed to be made pursuant to a definitive agreement) during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the Consolidated Leverage Ratio Calculation Date, and other operational changes that the Company or any of its Restricted Subsidiaries has determined to make or made during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the Consolidated Leverage Ratio Calculation Date shall be calculated on a *pro forma* basis as set forth below assuming that all such Investments, acquisitions, dispositions, mergers, amalgamations, consolidations, discontinued operations and other operational changes had occurred on the first day of the four-quarter reference period. If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged with or into the Company or any of its Restricted Subsidiaries since the beginning of such period shall have made any Investment, acquisition, disposition, merger, amalgamation, consolidation, discontinued operation or operational change, in each case with respect to an operating unit of a business, that would have required adjustment pursuant to this definition, then the Consolidated Leverage Ratio shall be calculated giving *pro forma* effect thereto in the manner set forth below for such period as if such Investment, acquisition, disposition, merger, consolidation, discontinued operation or operational change had occurred at the beginning of the applicable four-quarter period.

For purposes of this definition, whenever *pro forma* effect is to be given to an Investment, acquisition, disposition, amalgamation, merger or consolidation and the amount of income or earnings relating thereto, the *pro forma* calculations shall be made in good faith by a responsible financial or accounting officer of the Company (and may include cost savings, synergies and operating expense reductions resulting from such Investment, acquisition, amalgamation, merger or consolidation which is being given *pro forma* effect that have been or are expected to be realized);*provided,* that actions to realize such cost savings, synergies and operating expense reductions are taken within 12 months after the date of such Investment, acquisition, amalgamation, merger or consolidation; *provided,* that no cost savings, synergies or operating expense reductions shall be included pursuant to this paragraph to the extent duplicative of any amounts that are otherwise added back in computing EBITDA with respect to such period.

For the purposes of this definition, any amount in a currency other than U.S. dollars will be converted to U.S. dollars based on the average exchange rate for such currency for the most recent twelve month period immediately prior to the date of determination determined in a manner consistent with that used in calculating EBITDA for the applicable period.

"Consolidated Secured Leverage Ratio" means, as of any date of determination, the ratio of (a) the Consolidated Indebtedness of the Company and its Restricted Subsidiaries secured by a Lien on such date to (b) EBITDA of the Company and its Restricted Subsidiaries for the most recently ended four fiscal quarters ending immediately prior to such date for which internal financial statements are available.

In the event that the Company or any Restricted Subsidiary incurs, redeems, retires or extinguishes any Indebtedness secured by a Lien (other than Indebtedness incurred or repaid under any revolving credit facility in the ordinary course of business for working capital purposes) subsequent to the commencement of the period for which the Consolidated Secured Leverage Ratio is being calculated but prior to or simultaneously with the event for which the calculation of the Consolidated Secured Leverage Ratio is made (the "Consolidated Secured Leverage Ratio Calculation Date"), then the Consolidated Secured Leverage Ratio shall be calculated giving pro forma effect to such incurrence, redemption, retirement or extinguishment of such Indebtedness, as if the same

had occurred at the beginning of the applicable four-quarter period; *provided, however,* that the Issuer may elect, pursuant to an Officer's Certificate delivered to the Trustee not later than 30 days after entering into any commitment providing for the incurrence of Consolidated Indebtedness secured by a Lien, that all or any portion of the Consolidated Indebtedness secured by a Lien that could be incurred under such commitment at the time such commitment is entered into shall be treated as incurred and outstanding in such amount for all purposes of this calculation (whether or not such Consolidated Indebtedness is outstanding at the time such commitment is entered into) and any subsequent incurrence of such Consolidated Indebtedness under such commitment (including upon repayment and reborrowing) shall not be deemed, for purposes of this calculation, to be the incurrence of Consolidated Indebtedness secured by a Lien at such subsequent time.

For purposes of making the computation referred to above, Investments, acquisitions, dispositions, mergers, amalgamations, consolidations and discontinued operations (as determined in accordance with GAAP), in each case with respect to an operating unit of a business made (or committed to be made pursuant to a definitive agreement) during the four- quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the Consolidated Secured Leverage Ratio Calculation Date, and other operational changes that the Company or any of its Restricted Subsidiaries has determined to make or made during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the Consolidated Secured Leverage Ratio Calculation Date shall be calculated on a *pro forma* basis as set forth below assuming that all such Investments, acquisitions, dispositions, mergers, amalgamations, consolidations, discontinued operations and other operational changes had occurred on the first day of the four-quarter reference period. If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged with or into the Company or any of its Restricted Subsidiaries since the beginning of such period shall have made any Investment, acquisition, disposition, merger, amalgamation, consolidation, discontinued operation or operational change, in each case with respect to an operating unit of a business, that would have required adjustment pursuant to this definition, then the Consolidated Leverage Ratio shall be calculated giving *pro forma* effect thereto in the manner set forth below for such period as if such Investment, acquisition, disposition, merger, consolidation, discontinued operation or operational change had occurred at the beginning of the applicable four-quarter period.

For purposes of this definition, whenever *pro forma* effect is to be given to an Investment, acquisition, disposition, amalgamation, merger or consolidation and the amount of income or earnings relating thereto, the *pro forma* calculations shall be made in good faith by a responsible financial or accounting officer of the Company (and may include cost savings, synergies and operating expense reductions resulting from such Investment, acquisition, amalgamation, merger or consolidation which is being given *pro forma* effect that have been or are expected to be realized);*provided,* that actions to realize such cost savings, synergies and operating expense reductions are taken within 12 months after the date of such Investment, acquisition, amalgamation, merger or consolidation; *provided,* that no cost savings, synergies or operating expense reductions shall be included pursuant to this paragraph to the extent duplicative of any amounts that are otherwise added back in computing EBITDA with respect to such period.

For the purposes of this definition, any amount in a currency other than U.S. dollars will be converted to U.S. dollars based on the average exchange rate for such currency for the most recent twelve month period immediately prior to the date of determination determined in a manner consistent with that used in calculating EBITDA for the applicable period.

"*Consolidated Net Income"* means, with respect to any Person for any period, the aggregate of the Net Income of such Person and its Restricted Subsidiaries for such period, on a consolidated basis, and otherwise determined in accordance with GAAP; *provided, however,* that, without duplication,

(2) the Consolidated Leverage Ratio for the Company and its Restricted Subsidiaries would be equal to or less than such ratio immediately prior to such designation, *provided, however,* that such determination is made on a*pro forma* basis taking into account such designation.

DESCRIPTION OF OTHER INDEBTEDNESS

Senior Secured Credit Facilities

On August 23, 2019, Clear Channel Outdoor Holdings entered into a credit agreement (the "Senior Secured Credit Agreement") governing its senior secured credit facilities with Deutsche Bank AG New York Branch, as administrative agent and swing line lender, and the other lenders from time to time party thereto. The Senior Secured Credit Agreement governs the Term Loan Facility and the Revolving Credit Facility (each as defined below).

Size and Availability

The Senior Secured Credit Agreement provides for a term loan facility in an aggregate principal amount of $2,000 million (the "Term Loan Facility") and a revolving credit facility in an aggregate principal amount of $175 million (the "Revolving Credit Facility" and, together with the Term Loan Facility, the "Senior Secured Credit Facilities"). As of December 31, 2019, there were $1,995 million of borrowings outstanding under the Term Loan Facility and no revolving borrowings outstanding under the Revolving Credit Facility.

Clear Channel Outdoor Holdings (which is referred to throughout this section as the "borrower") is the borrower under the Senior Secured Credit Facilities. The Revolving Credit Facility includes sub-facilities for letters of credit and for short-term borrowings referred to as the swing line borrowings. In addition, the Senior Secured Credit Agreement provides that the borrower has the right at any time, subject to customary conditions, to request incremental term loans or incremental revolving credit commitments in an aggregate principal amount of up to (a) the greater of (1) $610 million and (2) an amount equal to 100.0% of the borrower's trailing twelve-month consolidated EBITDA at the time of determination on a pro forma basis plus (b) an amount equal to all voluntary prepayments, repurchases and redemptions of the term loans under the Senior Secured Credit Agreement and certain other incremental equivalent debt and permanent revolving credit commitment reductions under the Senior Secured Credit Agreement, in each case on or prior to the date of any such incurrence (to the extent not funded with the proceeds of long-term debt other than revolving loans) plus (c) an additional unlimited amount so long as the borrower (I) in the case of incremental indebtedness that is secured by the collateral on a *pari passu* basis with the Senior Secured Credit Facilities, does not exceed a specified pro forma first lien leverage ratio, (II) in the case of incremental indebtedness that is secured by a lien on the collateral junior to the liens securing the Senior Secured Credit Facilities, does not exceed a specified pro forma senior secured leverage ratio and (III) in the case of unsecured incremental indebtedness, either does not exceed a specified pro forma total leverage ratio or satisfies a specified pro forma interest coverage ratio (or, to the extent of the foregoing incurred in connection with an acquisition or similar investment, a leverage ratio not higher than the applicable leverage ratio or interest coverage ratio not lower than the interest coverage ratio, in each case, in effect immediately prior to such acquisition or similar investment). The lenders under the Senior Secured Credit Facilities are not under any obligation to provide any such incremental loans or commitments, and any such addition of or increase in loans will be subject to certain customary conditions precedent and other provisions.

Interest Rate and Fees

Borrowings under the Senior Secured Credit Agreement bear interest at a rate per annum equal to the Applicable Rate (as defined therein) plus, at the borrower's option, either (a) a base rate determined by reference to the highest of (1) the Federal Funds Rate plus 0.50%, (2) the rate of interest in effect for such date as publicly announced from time to time by the administrative agent as its "prime rate" and (3) the Eurocurrency rate that would be calculated as of such day in respect of a proposed Eurocurrency rate loan with a one-month interest period plus 1.00%, or (b) a Eurocurrency rate that is equal to the LIBOR rate as published by Bloomberg two business days prior to the commencement of the interest period.

Amortization and Maturity

The term loans under the Term Loan Facility will amortize in equal quarterly installments in an aggregate annual amount equal to 1.00% of the original principal amount of such term loans, with the balance being payable on August 23, 2026. The Revolving Credit Facility will mature on August 23, 2024.

Prepayments

The Senior Secured Credit Facilities contain customary mandatory prepayments, including with respect to excess cash flow, asset sale proceeds and proceeds from certain incurrences of indebtedness.

The borrower may voluntarily repay outstanding loans under the Senior Secured Credit Facilities at any time without premium or penalty, other than customary breakage costs with respect to LIBOR loans; *provided, however,* that any voluntary prepayment, refinancing or repricing of the term loans under the Term Loan Facility in connection with certain repricing transactions that occur prior to the six-month anniversary of the closing of the Senior Secured Credit Facilities shall be subject to a prepayment premium of 1.00% of the principal amount of the term loans so prepaid, refinanced or repriced.

Guarantees and Security

The Senior Secured Credit Facilities are guaranteed by certain subsidiaries of the borrower. All obligations under the Senior Secured Credit Facilities and the guarantees of those obligations are secured by a perfected first-priority security interest in the collateral securing the Senior Secured Notes on a first-priority basis and a perfected second priority security interest in the collateral securing the ABL Facility on a first-priority basis.

Certain Covenants and Events of Default

The Senior Secured Credit Agreement contains a springing financial covenant which is applicable solely to the Revolving Credit Facility commencing with the quarter ending December 31, 2019. The springing financial covenant requires compliance with a first lien net leverage ratio of 7.60 to 1.00, with a stepdown to 7.10 to 1.00 commencing with the last day of the fiscal quarter ending June 30, 2021. The financial covenant is tested on the last day of any fiscal quarter only under certain conditions set forth in the Senior Secured Credit Agreement.

The Senior Secured Credit Agreement also includes negative covenants that, subject to significant exceptions, limit the borrower's ability and the ability of its restricted subsidiaries to, among other things:

- incur additional indebtedness;
- create liens on assets;
- engage in mergers, consolidations, liquidations and dissolutions;
- sell assets;
- pay dividends and distributions or repurchase capital stock;
- make investments, loans, or advances;
- prepay certain junior indebtedness;
- engage in certain transactions with affiliates;

- enter into agreements which limit the borrower's ability and the ability of its restricted subsidiaries to incur restrictions on their ability to make distributions; and
- amend or waive organizational documents.

The Senior Secured Credit Agreement also includes certain customary representations and warranties, affirmative covenants and events of default, including payment defaults, breach of representations and warranties, covenant defaults, cross-defaults to certain indebtedness, certain events of bankruptcy, material judgments and a change of control. If an event of default occurs, the lenders under the Senior Secured Credit Agreement will be entitled to take various actions, including the acceleration of all amounts due under the Senior Secured Credit Agreement and all actions permitted to be taken by a secured creditor.

ABL Facility

On August 23, 2019, Clear Channel Outdoor Holdings entered into a new credit agreement (the "ABL Credit Agreement") governing its asset-based revolving credit facility (the "ABL Facility") with Deutsche Bank AG New York Branch, as administrative agent and swing line lender, and the other lenders from time to time party thereto. Set forth below is a description of the terms of the ABL Facility. As of December 31, 2019, there were no borrowings outstanding under the ABL Facility but there was $69.1 million of letters of credit outstanding thereunder.

Clear Channel Outdoor Holdings (which is referred to throughout this section as the "borrower") is the borrower under the ABL Facility. The ABL Facility includes sub-facilities for letters of credit and for short-term borrowings referred to as the swing line borrowings. In addition, the ABL Credit Agreement provides that the borrower has the right at any time, subject to customary conditions, to request incremental commitments on terms set forth in the ABL Credit Agreement.

Size and Availability

The ABL Credit Agreement provides for an asset-based revolving credit facility, with amounts available from time to time (including in respect of letters of credit) equal to the lesser of (i) the borrowing base, which equals 85.0% of the eligible accounts receivable of the borrower and the subsidiary borrowers, subject to customary eligibility criteria minus any reserves, and (ii) the aggregate revolving credit commitments. The aggregate revolving credit commitments are $125.0 million.

Interest Rate and Fees

Borrowings under the ABL Credit Agreement will bear interest at a rate per annum equal to the Applicable Rate (as defined therein) plus, at the borrower's option, either (1) a base rate determined by reference to the highest of (a) the Federal Funds Rate plus 0.50%, (b) the rate of interest in effect for such date as publicly announced from time to time by the administrative agent as its "prime rate" and (c) the Eurocurrency rate that would be calculated as of such day in respect of a proposed Eurocurrency rate loan with a one-month interest period plus 1.00%, or (2) a Eurocurrency rate equal to the LIBOR rate as published by Bloomberg two business days prior to the commencement of the interest period.

In addition to paying interest on outstanding principal under the ABL Credit Agreement, the borrower is required to pay a commitment fee to the lenders under the ABL Credit Agreement in respect of the unutilized revolving commitments thereunder. The borrower is also required to pay a customary letter of credit fee for each issued letter of credit.

Maturity

Borrowings under the ABL Credit Agreement will mature, and lending commitments thereunder will terminate, on August 23, 2024.

Prepayments

If at any time, the outstanding amount under the ABL Credit Agreement exceeds the lesser of (i) the aggregate amount committed by the revolving credit lenders and (ii) the borrowing base, the borrower will be required to prepay first, any protective advances and second, any outstanding revolving loans and swing line loans and/or cash collateralize letters of credit in an aggregate amount equal to such excess, as applicable.

Subject to customary exceptions and restrictions, the borrower may voluntarily repay outstanding amounts under the ABL Credit Agreement at any time without premium or penalty. Any voluntary prepayments the borrower makes will not reduce commitments under the ABL Credit Agreement.

Guarantees and Security

The ABL Facility is guaranteed by certain subsidiaries of the borrower. All obligations under the ABL Credit Agreement, and the guarantees of those obligations, are secured by a perfected first-priority security interest in those assets not securing the Senior Secured Notes and a perfected second priority security interest in the collateral securing the Senior Secured Notes.

Certain Covenants and Events of Default

If borrowing availability is less than the greater of (a) 10.0% of the Line Cap (as defined therein) at such time and (b) $10,000,000, the borrower will be required to comply with a minimum fixed charge coverage ratio of no less than 1.00x for the most recent period of four consecutive fiscal quarters ended prior to the occurrence of the Covenant Trigger Period (as defined therein), and will be required to continue to comply with this minimum fixed charge coverage ratio until borrowing availability for a period of 20 consecutive days exceeds the greater of (x) 10.0% of the Line Cap at such time and (y) $10,000,000, at which time the Covenant Trigger Period will no longer be deemed to be occurring. The fixed charge coverage ratio did not apply for the four quarters ended December 31, 2019 because a Covenant Trigger Period was not in effect.

The ABL Credit Agreement also includes negative covenants that, subject to significant exceptions, limit the borrower's ability and the ability of its restricted subsidiaries to, among other things:

- incur additional indebtedness;
- create liens on assets;
- engage in mergers, consolidations, liquidations and dissolutions;
- sell assets;
- pay dividends and distributions or repurchase capital stock;
- make investments, loans, or advances;
- prepay certain junior indebtedness;
- engage in certain transactions with affiliates;
- enter into agreements which limit the borrower's ability and the ability of its restricted subsidiaries to incur restrictions on their ability to make distributions; and
- amend or waive organizational documents.

The ABL Credit Agreement also includes certain customary representations and warranties, affirmative covenants and events of default, including payment defaults, breach of representations and warranties, covenant defaults, cross-defaults to certain indebtedness, certain events of bankruptcy, material judgments and a change of control. If an event of default occurs, the lenders under the ABL Credit Agreement are entitled to take various actions, including the acceleration of all amounts due under the ABL Credit Agreement and all actions permitted to be taken by a secured creditor.

5.125% Senior Secured Notes due 2027

On August 23, 2019, Clear Channel Outdoor Holdings issued at par $1,250 million aggregate principal amount of 5.125% senior secured notes due 2027 (the "Senior Secured Notes"). The Senior Secured Notes were issued pursuant to and are governed by an indenture, dated as of August 23, 2019, by and among Clear Channel Outdoor Holdings, the guarantors party thereto and U.S. Bank National Association, as trustee and collateral agent. As of December 31, 2019, there were $1,250 million aggregate principal amount of Senior Secured Notes outstanding.

Interest is payable on the Senior Secured Notes in arrears on February 15 and August 15 of each year, beginning on February 15, 2020. The Senior Secured Notes mature on August 15, 2027. The Senior Secured Notes are guaranteed on a senior secured basis by all wholly-owned domestic subsidiaries of Clear Channel Outdoor Holdings that are restricted subsidiaries and that guarantee credit facilities or other capital markets debt securities of Clear Channel Outdoor Holdings, including Clear Channel Worldwide Holdings. The Senior Secured Notes are general senior secured obligations of Clear Channel Outdoor Holdings and the guarantors, rank *pari passu* in right of payment with Clear Channel Outdoor Holdings' and the guarantors' existing and future senior indebtedness, including the Senior Secured Credit Facilities, the ABL Facility and the exchange notes and rank senior in right of payment to all existing and future subordinated indebtedness of Clear Channel Outdoor Holdings and the guarantors.

Clear Channel Outdoor Holdings may redeem the Senior Secured Notes at its option, in whole or in part, at any time prior to August 15, 2022 at a price equal to 100% of the principal amount of the Senior Secured Notes so redeemed, plus a make-whole premium, plus accrued and unpaid interest to the redemption date. Clear Channel Outdoor Holdings may redeem the Senior Secured Notes, in whole or in part, on or after August 15, 2022 at the redemption prices set forth in the indenture governing the Senior Secured Notes plus accrued and unpaid interest to the redemption date. At any time prior to August 15, 2022, Clear Channel Outdoor Holdings may elect to redeem up to 40% of the aggregate principal amount of the Senior Secured Notes at a redemption price equal to 105.125% of the aggregate principal amount thereof, plus accrued and unpaid interest to the redemption date, with the net proceeds of one or more equity offerings.

The indenture governing the Senior Secured Notes contains covenants that limit the ability of Clear Channel Outdoor Holdings and its restricted subsidiaries to, among other things:

- incur or guarantee additional debt or issue certain preferred stock;
- pay dividends, redeem or purchase capital stock or make any other restricted payments;
- redeem, repurchase or retire subordinated debt;
- make certain investments;
- create liens on the assets of Clear Channel Outdoor Holdings or its restricted subsidiaries to secure debt;
- create restrictions on the payment of dividends or other amounts to Clear Channel Outdoor Holdings from its restricted subsidiaries that are not guarantors of the notes;

- sell certain assets, including capital stock of Clear Channel Outdoor Holdings' subsidiaries;
- alter the business that Clear Channel Outdoor Holdings or its restricted subsidiaries conduct; and
- designate Clear Channel Outdoor Holdings' subsidiaries as unrestricted subsidiaries.

The indenture governing the Senior Secured Notes restricts the ability of Clear Channel Outdoor Holdings to incur additional indebtedness but permits it to incur additional indebtedness based on an incurrence test. In order to incur additional indebtedness under this test, its consolidated leverage ratio (as defined in the indenture) must be lower than 7.0:1.0 and its fixed charge coverage ratio must be at least 2.0:1.0. The indenture contains certain other exceptions that allow Clear Channel Outdoor Holdings to incur additional indebtedness and pay dividends.

MATERIAL UNITED STATES FEDERAL INCOME TAX CONSIDERATIONS

The following discussion is a summary of material U.S. federal income tax consequences of the exchange offer to holders of original notes, but is not a complete analysis of all potential tax effects. The summary below is based upon the Internal Revenue Code of 1986, as amended (the "Code"), regulations of the Treasury Department, administrative rulings and pronouncements of the Internal Revenue Service and judicial decisions, all of which are subject to change, possibly with retroactive effect, or to differing interpretations. This summary does not address all of the U.S. federal income tax consequences that may be applicable to particular holders, including dealers in securities, financial institutions, insurance companies and tax-exempt organizations. In addition, this summary does not consider the effect of any foreign, state, local, gift, estate or other tax laws that may be applicable to a particular holder. This summary applies only to a holder that acquired original notes at original issue for cash and holds such original notes as "capital assets" within the meaning of Section 1221 of the Code.

An exchange of original notes for exchange notes pursuant to the exchange offer will not be treated as a taxable exchange or other taxable event for U.S. federal income tax purposes. Accordingly, there will be no U.S. federal income tax consequences to holders who exchange their original notes for exchange notes in connection with the exchange offer and any such holder will have the same adjusted tax basis and holding period in the exchange notes as it had in the original notes immediately before the exchange. Holders who do not exchange their original notes for exchange notes pursuant to the exchange offer will not recognize any gain or loss, for U.S. federal income tax purposes, upon consummation of the exchange offer.

The foregoing discussion of material U.S. federal income tax consequences does not consider the facts and circumstances of any particular holder's situation or status. **Accordingly, each holder of original notes considering the exchange offer should consult its own tax advisor regarding the tax consequences of the exchange offer to it, including those under state, foreign and other tax laws.**

PLAN OF DISTRIBUTION

Based upon interpretations by the staff of the SEC set forth inno-action letters issued to third parties, we believe that a holder of original notes who exchanges original notes for exchange notes in the exchange offer generally may offer such exchange notes for resale, sell the exchange notes and otherwise transfer the exchange notes without further registration under the Securities Act and without delivery of a prospectus that satisfies the requirements of Section 10 of the Securities Act. This does not apply, however, to a holder who is our "affiliate" within the meaning of Rule 405 of the Securities Act. We also believe that a holder may offer, sell or transfer the exchange notes only if the holder acknowledges that the holder is acquiring the exchange notes in the ordinary course of its business and is not participating, does not intend to participate and has no arrangement or understanding with any person to participate in a distribution of the exchange notes.

Any broker-dealer who holds original notes that were acquired for its own account as a result of market-making activities or other trading activities may exchange such original notes pursuant to the exchange offer; however, such broker-dealer may be deemed to be an "underwriter" within the meaning of the Securities Act and must, therefore, deliver a prospectus in connection with any resales of the exchange notes received by such broker-dealer in the exchange offer. Accordingly, each broker-dealer that receives exchange notes for its own account pursuant to the exchange offer must acknowledge that it will deliver a prospectus in connection with any resale of such exchange notes. This prospectus, as it may be amended or supplemented from time to time, may be used by a broker-dealer in connection with resales of exchange notes received in exchange for original notes where such original notes were acquired as a result of market-making activities or other trading activities. We have agreed that, for a period ending on the earlier of (a) 180 days after the exchange offer has been completed and (b) the date on which a broker-dealer no longer owns original notes (the "Prospectus Delivery Period"), we will make this prospectus, as amended or supplemented, available to any broker-dealer for use in connection with any such resale. In addition, during the Prospectus Delivery Period, all dealers effecting transactions in the exchange notes may be required to deliver a prospectus.

We will not receive any proceeds from any sale of exchange notes by broker-dealers. Exchange notes received by broker-dealers for their own account pursuant to the exchange offer may be sold from time to time in one or more transactions in the over-the-counter market, in negotiated transactions, through the writing of options on the exchange notes or a combination of such methods of resale, at market prices prevailing at the time of resale, at prices related to such prevailing market prices or negotiated prices. Any such resale may be made directly to purchasers or to or through brokers or dealers who may receive compensation in the form of commissions or concessions from any such broker-dealer or the purchasers of any such exchange notes. Any broker-dealer that resells exchange notes that were received by it for its own account pursuant to the exchange offer and any broker or dealer that participates in a distribution of such exchange notes may be deemed to be an "underwriter" within the meaning of the Securities Act and any profit on any such resale of exchange notes and any commission or concessions received by any such persons may be deemed to be underwriting compensation under the Securities Act. The letter of transmittal states that, by acknowledging that it will deliver and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an "underwriter" within the meaning of the Securities Act.

During the Prospectus Delivery Period, we will promptly send additional copies of this prospectus and any amendment or supplement to this prospectus to any broker-dealer that requests such documents in the letter of transmittal. We have agreed to pay all expenses incident to the exchange offer (including the expenses of one counsel for the holders of the original notes) and will indemnify the holders of the original notes against certain liabilities, including liabilities under the Securities Act.

We will not receive any proceeds from the issuance of exchange notes in exchange for the original notes. Notwithstanding the foregoing, we may suspend use of this prospectus by broker-dealers under specified instances. For example, we may suspend the use of this prospectus if:

- the SEC or any state securities authority requests an amendment or supplement to this prospectus or the related registration statement or requests additional information;

- the SEC or any state securities authority issues any stop order suspending the effectiveness of the registration statement or initiates proceedings for that purpose;
- we receive notification of the suspension of the qualification of the exchange notes for sale in any jurisdiction or the initiation or threatening of any proceeding for that purpose; or
- an event occurs that requires the making of any changes in such registration statement in order to make the statements therein not misleading.

BOOK-ENTRY; DELIVERY AND FORM

Except as set forth below, the exchange notes will be issued initially only in the form of one or more global notes (collectively, the "Global Notes").

The Global Notes will be deposited upon issuance with the trustee as custodian for DTC, and registered in the name of DTC's nominee, Cede & Co., in each case for credit to an account of a direct or indirect participant in DTC as described below.

Except as set forth below, the Global Notes may be transferred, in whole but not in part, only to another nominee of DTC or to a successor of DTC or its nominee. Beneficial interests in the Global Notes may not be exchanged for notes in registered, certificated form ("Certificated Notes") except in the limited circumstances described below. See "—Exchange of Global Notes for Certificated Notes." In addition, transfers of beneficial interests in the Global Notes will be subject to the applicable rules and procedures of DTC and its direct or indirect participants (including, if applicable, those of Euroclear and Clearstream), which may change from time to time.

Exchange of Global Notes for Certificated Notes

A Global Note is exchangeable for Certificated Notes in minimum denominations of $2,000 and in integral multiples of $1,000 in excess thereof, if:

(1) DTC (a) notifies us that it is unwilling or unable to continue as depositary for the Global Note or (b) has ceased to be a clearing agency registered under the Exchange Act and, in either event, we fail to appoint a successor depositary within 90 days;

(2) we, at our option, notify the trustee in writing that we elect to cause the issuance of the Certificated Notes; or

(3) there has occurred and is continuing an event of default and DTC notifies the trustee of its decision to exchange the Global Note for Certificated Notes.

Beneficial interests in a Global Note may also be exchanged for Certificated Notes in the other limited circumstances permitted by the indenture, including if an affiliate of the company acquires such interests. In all cases, Certificated Notes delivered in exchange for any Global Note or beneficial interests in Global Notes will be registered in the names, and issued in any approved denominations, requested by or on behalf of the depositary (in accordance with its customary procedures).

Exchange of Certificated Notes for Global Notes

Certificated Notes may not be exchanged for beneficial interests in any Global Note, except in the limited circumstances provided in the indenture.

Item 20. Indemnification of Directors and Officers

Nevada

Clear Channel Worldwide Holdings, Inc. and Outdoor Management Services, Inc. are each incorporated under the laws of the State of Nevada.

Section 78.7502 of the Nevada Revised Statutes, as the same exists or may hereafter be amended (the "NRS"), permits a corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, except an action by or in the right of the corporation, by reason of the fact that he or she is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with the action, suit or proceeding if he or she:

(a) is not liable for a breach of his or her fiduciary duties as a director or officer involving intentional misconduct, fraud or a knowing violation of law; or

(b) acted in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful.

To the extent that a director, officer, employee or agent of a corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to above, or in defense of any claim, issue or matter therein, the corporation is required to indemnify him or her against expenses, including attorneys' fees, actually and reasonably incurred by him or her in connection with the defense.

Section 78.752 of the NRS allows a corporation to purchase and maintain insurance or make other financial arrangements on behalf of any person who is or was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise for any liability asserted against him or her and liability and expenses incurred by him or her in his or her capacity as a director, officer, employee or agent, or arising out of his or her status as such, whether or not the corporation has the authority to indemnify him or her against such liability and expenses.

No financial arrangement made pursuant to Section 78.752 may provide protection for a person adjudged by a court of competent jurisdiction, after exhaustion of all appeals, to be liable for intentional misconduct, fraud or a knowing violation of law, except with respect to the advancement of expenses or indemnification ordered by a court.

The by-laws for each of Clear Channel Worldwide Holdings, Inc. and Outdoor Management Services, Inc. provide for the indemnification of all current and former directors and officers to the fullest extent permitted by law.

Section 145 of the Delaware General Corporation Law (the "DGCL") authorizes a corporation, under certain circumstances, to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation), by reason of the fact that the person is or was a director, officer, employee or agent of such corporation, or is or was serving at the request of that corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation. Section 102(b)(7) of the DGCL provides that a certificate of incorporation may contain a provision eliminating or limiting the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, provided that such provision shall not eliminate or limit the liability of a director (a) for any breach of the director's duty of loyalty to the corporation or its stockholders, (b) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (c) under Section 174 of the DGCL (relating to liability for unauthorized acquisitions or redemptions of, or dividends on, capital stock) or (d) for any transaction from which the director derived improper personal benefit.

Section 18-108 of the Delaware Limited Liability Company Act provides that a limited liability company may, and shall have the power to, indemnify and hold harmless any member or manager or other person from and against any and all claims and demands whatsoever.

The certificate of incorporation of each of Clear Channel Adshel, Inc., Clear Channel Outdoor Holdings Company Canada and Clear Channel Outdoor Holdings, Inc. provides for the indemnification of all current and former directors and officers to the fullest extent of the DGCL.

The limited liability company agreement of each of 1567 Media LLC, CCOI Holdco III, LLC, CCOI Holdco Parent I, LLC, CCOI Holdco Parent II, LLC, Clear Channel Electrical Services, LLC, Clear Channel IP, LLC, Clear Channel Metra, LLC, Clear Channel Outdoor, LLC and Clear Channel Spectacolor, LLC provides for the indemnification of all members and any director, officer, partner, stockholder, controlling person or employee of any member to the fullest extent of the Delaware Limited Liability Company Act.

Clear Channel Outdoor Holdings, Inc. has entered into an indemnification agreement with each of its directors. It expects to also enter into indemnification agreements with its future directors. Subject to certain limitations, the indemnification agreements provide that Clear Channel Outdoor Holdings, Inc. will indemnify and hold harmless each director (each, an "Indemnified Party") to the fullest extent permitted by applicable law from and against all losses, costs, liabilities, judgments, penalties, fines, expenses and other charges that may result or arise in connection with such Indemnified Party serving in his or her capacity as a director or officer of Clear Channel Outdoor Holdings, Inc. or serving at the request of Clear Channel Outdoor Holdings, Inc. as a director, officer, employee, fiduciary or agent of Clear Channel Outdoor Holdings, Inc. or its subsidiaries (the "Corporate Status") (other than any proceeding brought by the Indemnified Party). The indemnification

agreements further provide that, upon an Indemnified Party's request, Clear Channel Outdoor Holdings, Inc. will, to the fullest extent permitted by law, advance to, reimburse or pay on behalf of the Indemnified Party all expenses paid or incurred by the Indemnified Party in connection with any proceeding in which the Indemnified Party participates by reason of the Indemnified Party's Corporate Status. Pursuant to the indemnification agreements, an Indemnified Party is presumed to be entitled to indemnification and Clear Channel Outdoor Holdings, Inc. has the burden of proving otherwise.

The indemnification agreements also require to maintain in full force and effect directors' liability insurance on the terms described in the indemnification agreements. If indemnification under the indemnification agreements is unavailable to an Indemnified Party for any reason, Clear Channel Outdoor Holdings, Inc., in lieu of indemnifying the Indemnified Party, will contribute to any amounts incurred by the Indemnified Party in connection with any claim relating to an indemnifiable event in such proportion as is deemed fair and reasonable in light of all the circumstances to reflect the relative benefits received or relative fault of the parties in connection with such event. In addition, from time to time, Clear Channel Outdoor Holdings, Inc. has entered into and may enter into indemnification agreements and executive employment agreements containing indemnification provisions, and other agreements containing indemnification provisions with its senior officers. Such agreements and provisions generally provide, or will provide, that such persons are to be indemnified and held harmless to the fullest extent authorized by Delaware law. Clear Channel Outdoor Holdings, Inc. also has purchased directors' and officers' liability insurance covering certain liabilities that may be incurred by its directors and officers in connection with the performance of their duties.

The foregoing is only a general summary of certain aspects of Delaware law and the certificates of incorporation, limited liability company agreements, indemnification agreements and other agreements dealing with the indemnification of directors and officers, and does not purport to be complete. It is qualified in its entirety by reference to the detailed provisions of the DGCL and the certificates of incorporation, limited liability company agreements, indemnification agreements, executive employment agreements and other agreements containing indemnification provisions with Clear Channel Outdoor Holdings, Inc.'s senior officers.

Florida

Exceptional Outdoor, Inc. and Get Outdoors Florida, LLC are each incorporated or organized under the laws of the State of Florida.

Section 607.0850 of the Florida Business Corporation Act ("FBCA") permits, in general, a Florida corporation to indemnify any person who was or is a party to any proceeding (other than an action by, or in the right of, the corporation) by reason of the fact that he or she is or was a director or officer of the corporation, or served another entity in any capacity at the request of the corporation, against liability incurred in connection with such proceeding, including any appeal thereof, if such person acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interest of the corporation and, in criminal actions or proceedings, additionally had no reasonable cause to believe that his or her conduct was unlawful. In actions brought by or in the right of the corporation, a corporation may indemnify such person against expenses and amounts paid in settlement not exceeding, in the judgment of the board of directors, the estimated expense of litigating the proceeding to conclusion, actually and reasonably incurred by such person in connection with the defense or settlement of such proceeding, including any appeal thereof, if such person acted in good faith and in a manner that person reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification may be made in respect of any claim, issue or matter as to which that person shall have been adjudged to be liable to the corporation unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expenses which the court shall deem proper. Section 607.0850(6) of the FBCA permits the corporation to pay such costs or expenses in advance of a final disposition of such action or proceeding upon receipt of an undertaking by or on behalf of the director or officer to repay such amount if he or she is ultimately found not to be entitled to

indemnification under the FBCA. Section 607.0850 of the FBCA provides that the indemnification and advancement of expense provisions contained in the FBCA shall not be deemed exclusive of any rights to which a director or officer seeking indemnification or advancement of expenses may be entitled.

Section 605.0408(2) of the Revised Florida Limited Liability Company Act (the "RFLLCA") provides that a limited liability company may indemnify and hold harmless a person with respect to a claim or demand against the person and a debt, obligation, or other liability incurred by the person by reason of the person's former or present capacity as a member or manager if the claim, demand, debt, obligation, or other liability does not arise from the person's breach of Section 605.0405, Section 605.0407, Section 605.04071, Section 605.04072, Section 605.04073, Section 605.04074 or Section 605.04091 of the RFLLCA. Section 605.0408(3) of the RFLLCA provides that a limited liability company may, in the ordinary course of its activities and affairs, advance reasonable expenses, including attorney fees and costs, incurred by a person in connection with a claim or demand against the person by reason of the person's former or present capacity as a member or manager if the person promises to repay the company in the event that the person ultimately is determined not to be entitled to be indemnified under Section 605.0408(2) of the RFLLCA.

The certificate of incorporation of Exceptional Outdoor, Inc. provides for the indemnification of any officer or director to the full extent permitted by the FBCA.

The limited liability company agreement of Get Outdoors Florida, LLC does not specify the extent to which the limited liability company may indemnify its members or managers.

Illinois

Universal Outdoor, Inc. is incorporated under the laws of the state of Illinois.

Under Section 8.75 of the Illinois Business Corporation Act of 1983 (the "ILBCA"), a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that he or she is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding (i) if such person acted in good faith and in a manner that person reasonably believed to be in or not opposed to the best interests of the corporation and (ii) with respect to any criminal action or proceeding, if he or she had no reasonable cause to believe such conduct was unlawful. In actions brought by or in the right of the corporation, a corporation may indemnify such person against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit if such person acted in good faith and in a manner that person reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification may be made in respect of any claim, issue or matter as to which that person shall have been adjudged to be liable to the corporation unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expenses which the court shall deem proper.

To the extent that such person has been successful on the merits or otherwise in defending any such action, suit or proceeding referred to above or any claim, issue or matter therein, he or she is entitled to indemnification for expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith, if such person acted in good faith and in a manner that person reasonably believed to be in or not opposed to the best interests of the corporation.

Section 8.75(f) of the ILBCA further provides that the indemnification and advancement of expenses provided by or granted under Section 8.75 shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors, or otherwise, both as to action in his or her official capacity and as to action in another capacity while holding such office. In addition, a corporation may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or who is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against such person and incurred by such person in any such capacity, or arising out of his or her status as such, whether or not the corporation would have the power to indemnify such person against such liability under the provisions of this Section.

The second amended and restated bylaws (the "Bylaws") of Universal Outdoor, Inc. state that the corporation shall have power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or who is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The Bylaws state further that the corporation shall have the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of his or her duty to the corporation unless and only to the extent that the court in which such action or suit was brought shall determine upon application that despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper.

In addition, the Bylaws state that, to the extent that a director, officer, employee or agent of a corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in the immediately preceding paragraph, or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith.

Any indemnification under the Bylaws (unless ordered by a court) shall be made by the corporation only as authorized in the specific case upon a determination that indemnification of the director, officer, employee or agent is proper in the circumstances because such person has met the applicable standard of conduct set forth above.

The indemnification provided for in the Bylaws shall not be deemed exclusive of any other rights to which those indemnified may be entitled under any contract, agreement, vote of shareholders or disinterested directors or otherwise.

The Bylaws provide that the corporation has the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request

of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against him or her and incurred by him or her in any such capacity or arising out of his or her status as such, regardless as to whether the corporation would have the power to indemnify him or her.

Pennsylvania

IN-TER-SPACE Services, Inc. is incorporated under the laws of the Commonwealth of Pennsylvania.

Section 1741 of the Pennsylvania Business Corporation Law of 1988, as the same exists or may hereafter be amended (the "Business Corporation Law"), provides that a business corporation may indemnify directors and officers against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by them in connection with any threatened, pending or completed action or proceeding (other than an action by or in the right of the corporation), provided that the person in question acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the corporation and, with respect to any criminal proceeding, had no reasonable cause to believe his or her conduct was unlawful. Section 1742 provides that a business corporation may indemnify its directors and officers solely against expenses (including attorneys' fees) if the action or proceeding is by or in the right of the corporation. In addition, Section 1742 states that indemnification shall not be made if the person has been adjudged to be liable to the corporation unless and only to the extent it is judicially determined upon application that, despite the adjudication of liability but in view of all of the circumstances of the case, the person is fairly and reasonably entitled to indemnification for certain expenses. Section 1743 requires a corporation to indemnify its directors and officers against expenses they may incur in defending actions against them in such capacities if they are successful on the merits or otherwise in defense of such actions.

Section 1746 of the Business Corporation Law grants a corporation broad authority to indemnify its directors, officers and other agents for liabilities and expenses incurred in such capacity, except in circumstances where the act or failure to act giving rise to the claim for indemnification is determined by a court to have constituted willful misconduct or recklessness.

The by-laws for IN-TER-SPACE Services, Inc. provide that any person that is or was a director or officer of the corporation shall be indemnified against the reasonable expenses, including attorneys' fees, actually and necessarily incurred by him or her in connection with the defense of such action, suit or proceeding, or in connection with any appeal therein, except in relation to matters as to which it shall be adjudged in such action, suit or proceeding, or in connection with any appeal therein, that such officer or director is liable for negligence or misconduct in the performance of his or her duties. The foregoing right of indemnification shall not be deemed exclusive of any other rights to which any officer or director may be entitled. The amount of indemnity to which any officer or any director may be entitled shall be fixed by the Board of Directors, except that in any case where there is no disinterested majority of the Board available, the amount shall be fixed by arbitration pursuant to the then-existing rules of the American Arbitration Association.

Item 21. Exhibits and Financial Statement Schedules

The exhibits to this registration statement are listed on the Exhibit Index to this registration statement, which Exhibit Index is hereby incorporated by reference.

Item 22. Undertakings

The undersigned registrants hereby undertake as follows:

(1) To file, during any period in which offers or sales are being made; a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrants pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(l)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof *provided, however,* that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrants under the Securities Act of 1933 to any purchaser in the initial distribution of the securities: The undersigned registrants undertake that in a primary offering of securities of the undersigned registrants pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrants will be sellers to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrants relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrants or used or referred to by the undersigned registrants;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrants or their securities provided by or on behalf of the undersigned registrants; and

(iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

(6) For the purpose of determining any liability under the Securities Act of 1933, each filing of the registrants' annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(7) To respond to requests for information that is incorporated by reference into the prospectus pursuant to Item 4, 10(b), 11, or 13 of this form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

(8) To supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrants in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrants will, unless in the opinion of their counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

18. Governing Law. This Agreement shall be governed by, and interpreted and construed in accordance with, the laws of the State of Delaware, without regard to conflicts of laws or choice of law rules or provisions.

(c) The indemnification provided by this Section 16 shall be in addition to any other rights to which an Indemnified Person may be entitled under any agreement, as a matter of law or equity or otherwise, and shall inure to the benefit of the heirs, successors, assigns and administrators of each Indemnified Person.

(b) A majority of the Managers shall make all decisions and take all actions for the Company not otherwise provided for in this Agreement.

6. Officers. The Managers may designate one or more persons to be officers of the Company. A Manager may hold one or more offices. No officer need be a resident of the State of Delaware or a Member of the Company. An officer is not a "manager" as that term is used in the Act. The Managers may designate additional officers, such as vice presidents, assistant secretaries and an assistant treasurer. Any officers designated by the Managers shall have such authority and perform such duties as the Managers may delegate to them. Unless the Managers decide otherwise, if the title is one commonly used for officers of a business

corporation formed under the Act, the assignment of such title shall constitute the delegation to such officer of the authority and duties that are normally associated with that office, subject to any specific delegation of authority and duties made to such officer by the Managers pursuant hereto. Each officer shall hold office until such officer's death or until such officer shall resign or shall have been removed in the manner hereinafter provided. Any number of offices may be held by the same person. The salaries and other compensation, if any, of the officers and agents of the Company shall be fixed by the Managers. Any officer may resign as such at any time. Designation of an officer shall not of itself create contract rights. Any vacancy occurring in any office may be filled by the Managers.

7. Indemnification.

(a) To the fullest extent permitted by the Act, as the same now exists or may hereafter be amended, substituted or replaced (but, in the case of any such amendment, substitution or replacement only to the extent that such amendment, substitution or replacement permits the Company to provide broader indemnification rights than the Act permitted the Company to provide prior to such amendment, substitution or replacement), the Company shall indemnify, hold harmless, defend, pay and reimburse any Manager or officer against any and all losses, claims, damages, judgments, fines or liabilities, including reasonable legal fees or other expenses incurred in investigating or defending against such losses, claims, damages, judgments, fines or liabilities, and any amounts expended in settlement of any claims (collectively,"***Losses***") to which such Manager or officer may become subject by reason of:

(i) Any act or omission or alleged act or omission performed or omitted to be performed on behalf of the Company, the Member or any direct or indirect subsidiary of the foregoing in connection with the business of the Company; or

(ii) The fact that such Manager or officer is or was acting in connection with the business of the Company as a partner, member, stockholder, controlling affiliate, manager, director, officer, employee or agent of the Company, the Member, or any of their respective controlling affiliates, or that such Manager or officer is or was serving at the request of the Company as a partner, member, manager, director, officer, employee or agent of any person including the Company or any Company subsidiary;

provided, that (x) such Manager or officer acted in good faith and in a manner believed by such Manager or officer to be in, or not opposed to, the best interests of the Company and, with respect to any criminal proceeding, had no reasonable cause to believe his conduct was unlawful, and (y) such Manager or officer's conduct did not constitute fraud, gross negligence or willful misconduct, in either case as determined by a final, nonappealable order of a court of competent jurisdiction. In connection with the foregoing, the termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of *nolo contendere* or its equivalent, shall not, of itself, create a presumption that the Manager or officer did not act in good faith or, with respect to any criminal proceeding, had reasonable cause to believe that such Manager or officer's conduct was unlawful, or that the Manager or officer's conduct constituted fraud, gross negligence or wilful misconduct.

(b) The right to indemnification under this section shall be a contract right and shall not be deemed exclusive of any other right to which those seeking indemnification may be entitled under this Agreement or any law, agreement, vote of members or disinterested managers or otherwise, both as to action in his or her official capacity and as to action in another capacity while holding such office.

8. Winding Up. The Company shall be wound up at such time, if any, as the Member may elect or as otherwise required by the Act. No other event will cause the Company to be wound up.

9. Amendment. Amendments to this Agreement shall be adopted and become effective only if approved in writing and signed by the Member.

10. Entire Agreement. This Agreement contains the entire agreement among the parties with respect to its subject matter and shall bind and inure to the benefit of the parties and their respective heirs, personal representatives, successors and assigns, except as otherwise set forth herein.

11. Governing Law. THIS AGREEMENT IS GOVERNED BY AND SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE (EXCLUDING ITS CONFLICT-OF-LAWS RULES).

No Member shall be required to contribute to the capital of, or to loan, the Company any funds after the initial Capital Contribution as set forth in Section 3.1.

3.5 Issuance of Additional Common Units. In connection with the admission of a new Member or an additional Capital Contribution made by a current Member, the Manager is authorized to cause the Company to issue additional Common Units at any time from time-to-time to Members or to Persons who will become Members for such consideration and on such terms and conditions as shall be established by the Manager, including issuances which may dilute or otherwise affect the ownership interests of the Members holding Common Units. However, no Person who is not already a Member shall be admitted as a Member until he, she, or it furnishes to the Manager (a) acceptance, in form satisfactory to the Manager, of all the terms and conditions of this Agreement, and (b) such other documents as the Manager shall reasonably require. Such admission shall become effective on the date that the Manager reasonably determines that such conditions have been satisfied.

ARTICLE IV
ALLOCATIONS OF PROFITS AND LOSSES; DISTRIBUTIONS

4.1 Distributions of Distributable Cash. The Manager shall cause the Company to make distributions of Distributable Cash, to the extent available, at least once a year within a reasonable time after the end of each fiscal year of the Company in the following manner:

(a) First, to the Preferred Unit Holders in proportion to the unpaid Preferred Return due each of them until the total distributions received by the Preferred Unit Holders under this Section 4.1(a) for the current and all prior periods equal their respective Preferred Returns for the current and all prior periods.

(b) Second, to the Common Unit Holders pro rata in accordance with the number of Units held by each Common Unit Holder.

4.2 Allocation of Profits and Losses. After taking into account the special allocations set forth in this Article IV, Profits and Losses for each fiscal year (or portion thereof), shall be allocated among the Common Unit Holders in the following manner and in the following order of priority:

(a) Profits. Profits shall be allocated as follows:

(1) First, to the Common Unit Holders who have been allocated Losses pursuant toSection 4.2(b)(2) in proportion to those Losses until the cumulative amount of Profits allocated to each respective Common Unit Holder pursuant to this Section 4.2(a)(l) for the current and all prior periods equals the cumulative amount of Losses allocated to each respective Common Unit Holder pursuant to Section 4.2(b)(2) for all prior periods.

(2) Second, to the Common Unit Holders who have been allocated Losses pursuant toSection 4.2(b)(l) in proportion to those Losses until the cumulative amount of Profits allocated to each respective Common Unit Holder pursuant to this Section 4.2(a)(2) for the current and all prior periods equals the cumulative amount of Losses allocated to each respective Common Unit Holder pursuant to Section 4.3(b)(l) for all prior periods.

(3) Thereafter, to the Common Unit Holders pro rata in accordance with the number of Common Units held by each respective Common Unit Holder.

(b) Losses. Losses shall be allocated as follows:

(1) First, to the Common Unit Holders pro rata in accordance with the number of Common Units held by each respective Common Unit Holder;

(2) However, the Losses allocated pursuant to Section 4.2(b)(1) shall not exceed the maximum amount of Losses that can be so allocated without causing any Common Unit Holder to have a negative balance in its Adjusted Capital Account as of the end of any relevant fiscal year. In the event some but not all of the Common Unit Holders would have negative balances in their respective Adjusted Capital Accounts as a consequence of an allocation of Losses pursuant to Section 4.2(b)(1). the limitation set forth in this Section 4.2(b)(2) shall be applied on a Common Unit Holder by Common Unit Holder basis and Losses not allocable to any Common Unit Holder as a result of such limitation shall be allocated to the other Common Unit Holders in proportion to, and to the extent of, the positive balances in their respective Adjusted Capital Accounts so as to allocate the maximum permissible Losses to each Common Unit Holder under Regulation Section 1.704-1(b)(2)(ii)(d);

4.3 Special Allocations. If the requisite stated conditions or facts are present, the following special allocations shall be made in the following order:

(a) Company Minimum Gain Chargeback. Notwithstanding the other provisions of this Article IV, except as provided in Regulations Sections 1.704-2(f), if there is a net decrease in Company Minimum Gain (as determined under Regulations Section1.704-2(d)) during any Company taxable period, each Unit Holder shall be allocated items of Company income and gain for such period (and, if necessary, subsequent periods) in the manner and amounts provided in Regulations Sections 1.704-2(f)(6), 1.704-2(g)(2) and 1.704-2(j)(2)(i), or any successor provisions. This Section 4.3(a) is intended to comply with the minimum gain chargeback requirement in Section 1.704-2(f) of the Regulations and shall be interpreted consistently therewith.

(b) Member Minimum Gain Chargeback. Notwithstanding the other provisions of this Article IV, except as provided in Regulations Section 1.704-2(i)(4), if there is a net decrease in minimum gain attributable to Member Nonrecourse Debt (as determined under Regulation Section 1.704-2(i)(3)) during any Company taxable period, any Unit Holder with a share of minimum gain attributable to Member Nonrecourse Debt at the beginning of such taxable period shall be allocated items of Company income and gain for such period (and if necessary, subsequent periods) in the manner and amounts provided in Regulations Sections 1.704-2(i)(4) and 1.704-2(j)(2), or any successor provisions. This Section 4.3(b) is intended to comply with the minimum gain chargeback requirement in Section 1.704-2(i)(4) of the Regulations and shall be interpreted consistently therewith.

(c) Qualified Income Offset. If a Unit Holder unexpectedly receives any adjustments, allocations or distributions described in sections 1.704-1(b)(2)(ii)(d)(4), 1.704-1(b)(2)(ii)(d)(5), or 1.704-1(b)(2)(ii)(d)(6) of the Regulations, then items of Company income and gain shall be specially allocated to each such Unit Holder in an amount and manner sufficient to eliminate, to the extent required by the Regulations, the deficit balance in the Adjusted Capital Account of the Unit Holder as quickly as possible, provided that an allocation pursuant to this Section 4.4(c) shall be made if and only to the extent that the Unit Holder would have a deficit balance in its Adjusted Capital Account after all other allocations provided for in this Article IV have been tentatively made without considering this Section 4.3(c).

(d) Gross Income Allocation. If a Unit Holder has a deficit Capital Account at the end of any Company fiscal year that exceeds the sum of (i) the amount the Unit Holder is obligated to restore, and (ii) the amount the Unit Holder is deemed to be obligated to restore pursuant to the penultimate sentences of sections 1.704-2(g)(1) and 1.704-2(i)(5) of the Regulations, then each such Unit Holder shall be specially allocated items of Company income and gain in the amount of the excess as quickly as possible, provided that an allocation pursuant to this Section 4.4(d) shall be made if and only to the extent that the Unit Holder would have a deficit Capital Account in excess of that sum after all other allocations provided for in this Article IV have been tentatively made without considering this Section 4.3(d).

(e) Member Nonrecourse Deductions. Any Member Nonrecourse Deductions for any fiscal year or other period shall be specially allocated to the Unit Holder who bears the economic risk of loss with respect to the Member Nonrecourse Debt to which such Member Nonrecourse Deductions are attributable in accordance with Regulations Section 1.704-2(i)(1).

(f) Nonrecourse Deductions. Nonrecourse Deductions for any fiscal year or other period shall be allocated pro rata among the Common Unit Holders based upon the relative number of Common Units held by each Common Unit Holder.

(g) Section 754 Adjustments. To the extent an adjustment to the adjusted tax basis of any Company asset pursuant to Code Section 734(b) or Code Section 743(b) is required pursuant to Regulations Section 1.704-1(b)(2)(iv)(m)(2) or Regulations Section 1.704-1(b)(2)(iv)(m)(4) to be taken into account in determining Capital Accounts as the result of a distribution to a Unit Holder in complete liquidation of its Units, the amount of such adjustment to Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis) and such gain or loss shall be specially allocated among the Common Unit Holders, based upon the relative number of Common Units held by each Common Unit Holder, in the event Regulations Section 1.704-1(b)(2)(iv)(m)(2) applies, or to the Unit Holder to whom such distribution was made, in the event Regulations Section 1.704-1(b)(2)(iv)(m)(4) applies.

(h) Allocations Relating to Taxable Issuance of Units. Any income, gain, loss or deduction realized as a direct or indirect result of the issuance of a Unit by the Company to a Member (the ***"Issuance Items"***) shall be allocated among the Unit Holders so that, to the extent possible, the net amount of such Issuance Items, together with all other allocations under this Agreement to each Unit Holder, shall be equal to the net amount that would have been allocated to each such Unit Holder if the Issuance Items had not been realized.

4.4 Curative Allocations. The allocations set forth inSections 4.2(b)(2) and 4.3(a)-(g) (the ***"Regulatory Allocations"***) are intended to comply with certain requirements of the Regulations. It is the intent of the Members that, to the extent possible, all Regulatory Allocations shall be offset either with other Regulatory Allocations or with special allocations of other items of Company income, gain, loss or deduction pursuant to this Section 4.4. Therefore, notwithstanding any other provision of this Article IV (other than the Regulatory Allocations), the Manager shall make such offsetting special allocations of Company income, gain, loss or deduction in whatever manner it reasonably determines appropriate so that, after such offsetting allocations are made, each Unit Holder's Capital Account balance is, to the extent possible, equal to the Capital Account balance such Unit Holder would have had if the Regulatory Allocations were not part of the Agreement. In exercising its discretion under this Section 4.4, the Manager shall take into account future Regulatory Allocations under Sections 4.3(a) and 4.3(b) that, although not yet made, are likely to offset other Regulatory Allocations previously made under Sections 4.3(e) and 4.3(f).

4.5 Tax Allocations: Code Section 704(c). In accordance with Code sections 704(b) and (c) and the Regulations thereunder, income, gain, loss and deduction with respect to property actually or constructively contributed to the capital of the Company shall, solely for tax purposes, be allocated among the Unit Holders so as to take account of any variation at the time of the contribution between the adjusted basis of the property to the Company for federal income tax purposes and its Agreed Value. If the Agreed Value of a Company asset is adjusted in accordance with the Regulations, then as provided in the Regulations promulgated under Code Section 704(b), subsequent allocations of income, gain, loss and deduction with respect to that Company asset shall take account of any variation between the adjusted basis of that asset for federal income tax purposes and its adjusted value in the same manner as under Code section 704(c) and the Regulations thereunder. Any elections or other decisions relating to such allocations shall be made by the Manager, after consulting with the Members and the Company's accountant, in any manner that reasonably reflects the purposes and intent of this Agreement. Allocations of income, gain, loss and deduction pursuant to this Section 4.5 are solely for purposes of federal, state and local taxes and shall not affect, or in any way be taken into account in computing, any Unit Holder's Capital Account or share of Profits, Losses or other tax items or distributions pursuant to any provision of this Agreement.

4.6 Allocation Upon Transfer. If any Unit is transferred or any additional Units are issued during any fiscal year of the Company, each item of income, gain, loss, deduction, or credit of the Company for such fiscal year shall be assigned pro rata to each day in the particular period of such fiscal year to which such item is attributable (i.e., the day on or during which it is accrued or otherwise incurred) and the amount of each such item so assigned to any such day shall be allocated to the Unit Holders pro rata based upon the relative number of Units held by each Unit Holder at the close of such day. For the purpose of accounting convenience and simplicity, the Company shall treat a transfer of a Unit which occurs on or before the fifteenth (15th) day of a month as occurring on the first day of such month. Admissions of Members and transfers of Units occurring between the sixteenth (16th) day of the month and the last day of the month shall be treated as occurring on the first day of the succeeding month.

4.7 Agreement to Make Changes Required by Law. The Members acknowledge that Regulations issued under Code section 704(b) require that certain provisions be included in all partnership agreements as a condition to having the allocations of tax items set forth in the agreements respected for income tax purposes. The Members hereby adopt those provisions of the Regulations that are required to be included in a partnership agreement. The Members agree to exercise the utmost good faith in cooperating to amend this Agreement to effect changes recommended by the Company's professional tax advisers to cause compliance with those Regulations.

ARTICLE V
MANAGEMENT

5.1 Management of the Company. The powers of the Company shall be exercised by or under the authority of, and the business and affairs of the Company shall be managed under the direction of, the Manager. In addition to the powers and authorities expressly conferred by this Agreement upon the Manager, the Manager may exercise all such powers of the Company and do all such lawful acts and things as are provided by the Act, including, but not limited to, contracting for or incurring debts, liabilities and other obligations on behalf of the Company.

5.2 Number and Qualifications. The Company shall have one (1) Manager. The Manager of the Company need not be a Member of the Company. The initial Manager of the Company, who shall serve until its successor is elected, shall be Clear Channel Outdoor, Inc.

At the first annual meeting of the Members and at each annual meeting thereafter, the Common Unit Holders may elect one (1) Manager to hold office until the next succeeding annual meeting. Unless removed in accordance with this Agreement, the Manager shall hold office for the term for which it is elected and until its successor shall be elected and qualified.

5.5 Vacancy. Any vacancy occurring for any reason in the position of Manager shall be filled by the election of a new Manager by the Common Unit Holders. The Common Unit Holders shall promptly notify the other Members in writing of the identity of the removed Manager and of any newly appointed Manager. A Manager elected to fill a vacancy shall be elected for the unexpired term of the predecessor in office.

5.9 Regular Meetings of Manager. Regular meetings of the Manager may be held without notice at such time and place either within or without the State of Delaware as shall from time to time be determined by the Manager.

5.10 Special Meetings of Manager. Special meetings of the Manager may be called by the Manager on 24 hours notice, either personally or by mail, telephone or by telecopier. Notice of any special meeting of the Manager shall be given or delivered to each Common Unit Holder prior to the meeting.

5.11 Attendance and Waiver of Notice. Attendance of a Manager at any meeting shall constitute a waiver of notice of such meeting, except where a Manager attends a meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the Manager need be specified in the notice or waiver of notice of such meeting.

5.12 Compensation of Manager. Manager shall receive such compensation for its services as Manager as may be designated from time to time by the Manager and approved by a Majority Interest. In addition, the Manager shall be entitled to be reimbursed for reasonable out-of-pocket costs and expenses incurred in the course of its service hereunder, which in the aggregate do not exceed the aggregate amount of the management fee set forth in the 2007 Budget or the Annual Revised Budget, as the case may be, for such fiscal year (as such terms are defined below in Section 5.17).

5.13 Officers. The Manager may, from time to time, designate one or more officers of the Company. No officer need be a resident of the State of Delaware, a Member or a Manager. Any officers so designated shall have such authority and perform such duties as the Manager may, from time to time, delegate to them. The Manager may assign titles to particular officers. Unless the Manager decides otherwise, if the title is one commonly used for officers of a business corporation formed under the Act, the assignment of such title shall constitute the delegation to such officer of the authority and duties that are normally associated therewith. Each officer shall hold office until his or her successor shall be duly designated and shall qualify or until his or her death or earlier resignation or removal. Any number of offices may be held by the same individual.

5.14 Actions Without a Meeting and Telephone Meetings. Notwithstanding any provision contained in this Article V, all actions of the Manager provided for herein may be taken by written consent without a meeting, or any meeting thereof may be held by means of a conference telephone call. Any such action which may be taken by the Manager without a meeting shall be effective only if the written consent or consents are in writing, set forth the action so taken, and are signed by the Manager.

5.15 Failure to Observe Formalities. The failure of the Company to observe any formalities or requirements relating to the exercise of its power or management of it business or affairs under the Act or this Agreement shall not be grounds for imposing personal liability on the Manager or any Members for liabilities of the Company.

5.16 Certain Limitations on Manager. Notwithstanding anything to the contrary herein contained, and as a specific expressed limitation on the authority of the Manager, the Manager shall not do any of the following, without, in each instance, obtaining the unanimous approval of the Unit Holders:

(a) sell, transfer, convey, mortgage or encumber all or substantially all of the assets of the Company;

(b) amend this Agreement or the Certificate of Formation for the Company in manner that would adversely affect the rights of the Preferred Unit Holders;

(c) dissolve or wind-up the Company; or

(b) Each year, the Manager shall prepare a revised operating budget for the Company which forecasts the expense items for the Company over the entire remaining anticipated life of the Metra Agreement (the ***"Annual Revised Budget"***). This Annual Revised Budget shall be submitted to RAF for approval at least thirty (30) days prior to the commencement of the fiscal year.

(c) Other than with respect to the 2007 Budget, if RAF objects in writing to any material item in an Annual Revised Budget, the balance of such Annual Revised Budget shall be implemented, but the item of such Annual Revised Budget to which RAF has objected in writing shall not proceed. Any item of an Annual Revised Budget disputed by RAF shall revert to the budgeted amount in the applicable fiscal year for such matter as set forth in the immediately preceding Annual Revised Budget or the 2007 Budget, as the case may be, plus a rate of increase equal to the percentage change in the U.S. Consumer Price Index CPI-U, US City Average, as reported by the U.S. Department of Labor.

6.5 Quorum. A Majority Interest shall constitute a quorum at all meetings of the Members, except as otherwise provided by law or the Certificate of Formation. Once a quorum is present at the meeting of the Members, the subsequent withdrawal from the meeting of any Member prior to adjournment or the refusal of any Member to vote shall not affect the presence of a quorum at the meeting. If, however, such quorum shall not be present at any meeting of the Members, the Members entitled to vote at such meeting shall have the power to adjourn the meeting from time to time, without notice other than announcement at the meeting, until the holders of the requisite number and class of Units shall be present or represented.

Such list shall also be produced and kept open at the time and place of the meeting and shall be subject to inspection of any Member during the whole time of the meeting. However, failure to comply with the requirements of this Section shall not affect the validity of any action taken at such meeting.

6.8 Registered Members. The Company shall be entitled to treat the holder of record of any Units as the holder in fact of such Units for all purposes, and accordingly shall not be bound to recognize any equitable or other claim to or interest in such Units on the part of any other Person, whether or not it shall have express or other notice of such claim or interest, except as expressly provided by this Agreement or the laws of Delaware.

Any such action which may be taken .by the Members without a meeting in person or by conference call shall be effective only if the written consent or consents are in writing, set forth the action so taken, and are signed by the holder or holders of Common Units constituting not less than the minimum number of Common Units that would be necessary to take such action at a meeting at which the holders of all Common Units were present and voted. Prompt notice of the taking of any action by the Members without a meeting by less than unanimous written consent shall be given to those Members who did not consent in writing to the action.

ARTICLE VIII
TRANSFER OF UNITS

8.1 Restriction on Transfers.

(a) A Common Unit Holder may not sell, transfer, or encumber (or subject to any lien or security interest) (collectively ***"Transfer"***) its Units or any part thereof (including, but not limited to, his right to receive distributions pursuant to this Agreement), except as permitted in this Article VIII, and any purported Transfer in violation of this Article shall be null and void ab initio, and shall not operate to transfer any interest or title to the purported transferee.

(b) A Preferred Unit Holder may not Transfer its Units or any part thereof (including, but not limited to, his right to receive distributions pursuant to this Agreement), except as permitted in Section 8.8, and any purported Transfer in violation of this Article shall be null and void ab initio, and shall not operate to transfer any interest or title to the purported transferee.

8.2 Permitted Transfers. Subject to the conditions and restrictions set forth in Section 8.3 hereof, any Common Unit Holder may Transfer all or any portion of its Units (a) to any other Person, provided, however, that no Common Unit Holder may Transfer all or any portion of its Units at anytime during the period commencing upon the effective date of this Agreement and ending November 17, 2010 without the prior written Approval of all the Members, or (b) to any Purchaser in accordance with Section 8.4 hereof (all such Transfers shall be referred to in this Agreement as ***"Permitted Transfers"***).

8.3 Conditions to Permitted Transfers. A Transfer shall not be treated as a Permitted Transfer under Section 8.2 hereof unless and until all of the applicable following conditions are satisfied:

(a) The transferor and transferee shall execute and deliver to the Company such documents and instruments of conveyance as may be necessary or appropriate in the opinion of counsel to the Company to effect such Transfer and to confirm the agreement of the transferee to be bound by the provisions of this Article VIII. In all cases, the Company shall be reimbursed by the transferor and/or transferee for all costs and expenses that it reasonably incurs in connection with such Transfer.

(b) The transferor shall furnish to the Company an opinion of counsel, which counsel and opinion shall be reasonably satisfactory to the other Members, that the Transfer will not cause the Company to terminate for federal income tax purposes and that such Transfer will not cause any licenses or permits necessary to operate the business of the Company to be suspended, revoked or modified in a manner that is adverse to the Company.

(c) The transferor and transferee shall furnish the Company with the transferee's taxpayer identification number, sufficient information to determine the transferee's initial tax basis in the Units transferred, and any other information reasonably necessary to permit the Company to file all required federal and state tax returns and other legally required information statements or returns. Without limiting the generality of the foregoing, the Company shall not be required to make any distribution otherwise provided for in this Agreement with respect to any transferred Units until it has received such information.

(d) The transferor shall provide an opinion of counsel, which opinion and counsel shall be reasonably satisfactory to the other Members, to the effect that such Transfer is exempt from all applicable registration requirements and that such Transfer will not violate any applicable laws regulating the Transfer of securities.

(e) The transferor shall provide an opinion of counsel, which opinion of counsel shall be reasonably satisfactory to the other Members, to the effect that such Transfer will not cause the Company to be deemed to be an "investment company" under the Investment Company Act of 1940.

8.4 Prohibited Transfers. Any purported Transfer of Units that is not a Permitted Transfer shall be null and void and of no force or effect whatever; provided that, if the Company is required to recognize a Transfer that is not a Permitted Transfer (or if the Company, in its sole discretion, elects to recognize a Transfer that is not a Permitted Transfer), the Units transferred shall be strictly limited to the transferor's rights to allocations and distributions as provided by this Agreement with respect to the transferred Units, which allocations and distributions may be applied (without limiting any other legal or equitable rights of the Company) to satisfy any debts, obligations, or liabilities for damages that the transferor or transferee of such Units may have to the Company. In the case of a Transfer or attempted Transfer of Units that is not a Permitted Transfer, the parties engaging or attempting to engage in such Transfer shall be liable to indemnify and hold harmless the Company and the other Members from all cost, liability, and damage that any of such indemnified Members may incur (including, without limitation, incremental tax liabilities, lawyers' fees and expenses) as a result of such Transfer or attempted Transfer and efforts to enforce the indemnity granted hereby.

8.5 Rights of Unadmitted Assignees. A Person who acquires a Unit but who is not admitted as a Substituted Member pursuant to Section 8.7 hereof shall be entitled only to allocations and distributions with respect to such Unit in accordance with this Agreement, and shall have no right to any information or accounting of the affairs of the Company, shall not be entitled to inspect the books or records of the Company, and shall not have any of the rights of a Manager under the Act or this Agreement.

8.6 Admission of Substituted Members. Subject to the other provisions of this Article VIII, a transferee of a Common Unit may be admitted to the Company as a Substituted Member only upon the written Approval of the Members and the satisfaction of the following conditions:

(a) The transferee becomes a party to this Agreement as a Member and executes such documents and instruments as the Manager may reasonably request as may be necessary or appropriate to confirm such transferee as a Member in the Company and such transferee's agreement to be bound by the terms and conditions hereof;

(b) The transferee pays or reimburses the Company for all reasonable legal, filing, and publication costs that the Company incurs in connection with the admission of the transferee as a Member with respect to the Transferred Unit; and

(c) If the transferee is a partnership, limited liability company, or corporation, the transferee must provide the Company with evidence satisfactory to counsel for the Company that such transferee has the power and authority to be bound by the terms of this Agreement.

8.7 Representations Regarding Transfer. Each Member hereby represents and warrants to the Company and the Members that such Member's acquisition of Units hereunder is made as principal for such Member's own account and not for resale or distribution of such Units

8.8 Special Put Right. Beginning September 18, 2009 through November 17, 2010, RAF shall have the right to require CCO to acquire all of RAF's Preferred Units for a purchase price equal to one million dollars ($1,000,000.00). Notice of RAF's intention to exercise its right pursuant to this Section 8.8 must be delivered to CCO in accordance with Section 12.2 no later than 5:00pm Chicago time on October 18, 2010 (which is the date thirty (30) days in advance of the November 17, 2010 deadline). ARTICLE X

10.1 Dissolution.

(a) The Company shall be dissolved upon the first of the following to occur:

(i) Upon the election to dissolve the Company by the unanimous agreement of all the Members;

(ii) the sale of substantially all of the assets of the Company and conversion into cash of all proceeds thereof received in a non-cash form or medium; or

(b) Upon dissolution of the Company, the business and affairs of the Company shall terminate, and the assets of the Company shall be liquidated under this Article X.

(c) Dissolution of the Company shall be effective as of the day on which the event occurs giving rise to the dissolution, but the Company shall not terminate until there has been a winding up of the Company's business and affairs, and the assets of the Company have been distributed as provided in Section 10.2.

(d) Upon dissolution of the Company, the Manager, at the direction of the Members, may cause any part or all of the assets of the Company to be sold in such manner as the Manager shall determine in an effort to obtain the best prices for such assets; provided, however, that the Members may determine that the assets of the Company shall be distributed in kind to the Members to the extent practicable.

10.2 Distribution of Assets Upon Dissolution. In settling accounts after dissolution, the assets of the Company shall be paid in the following order:

(a) First, to creditors (which shall include a Member to the extent of any loan made by the Member to the Company) in the order of priority as provided by law; and

When all liabilities and obligations of the Company have been paid or discharged, or adequate provision has been made therefor, and all of the remaining property and assets of the Company have been distributed to the Members according to their respective rights and interests, the Certificate of Termination shall be executed on behalf of the Company by the Manager or an authorized Member and shall be filed with the Secretary of State of Delaware, and the Manager and Members shall execute, acknowledge and file any and all other instruments necessary or appropriate to reflect the dissolution and termination of the Company.

ARTICLE XI
COMPETITIVE ACTIVITIES; CONFIDENTIALITY

11.1 Non-Compete. Notwithstanding any sale by RAF of its Preferred Units, from the date hereof through and until the end of the contemplated full ten (10) year term of the Metra Agreement and a renewal period not to exceed an additional five (5) years, neither RAF nor any of its Affiliates, including, without limitation, Riley, shall directly or indirectly:

(a) own, acquire, promote, develop, operate or manage a business that, directly or indirectly, develops, sells, constructs, places, administers, operates or maintains advertising signs, billboards, posters or displays for or on behalf of Metra or that participates in any way in any Metra RFP;

(b) induce or attempt to induce any Person, wherever located, who is a customer, supplier, licensee, or business relation to the Company or Metra to cease doing business with the Company in connection with its agreement with Metra; or

(c) directly or indirectly, either for himself or any other Person, solicit the business of any Person, wherever located, who is a customer, supplier or client of the Company in connection with the Company's agreement with Metra and with whom the Person in question had contact for any reason, in person, in writing or telephonically, with respect to products or services which compete in whole or in part with the products or services rendered by the Company under the Metra Agreement.

Provided, however, that RAF shall not be restricted from undertaking the foregoing activities in the event that the Metra Agreement is terminated, prior to RAF's ability to exercise its Special Put Right set forth in Section 8.8, either by CCO or as a result of a judicially determined fault committed by CCO in breach of the terms of the Metra Agreement, provided, that to the extent CCO desires to challenge such alleged breach resulting in a notice of termination, CCO shall commence such challenge within ninety (90) days subsequent to the notice of termination for such breach. If CCO does not challenge such termination for breach within the time period specified, such termination shall be deemed to result from a fault committed by CCO. Notwithstanding anything to the contrary herein and for purposes of clarification, the restriction specified under this Subsection 11.1 shall immediately apply and be binding upon RAF and its Affiliates upon exercise by RAF of its Special Put Right.

RAF acknowledges that this Section 11.1 constituted a material inducement for CCO to enter into this Agreement. RAF agrees that thisSection 11.1 is reasonable with respect to its duration and scope and acknowledges that it and its Affiliates will not be precluded from gainful employment if they are obligated not to compete with the Company or CCO as described above.

11.2 Confidentiality. Each Member agrees to maintain the confidentiality of all Proprietary Information of the Company. If a Member is ever requested or required (by oral question or request for information or documents in any action) to disclose any Proprietary Information, the Member will notify the Company promptly of the request or requirement so that the Company may seek an appropriate protective order. If, in the absence of a protective order, on the advice of counsel, the Member is compelled to disclose any Proprietary Information to

any governmental body, arbitrator, or mediator or else stand liable for contempt, the Member may disclose the Proprietary Information to the governmental body, arbitrator, or mediator; provided, however, that the disclosing Member will use reasonable efforts to obtain, at the request of the Company, an order or other assurance that confidential treatment will be accorded to such portion of the Proprietary Information required to be disclosed as the Company may designate.

NOW THEREFORE, the Member, by its execution of this Agreement, hereby agrees as follows:

AGREEMENT

FIRST: The name of the limited liability company is Clear Channel Outdoor, LLC. Effective as of the time of the Conversion, (i) the Certificate of Incorporation of the Corporation, as heretofore amended, and the Bylaws of the Corporation, each in effect on the date hereof, are replaced and superseded in their entirety by this Agreement in respect of all periods beginning on or after the Conversion, (ii) the sole stockholder of the Corporation immediately prior to the Conversion is automatically admitted to the Company as the sole member of the Company upon its execution of this Agreement, (iii) all of the shares of stock in the Corporation issued and outstanding immediately prior to the Conversion are converted to all of the limited liability company interests in the Company and such interests shall be designated as "**Membership Units**," (iv) the sole stockholder of the Corporation immediately prior to the Conversion is the owner of all the Membership Units, and (v) all certificates evidencing shares of capital stock in the Corporation issued by the Corporation and outstanding immediately prior to the Conversion shall be surrendered to the Company and shall be canceled.

SECOND: The address of the Company's registered office in the State of Delaware and the name and address of the registered agent of the Company in the State of Delaware are as set forth in the Certificate of Formation of the Company, as the same may be amended and/or restated from time to time in accordance with the LLC Act.

THIRD: The purpose of the Company is to engage in any lawful act or activity for which a limited liability company may be formed under the LLC Act. The Company, and the Board (as defined below) on behalf of the Company, shall have the power and are hereby authorized to do any and all acts necessary or convenient to or for the furtherance of the purposes described herein, including all powers, statutory or otherwise, possessed by managers under the laws of the State of Delaware.

FOURTH: The total number of Membership Units that the Company shall have authority to issue is one thousand (1,000). The name and the mailing address of the Member are set forth on **Schedule A** attached hereto. The Member shall be entitled to one vote for each Membership Unit held by the Member.

FIFTH: The following provisions are inserted for the management of the business and the conduct of the affairs of the Company:

(1) The business and affairs of the Company shall be managed by or under the direction of a board (the "**Board**") comprised of one or more directors (each, a "**Director**" and collectively, the "**Directors**"). Each Director is hereby designated as a "manager" of the Company within the meaning of Section 18-101(10) of the LLC Act. To the extent of their powers set forth in this Agreement, the Directors are agents of the Company for the purpose of the Company's business, and the actions of the Directors taken in accordance with such powers set forth in this Agreement and the Bylaws shall bind the Company. The initial Directors hereby appointed are listed on **Schedule B** attached hereto and there shall currently be no unfilled directorships on the Board.

(2) The Board and the Member shall have concurrent power to make, alter, amend, change, add to or repeal the Bylaws.

(3) Any action required or permitted by law to be taken at a meeting of the Member may be taken without a meeting, without prior notice, and without a vote, if a consent or consents in writing or by electronic transmission, setting forth the action so taken, shall be signed or transmitted, as applicable, by the Member.

(4) The number of Directors shall be as from time to time fixed by, or in the manner provided in the Bylaws. Election of Directors need not be by written ballot unless the Bylaws so provide.

(5) Except as provided in this Agreement, in exercising their rights and performing their duties under this Agreement, the officers of the Company (the "**Officers**") and the Directors shall have fiduciary duties identical to those of officers and directors, respectively, of a business corporation organized under the DGCL. Notwithstanding the foregoing, to the fullest extent permitted by law, including Section 18-1101(e) of the LLC Act, the parties hereto hereby agree that a Director shall not be personally liable to the Company or its members for monetary damages for a breach of fiduciary duty as a Director (including for service on any committee of the Board); provided that the foregoing shall not eliminate or limit the liability of a Director: (i) for any breach of the Director's duty of loyalty to the Company or any member of the Company; (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law; (iii) for any willful or negligent violation of Section 18-607 of the LLC Act; (iv) for any transaction from which the Director derived an improper personal benefit; or (v) for any act or omission that constitutes a bad faith violation of the implied contractual covenant of good faith and fair dealing. Any repeal or modification of this Article FIFTH by the Member shall not adversely affect any right or protection of a Director existing at the time of such repeal or modification with respect to acts or omissions occurring prior to such repeal or modification.

(6) The Board shall have the power and is hereby authorized to do any and all acts necessary or convenient to or for the furtherance of the purposes described herein, including all powers, statutory or otherwise, possessed by managers under the laws of the State of Delaware, subject nevertheless, to the provisions of the LLC Act, this Agreement, and any Bylaws adopted by the Member; provided, however, that no Bylaws hereafter adopted by the Member shall invalidate any prior act of the Directors, which would have been valid if such Bylaws had not been adopted.

(7) Except as otherwise provided by the LLC Act, the debts, obligations and liabilities of the Company, whether arising in contract, tort or otherwise, shall be solely the debts, obligations and liabilities of the Company, and no Member or Director shall be obligated personally for any such debt, obligation or liability of the Company solely by reason of being a member or manager of the Company.

(8) The Member has made capital contributions to the Company in amounts set forth on the books and records of the Company. The Member is not required to make any additional capital contribution to the Company. However, the Member may at any time agree to and make additional capital contributions to the Company.

(9) Distributions shall be made to the Member at the times and in the aggregate amounts determined by the Board. Notwithstanding any provision to the contrary contained in this Agreement, including without limitation, the Bylaws, the Company shall not make a distribution to the Member on account of its interest in the Company if such distribution would violate the LLC Act or other applicable law.

(10) The Board may, in accordance with the Bylaws, appoint Officers. The initial Officers are listed on **Schedule C** attached hereto. Unless the Board decides otherwise, if the title assigned to an Officer is one commonly used for officers of a business corporation formed under the DGCL, the assignment of such title shall constitute the delegation to such person of the authorities and duties that are normally associated with that office.

SIXTH: Meetings of the Member may be held within or without the State of Delaware, as the Bylaws may provide. The books of the Company may be kept (subject to any provision contained in the LLC Act) outside the State of Delaware at such place or places as may be designated from time to time by the Board or in the Bylaws.

SEVENTH: Except as otherwise provided in ARTICLE FIFTH Section (2) relating to the amendment of the Bylaws, the affirmative vote of the Board and the Member shall be required to amend, alter, change, restate or repeal any provision of this Agreement, or to adopt any new provision of this Agreement.

EIGHTH: Lynn Feldman, as an "authorized person" of the Company within the meaning of the LLC Act, has executed, delivered and filed the Certificate of Formation of the Company with the Secretary of State (such filing being hereby approved and ratified in all respects). Upon the filing of the Certificate of Formation with the Secretary of State, such person's powers as an authorized person of the Company ceased, and the Member thereupon became a designated authorized person of the Company within the meaning of the LLC Act. The Member or an Officer shall execute, deliver and file any other certificates (and any amendments and/or restatements thereof) necessary for the Company to qualify to do business in any jurisdiction in which the Company may wish to conduct business.

NINTH: Miscellaneous Provisions.

(1) Each provision of this Agreement shall be considered severable and if for any reason any provision or provisions herein are determined to be invalid, unenforceable or illegal under any existing or future law, such invalidity, unenforceability or illegality shall not impair the operation of or affect those portions of this Agreement which are valid, enforceable and legal.

(2) This Agreement, including without limitation, the Bylaws, constitutes the entire agreement with respect to the subject matter hereof.

(3) This Agreement shall be governed by, and construed under, the laws of the State of Delaware (without regard to conflict of laws principles), all rights and remedies being governed by said laws.

(4) The Member may at any time assign in whole or in part its Membership Units only with the consent of the Board. Upon a transfer in accordance with this Section, a transferee shall be admitted to the Company upon its execution of an instrument signifying its agreement to be bound by the terms and conditions of this Agreement, which instrument may be a counterpart signature page to this Agreement. If the Member transfers all of its interest in the Company pursuant to this Section, such admission shall be deemed effective immediately prior to the transfer, and, immediately following such admission, the transferor Member shall cease to be a member of the Company.

(5) The Company shall dissolve and its affairs shall be wound up upon the first to occur of the following: (i) the consent of the Member, (ii) at any time there are no members of the Company unless the Company is continued in accordance with the LLC Act, or (iii) the entry of a decree of judicial dissolution of the Company under Section 18-802 of the LLC Act.

(6) The bankruptcy (within the meaning of the LLC Act) of the Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

(7) In the event of dissolution, the Company shall conduct only such activities as are necessary to wind up its affairs (including the sale of the assets of the Company in an orderly manner), and the assets of the Company shall be applied in the manner, and in the order of priority, set forth in Section 18-804 of the LLC Act.

CLEAR CHANNEL OUTDOOR, LLC

a Delaware limited liability company (the "**Company**")

BYLAWS

Capitalized terms used herein and not otherwise defined shall have the meaning set forth for such terms as set forth in the Limited Liability Company Agreement of the Company, dated as of April 30, 2019 (as the same may be amended and/or restated from time to time, the "**LLC Agreement**"), into which the terms of these Bylaws are incorporated in their entirety.

ARTICLE I.

OFFICES

Section 1. The Company may have offices at such places both within and without the State of Delaware as the Board may from time to time determine or the business of the Company may require.

ARTICLE II.

MEETINGS OF THE MEMBER

Section 1. Any meeting of the Member for any purpose may be held at such time and place, within or without the State of Delaware, as shall be stated in the notice of the meeting or in a duly executed waiver of notice thereof.

Section 2. An annual meeting of the Member shall be held for the election of Directors at such date and time as may be designated by resolution of the Board from time to time. Any other proper business may be transacted at the annual meeting. Notwithstanding the other provisions of this Section 2, the Company shall not be required to hold an annual meeting of the Member, provided that (i) the Member is permitted to act by written consent under the LLC Agreement (including these Bylaws) and (ii) the Member takes action by written consent to elect Directors.

Section 3. Written notice of the annual meeting shall be given to the Member at least ten days (but no more than fifty days) before the date of the meeting by the Secretary or an assistant secretary or other Officer of the Company.

Section 4. A special meeting of the Member, for any purpose or purposes, may be called at any time by the Chairman of the Board or the President, and shall be called by the Chairman of the Board or Secretary at the request in writing of a majority of the Board of Directors or at the request in writing of the Member. Such request shall state the purpose or purposes of the proposed meeting.

Section 5. Written notice of a special meeting of the Member, stating in reasonable detail the time, place and object thereof, shall be given to the Member, at least ten days (but no more than fifty days) before the date fixed for the meeting.

Section 6. Business transacted at any special meeting of the Member shall be limited to the purposes stated in the notice.

Section 7. In order that the Company may determine the Member entitled to notice of any meeting of the Member or any adjournment thereof, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which record date shall not be more than 50 nor less than 10 days before the date of such meeting. If the Board of Directors so fixes a date, such date shall also be the record date for determining the Member entitled to vote at such meeting. If no record date is fixed by the Board of Directors, the record date for determining the Member entitled to notice of and to vote at a meeting of the Member shall be at the close of business on the day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held. A determination of the Member of record entitled to notice of or to vote at a meeting of the Member shall apply to any adjournment of the meeting; provided, however, that the Board of Directors may fix a new record date for determination of the Member entitled to vote at the adjourned meeting, and in such case shall also fix as the record date for the Member entitled to notice of such adjourned meeting the same or an earlier date as that fixed for determination of the Member entitled to vote in accordance with the foregoing provisions of this Section 8 at the adjourned meeting.

Section 8. In order that the Company may determine the Member entitled to consent to corporate action in writing without a meeting, the Board of Directors may fix a record date, which record date shall not precede the date on which the resolution fixing the record date is adopted by the Board of Directors, and which date shall not be more than ten (10) days after the date upon which the resolution fixing the record date is adopted by the Board of Directors. If no record date has been fixed by the Board of Directors, the record date for determining the Member entitled to consent to corporate action in writing without a meeting, when no prior action by the Board of Directors is required by the LLC Act, shall be at the close of business on the first date on which a signed written consent setting forth the action taken or proposed to be taken is delivered to the Company. If no record date has been fixed by the Board of Directors and prior action by the Board of Directors is required by the LLC Act, the record date for determining the Member entitled to consent to corporate action in writing without a meeting shall be at the close of business on the day on which the Board of Directors adopts the resolution taking such prior action.

Section 9. The presence of the Member in person or represented by proxy, shall constitute a quorum at all meetings of the Member for the transaction of business except as otherwise provided by the LLC Agreement.

Section 10. When a quorum is present at any meeting, the vote of the Member shall decide any question brought before such meeting, unless the question is one upon which, by express provision of the LLC Agreement or these Bylaws, a different vote is required, in which case such express provision shall govern and control the decisions of such question.

Section 11. The Member shall at every meeting of the Member be entitled to one vote in person or by proxy for each Membership Unit held by the Member, but no proxy shall be voted on after three (3) years from its date, unless the proxy provides for a longer period, and, except where the transfer books of the Company have been closed or a date has been fixed

as a record date for the determination of its Member entitled to vote, no Membership Units shall be voted on at any election for Directors which has been transferred on the books of the Company within twenty (20) days next preceding such election of Directors. No proxy shall be effective unless in writing and in compliance with such reasonable requirements as the Board may prescribe.

Section 12. To the fullest extent permitted by the LLC Agreement, any action required or permitted to be taken at a meeting of the Member may be effected by written consent in the manner set forth in the LLC Agreement.

ARTICLE III.

DIRECTORS

Section 1. The number of Directors shall be fixed from time to time by resolution of the Board. The Directors shall be elected at the annual meeting of the Member, or by written consent of the Member; except as provided in Section 2 of this Article; and each Director elected shall hold office until his successor is elected and qualifies. Directors need not be a Member of the Company. Subject to the limitations imposed by applicable law, the Member may remove a Director at any time, with or without cause.

Section 2. Vacancies, by death, resignation, removal or otherwise, and newly created directorships on the Board resulting from any increase in the authorized number of Directors may be filled by a majority of the Director(s) then in office, though less than a quorum; and the Director(s) so chosen shall hold office until the next annual election and until their successors are duly elected and qualify, unless sooner displaced.

Section 3. The business of the Company shall be managed by its Board, which may exercise all such powers of the Company and do all such lawful acts and things as are not by the LLC Agreement or by these Bylaws directed or required to be exercised or done by the Member.

MEETINGS OF THE BOARD OF DIRECTORS

Section 4. The Board may hold meetings, both regular and special, either within or without the State of Delaware; and such meetings may be held by means of conference telephone or other similar communications equipment by means of which all persons participating in the meeting can hear each other. Participation in a meeting pursuant to such communication shall constitute presence in person at such meeting.

Section 5. The first meeting of each newly elected Board shall be held at the same place as, and immediately after, the annual meeting of the Member. No notice of the meeting shall be necessary to the newly elected Directors in order legally to constitute the meeting, provided a quorum shall be present. If the meeting is not held at such time and place, or in the event the Member acts by written consent in lieu of the annual meeting of the Member, the meeting may be held at such time and place as is specified in a notice given as provided below for special meetings of the Board, or as specified in a written waiver signed by all of the Directors.

Section 6. Regular meetings of the Board may be held without notice at such time and at such place as is from time to time determined by the Board.

Section 7. Special meetings of the Board may be called by the Chairman of the Board or the President or by the Secretary upon the written request of one or more Directors. Written notice of special meetings of the Board shall be given to each Director at least twenty-four hours before the time of the meeting. Attendance at a meeting by a Director shall constitute a conclusive waiver of any objections made by any person with respect to the notice given to such Director unless such attendance is solely for the purpose of objection.

Section 8. At all meetings of the Board, a majority of the total number of Directors shall constitute a quorum for the transaction of business, and the act of a majority of the Directors present at any meeting at which there is a quorum shall be the act of the Board, except as may be otherwise specifically provided by the LLC Agreement or these Bylaws. If a quorum is not present at any meeting of the Board, the Directors present thereat may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum is present. At such adjourned meeting at which a quorum is present or represented any business may be transacted that might have been transacted at the meeting as originally notified.

Section 9. Any action required or permitted to be taken at a meeting of Directors may be effected by an instrument in writing or by electronic transmission setting forth such action, executed or transmitted, as applicable, unanimously by each Director, which instrument shall be filed at the principal office of the Company or with the minutes maintained for meetings of Directors.

COMMITTEES OF DIRECTORS

Section 10. The Board may, by resolution passed by a majority of the whole Board, designate one or more committees, each committee to consist of one or more of the Directors of the Company, which (to the extent provided in the resolution, subject to applicable law) shall have and may exercise the powers of the Board in the management of the business and affairs of the Company. However, no such committee shall have the power or authority in reference to the following matter: (i) approving or adopting, or recommending to the Member, any action or matter (other than the election or removal of Directors) expressly required by the LLC Agreement or the LLC Act to be submitted to the Member for approval or (ii) adopting, amending or repealing the terms of these Bylaws. Such committee or committees shall have such name or names as may be determined from time to time by resolution adopted by the Board. The committees shall keep regular minutes of their proceedings and report the same to the Board when required.

Section 11. Unless otherwise provided in the LLC Agreement, these Bylaws, or resolutions of the Board designating a committee, a committee may create one or more subcommittees consisting of one of more members of the committee and may delegate to such subcommittee any or all of the powers and authority of the committee.

Section 12. Meetings and actions of committees shall be governed by, and held and taken in accordance with, the provisions of Sections 4, 6, 7, 8, and 9 of this Article and Sections 1 and 2 of Article IV of these Bylaws with such changes in the context of those bylaws as are necessary to substitute the committee and its members for the Board and its members. However, the time of regular meetings of committees may be determined either by resolution of the Board or by resolution of the committee, special meetings of committees may also be called by resolution of the Board, and notice of special meetings of committees shall also be given to all alternate members, who shall have the right to attend all meetings of the committee. The Board may adopt rules for the government of any committee not inconsistent with the provisions of these bylaws.

COMPENSATION OF DIRECTORS

Section 13. The Directors may be paid their expenses, if any, if attending meetings of the Board and may be paid a fixed sum for attendance at each meeting of the Board or stated salaries as Directors. No such payment shall preclude any Director from serving the Company in any other capacity and receiving compensation therefor. Directors serving on special or standing committees may similarly be allowed compensation for attending committee meetings.

ARTICLE IV.

The Board may authorize the Company to make a loan to any Officer or employee of the Company (including any Director who is also an employee), or to guarantee indebtedness of or otherwise use its credit to assist such Officer or employee, if the Board determines that the same may be reasonably expected to benefit the Company; any resolution properly adopted by the Board authorizing a loan to any Officer or employee by the Company (or authorizing any such guarantee or use of credit) shall conclusively evidence such a determination by the Board, whether or not expressed therein.

INDEMNIFICATION OF DIRECTORS AND OFFICERS

Section 6. Subject to the further provisions hereof, the Company shall indemnify any and all of its Directors, Officers, former Directors, and former Officers, to the full extent permitted under applicable law against all amounts incurred by them and each of them, including but not limited to expenses, legal fees, costs, judgments, fines and amounts paid in settlement which may be actually and reasonably incurred, rendered or levied in any threatened, pending or completed action, suit or proceeding (a "**Proceeding**") brought against any of them for or on account of any action or omission alleged to have been committed while acting within the scope of his duties as a Director or Officer of the Company. Whenever any such Director or Officer shall report to the President of the Company or the Board of Directors that he has incurred or may incur such amounts, the Company shall, within a reasonable time thereafter,

determine in a manner consistent with applicable law whether, in regard to the matter involved, such person acted or failed to act in good faith and in a manner reasonably believed to be in or not opposed to the best interests of the Company and, with respect to any criminal action or proceeding had no reasonable cause to believe his conduct was unlawful. If the Company so determines that such person acted in good faith and in such a manner with regard to the matter involved, indemnification shall be mandatory and shall be automatically extended as specified herein; provided, however, that the Company shall have the right to refuse indemnification in any instance in which the person to whom indemnification would otherwise have been applicable shall not offer the Company the opportunity, at its own expense and through counsel of its own choosing, to defend such person in the action, suit or proceeding. Notwithstanding the foregoing, the Company shall not be obligated to indemnify any person pursuant to these Bylaws in connection with any Proceeding (or any part of any Proceeding) initiated by such person, including any Proceeding (or any part of any Proceeding) initiated by such person against the Company or its Directors, Officers, employees, agents or other indemnitees, unless (i) the Board of Directors authorized the Proceeding (or the relevant part of the Proceeding) prior to its initiation, (ii) the Company provides the indemnification, in its sole discretion, pursuant to the powers vested in the Company under applicable law, or (iii) otherwise required by applicable law. Nothing contained herein is intended to limit any right of indemnification or other rights provided by applicable law.

Section 7. Expenses (including attorneys' fees) actually and reasonably incurred by an Officer or Director in defending any Proceeding shall be paid by the Company in advance of the final disposition of such Proceeding upon receipt of a written request therefor (together with documentation reasonably evidencing such expenses) and an undertaking by or on behalf of the person to repay such amounts if it shall ultimately be determined that the person is not entitled to be indemnified under these Bylaws or the LLC Act. Such expenses (including attorneys' fees) actually and reasonably incurred by former Directors and Officers or other employees and agents of the Company or by persons serving at the request of the Company as directors, officers, employees or agents of another corporation, partnership, joint venture, trust or other enterprise may be so paid upon such terms and conditions, if any, as the Company deems appropriate. The right to advancement of expenses shall not apply to any Proceeding (or any part of any Proceeding) for which indemnity is excluded pursuant to these Bylaws, but shall apply to any Proceeding (or any part of any Proceeding) referenced in Section 6 of this Article prior to a determination that the person is not entitled to be indemnified by the Company.

INTERPRETATIONS

Section 8. To the extent permitted by the context in which used, words in the singular number shall include the plural, words in the masculine gender shall include the feminine and neuter, and vice versa.

Section 9. Captions used in these Bylaws are for convenience only and are not a part of these Bylaws and shall not be deemed to limit or alter any provisions hereof and shall not be deemed relevant in construing these Bylaws.

ARTICLE I – OFFICES

The office of the Corporation shall be located in the City, County and State designated in the Certificate of Incorporation. The Corporation may also maintain offices at such other places within or without the United States as the Board of Directors may, from time to time, determine.

ARTICLE II – MEETING OF SHAREHOLDERS

Section 1 – Annual Meetings:

The annual meeting of the shareholders of the Corporation shall be held within five months after the close of the fiscal year of the Corporation, for the purpose of electing directors, and transacting such other business as may properly come before the meeting.

Section 2 – Special Meetings:

Special meetings of the shareholders may be called at any time by the Board of Directors or by the President, and shall be called by the President or the Secretary at the written request of the holders of twenty-five per cent (25%) of the shares then outstanding and entitled to vote thereat, or as otherwise required by law.

Section 3 – Place of Meetings:

All meetings of shareholders shall be held at the principal office of the Corporation, or at such other places as shall be designated in the notices or waivers of notice of such meetings.

Section 4 – Notice of Meetings:

(a) Except as otherwise provided by Statute, written notice of each meeting of shareholders, whether annual or special, stating the time when and place where it is to be held, shall be served either personally or by mail, not less than ten or more than fifty days before the meeting, upon each shareholder of record entitled to vote at such meeting, and to any other shareholder to whom the giving of notice may be required by law. Notice of a special meeting shall also state the purpose or purposes for which the meeting is called, and shall indicate that it is being issued by, or at the direction of, the person or persons calling the meeting. If, at any meeting, action is proposed to be taken that would, if taken, entitle shareholders to receive payment for their shares pursuant to Statute, the notice of such meeting shall include a statement of that purpose and to that effect. If mailed, such notice shall be directed to each such shareholder at his address, as it appears on the records of the shareholders of the Corporation, unless he shall have previously filed with the Secretary of the Corporation a written request that notices intended for him be mailed to some other address, in which case, it shall be mailed to the address designated in such request.

(b) Notice of any meeting need not be given to any person who may become a shareholder of record after the mailing of such notice and prior to the meeting, or to any shareholder who attends such meeting, in person or by proxy, or to any shareholder who, in person or by proxy, submits a signed waiver of notice either before or after such meeting. Notice of any adjourned meeting of shareholders need not be given, unless otherwise required by statute.

Section 5 – Quorum:

(a) Except as otherwise provided herein, or by statute, or in the Certificate of Incorporation (such Certificate and any amendments thereof being hereinafter collectively referred to as the "Certificate of Incorporation"), at all meetings of shareholders of the Corporation, the presence at the commencement of such meetings in person or by proxy of shareholders holding of record a majority of the total number of shares of the Corporation then issued and outstanding and entitled to vote, shall be necessary and sufficient to constitute a quorum for the transaction of any business. The withdrawal of any shareholder after the commencement of a meeting shall have no effect on the existence of a quorum, after a quorum has been established at such meeting.

(b) Despite the absence of a quorum at any annual or special meeting of shareholders, the shareholders, by a majority of the votes cast by the holders of shares entitled to vote thereon, may adjourn the meeting. At any such adjourned meeting at which a quorum is present, any business may be transacted at the meeting as originally called if a quorum had been present.

Section 6 – Voting:

(a) Except as otherwise provided by statute or by the Certificate of Incorporation, any corporate action, other than the election of directors, to be taken by vote of the shareholders, shall be authorized by a majority of votes cast at a meeting of shareholders by the holders of shares entitled to vote thereon.

(b) Except as otherwise provided by statute or by the Certificate of Incorporation, at each meeting of shareholders, each holder of record of stock of the Corporation entitled to vote thereat, shall be entitled to one vote for each share of stock registered in his name on the books of the Corporation.

(c) Each shareholder entitled to vote or to express consent or dissent without a meeting, may do so by proxy; provided, however, that the instrument authorizing such proxy to act shall have been executed in writing by the shareholder himself, or by his attorney-in-fact thereunto duly authorized in writing. No proxy shall be valid after the expiration of eleven months from the date of its execution, unless the person executing it shall have specified therein the length of time it is to continue in force. Such instrument shall be exhibited to the Secretary at the meeting and shall be filed with the records of the Corporation.

(d) Any resolution in writing, signed by all of the shareholders entitled to vote thereon, shall be and constitute action by such shareholders to the effect therein expressed, with the same force and effect as if the same had been duly passed by unanimous vote at a duly called meeting of shareholders and such resolution so signed shall be inserted in the Minute Book of the Corporation under its proper date.

ARTICLE III – BOARD OF DIRECTORS

Section 1 – Number, Election and Term of Office:

(a) The number of the directors of the Corporation shall be five (5),unless and until otherwise determined by vote of a majority of the entire Board of Directors. The number of Directors shall not be less than three, unless all of the outstanding shares are owned beneficially and of record by less than three shareholders, in which event the number of directors shall not be less than the number of shareholders permitted by statute.

(b) Except as may otherwise be provided herein or in the Certificate of Incorporation, the members of the Board of Directors of the Corporation, who need not be shareholders, shall be elected by a majority of the votes cast at a meeting of shareholders, by the holders of shares, present in person or by proxy, entitled to vote in the election.

(c) Each director shall hold office until the annual meeting of the shareholders next succeeding his election, and until his successor is elected and qualified, or until his prior death, resignation or removal.

Section 2 – Duties and Powers:

The Board of Directors shall be responsible for the control and management of the affairs, property and interests of the Corporation, and may exercise all powers of the Corporation, except as are in the Certificate of Incorporation or by statute expressly conferred upon or reserved to the shareholders.

Section 3 – Annual and Regular Meetings; Notice:

(a) A regular annual meeting of the Board of Directors shall be held immediately following the annual meeting of the shareholders, at the place of such annual meeting of shareholders.

(b) The Board of Directors, from time to time, may provide by resolution for the holding of other regular meetings of the Board of Directors, and may fix the time and place thereof.

(c) Notice of any regular meeting of the Board of Directors shall not be required to be given and, if given, need not specify the purpose of the meeting; provided, however, that in case the Board of Directors shall fix or change the time or place of any regular meeting, notice of such action shall be given to each director who shall not have been present at the meeting at which such action was taken within the time limited, and in the manner set forth in paragraph (b) Section 4 of this Article III, with respect to special meetings, unless such notice shall be waived in the manner set forth in paragraph (c) of such Section 4.

Section 4 – Special Meetings; Notice:

(a) Special meetings of the Board of Directors shall be held whenever called by the President or by one of the directors, at such time and place as may be specified in the respective notices or waivers of notice thereof.

(b) Except as otherwise required by statute, notice of special meetings shall be mailed directly to each director, addressed to him at his residence or usual place of business, at least two (2) days before the day on which the meeting is to be held, or shall be sent to him at such place by telegram, radio or cable, or shall be delivered to him personally or given to him orally, not later than the day before the day on which the meeting is to be held. A notice, or waiver of notice, except as required by Section 8 of this Article III, need not specify the purpose of the meeting.

(c) Notice of any special meeting shall not be required to be given to any director who shall attend such meeting without protesting prior thereto or at its commencement, the lack of notice to him, or who submits a signed waiver of notice, whether before or after the meeting. Notice of any adjourned meeting shall not be required to be given.

Section 5 – Chairman:

At all meetings of the Board of Directors, the Chairman of the Board, if any and if present, shall preside. If there shall be no Chairman, or he shall be absent, then the President shall preside, and in his absence, a Chairman chosen by the directors shall preside.

Section 6 – Quroum and Adjournments:

(a) At all meetings of the Board of Directors, the presence of a majority of the entire Board shall be necessary and sufficient to constitute a quorum for the transaction of business, except as otherwise provided by law, by the Certificate of Incorporation, or by these By-Laws.

(b) A majority of the directors present at the time and place of any regular or special meeting, although less than a quorum, may adjourn the same from time to time without notice, until a quorum shall be present.

Section 7 – Manner of Acting:

(a) At all meetings of the Board of Directors, each director present shall have one vote, irrespective of the number of shares of stock, if any, which he may hold.

(b) Except as otherwise provided by statute, by the Certificate of Incorporation, or by theseBy-Laws, the action of a majority of the directors present at any meeting at which a quorum is present shall be the act of the Board of Directors. Any action authorized, in writing, by all of the directors entitled to vote thereon and filed with the minutes of the corporation shall be the act of the Board of Directors with the same force and effect as if the same had been passed by unanimous vote at a duly called meeting of the Board.

Section 8 – Vacancies:

Any vacancy in the Board of Directors occurring by reason of an increase in the number of directors, or by reason of the death, resignation, disqualification, removal (unless a vacancy created by the removal of a director by the shareholders shall be filled by the shareholders at the meeting at which the removal was effected) or inability to act of any director, or otherwise, shall be filled for the unexpired portion of the term by a majority vote of the remaining directors, though less than a quorum, at any regular meeting or special meeting of the Board of Directors called for that purpose.

Section 9 – Resignation:

Any director may resign at any time by giving written notice to the Board of Directors, the President or the Secretary of the Corporation. Unless otherwise specified in such written notice, such resignation shall take effect upon receipt thereof by the Board of Directors or such officer, and the acceptance of such resignation shall not be necessary to make it effective.

Section 10 – Removal:

Any director may be removed with or without cause at any time by the affirmative vote of shareholders holding of record in the aggregate at least a majority of the outstanding shares of the Corporation at a special meeting of the shareholders called for that purpose, and may be removed for cause by action of the Board.

Section 11 – Salary:

No stated salary shall be paid to directors, as such, for their services, but by resolution of the Board of Directors a fixed sum and expenses of attendance, if any, may be allowed for attendance at each regular or special meeting of the Board; provided, however, that nothing herein contained shall be construed to preclude any director from serving the Corporation in any other capacity and receiving compensation therefor.

Section 12 – Contracts:

(a) No contract or other transaction between this Corporation and any other Corporation shall be impaired, affected or invalidated, nor shall any director be liable in any way by reason of the fact that any one or more of the directors of this Corporation is or are interested in, or is a director or officer, or are directors or officers of such other Corporation, provided that such facts are disclosed or made known to the Board of Directors.

(b) Any director, personally and individually, may be a party to or may be interested in any contract or transaction of this Corporation, and no director shall be liable in any way by reason of such interest, provided that the fact of such interest be disclosed or made known to the Board of Directors, and provided that the Board of Directors shall authorize, approve or ratify such contract or transaction by the vote (not counting the vote of any such director) of a majority of a quorum, notwithstanding the presence of any such director at the meeting at which such action is taken. Such director or directors may be counted in determining the presence of a quorum at such meeting. This Section shall not be construed to impair or invalidate or in any way affect any contract or other transaction which would otherwise be valid under the law (common, statutory or otherwise) applicable thereto.

Section 13 – Committees:

The Board of Directors, by resolution adopted by a majority of the entire Board, may from time to time designate from among its members an executive committee and such other committees, and alternate members thereof, as they may deem desirable, each consisting of three or more members, with such powers and authority (to the extent permitted by law) as may be provided in such resolution. Each such committee shall serve at the pleasure of the Board.

ARTICLE IV – OFFICERS

Officers of the Corporation shall, unless otherwise provided by the Board of Directors, each have such powers and duties as generally pertain to their respective offices as well as such powers and duties as may be set forth in these by-laws, or may from time to time be specifically conferred or imposed by the Board of Directors. The President shall be the chief executive officer of the Corporation.

Section 6 – Sureties and Bonds:

Section 2 – Lost or Destroyed Certificates:

The holder of any certificate representing shares of the Corporation shall immediately notify the Corporation of any loss or destruction of the certificate representing the same. The Corporation may issue a new certificate in the place of any certificate theretofore issued by it, alleged to have been lost or destroyed. Section 4 – Record Date:

In lieu of closing the share records of the Corporation, the Board of Directors may fix, in advance, a date not exceeding fifty days, nor less than ten days, as the record date for the determination of shareholders entitled to receive notice of, or to vote at, any meeting of shareholders, or to consent to any proposal without a meeting, or for the purpose of determining shareholders entitled to receive payment of any dividends, or allotment of any rights, or for the purpose of any other action. If any by-law regulating an impending election of directors is adopted, amended or repealed by the Board of Directors, there shall be set forth in the notice of the next meeting of shareholders for the election of directors, the by-law so adopted, amended or repealed, together with a concise statement of the changes made.

ARTICLE X – INDEMNITY

Exhibit 3.36

SECOND AMENDED AND RESTATED

BY-LAWS

OF

UNIVERSAL OUTDOOR, INC.

ARTICLE I.

OFFICES

The corporation shall continuously maintain in the State of Illinois a registered office and a registered agent whose office is identical with such registered office, and may have other offices within or without the state.

ARTICLE II.

SHAREHOLDERS

SECTION 1. ANNUAL MEETING. An annual meeting of the shareholders shall be held on the second Monday in January of each year for the purpose of electing directors and for the transaction of such other business as may come before the meeting. In the absence of a determination to the contrary, the annual meeting shall be held at the offices of the corporation.

SECTION 2. SPECIAL MEETINGS. Special meetings of the shareholders may be called either by the chairman of the board, president, by the board of directors or by the holders of not less than one-fifth of all the outstanding shares of the corporation entitled to vote on the matter for which the meeting is called, for the purpose or purposes stated in the call of the meeting. A special meeting shall be held at such place as may be determined by resolution of the board of directors or, in the absence of such a determination, at the offices of the corporation.

SECTION 3. NOTICE OF MEETINGS. Written notice stating the place, date, and hour of the meeting, and in the case of a special meeting, the purpose or purposes for which the meeting is called, shall be delivered not less than ten nor more than forty days before the date of the meeting, or in the case of a merger, consolidation, share exchange, dissolution or sale, lease or exchange of assets not less than twenty nor more than forty days before the date of the meeting, either personally or by mail, by or at the direction of the chairman of the board, president, or the secretary, or the officer or persons calling the meeting, to each shareholder of record entitled to vote at such meeting. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail, addressed to the shareholder at his or her address as it appears on the records of the corporation, with postage thereon prepaid. When a meeting is adjourned to another time or place, notice need not be given of the adjourned meeting if the time and place thereof are announced at the meeting at which the adjournment is taken.

SECTION 4. FIXING OF RECORD DATE. For the purpose of determining the shareholders entitled to notice of or to vote at any meeting of shareholders or any adjournment thereof, or to express consent to corporate action in writing without a meeting, or to receive payment of any dividend, or other distribution or allotment of any rights, or to exercise any rights in respect of any change, conversion or exchange of shares or for the purpose of any other lawful action, the board of directors of the corporation may fix in advance a record date which shall not be more than forty days and, for a meeting of shareholders, not less than ten days, or in the case of a merger, consolidation, share exchange, dissolution or sale, lease or exchange of assets not less than twenty days, before the date of such meeting. If no record date is fixed, the record date for the determination of shareholders entitled to notice of or to vote at a meeting of shareholders shall be the date on which notice of the meeting is mailed, and the record date for the determination of shareholders for any other purpose shall be the date on which the board of directors adopts the resolution relating thereto. A determination of shareholders of record entitled to notice of or to vote at a meeting of shareholders shall apply to any adjournment of the meeting.

SECTION 5. VOTING LISTS. The officer or agent having charge of the transfer books for shares of the corporation shall make, within ten days after the record date for a meeting of shareholders or ten days before such meeting, whichever is earlier, a complete list of the shareholders entitled to vote at such meeting, arranged in alphabetical order, showing the address of and the number of shares registered in the name of each

shareholder, which list, for a period of ten days prior to such meeting, shall be kept on file at the registered office of the corporation and shall be open to inspection by any shareholder, and to copying at the shareholder's expense, at any time during usual business hours. Such list shall also be produced and kept open at the time and place of the meeting and may be inspected by any shareholder during the whole time of the meeting. The original share ledger or transfer book, or a duplicate thereof kept in the State of Illinois, shall be prima facie evidence as to who are the shareholders entitled to examine such list or share ledger or transfer book or to vote at any meeting of shareholders.

SECTION 6. QUORUM. The holders of a majority of the outstanding shares of the corporation entitled to vote on a matter, present in person or represented by proxy, shall constitute a quorum at any meeting of shareholders; provided that if less than a majority of the outstanding shares are represented at said meeting, a majority of the shares so represented may adjourn the meeting at any time without further notice. If a quorum is present, the affirmative vote of the majority of the shares represented at the meeting shall be the act of the shareholders, unless the vote of a greater number of voting by classes is required by the Illinois Business Corporation Act of 1983, as amended, the articles of incorporation or these by-laws. At any adjourned meeting at which a quorum shall be present, any business may be transacted which might have been transacted at the original meeting. Withdrawal of shareholders from any meeting shall not cause failure of a duly constituted quorum at that meeting.

SECTION 7. PROXIES. A shareholder may appoint a proxy to vote or otherwise act for him or her by signing an appointment form and delivering it to the person so appointed.

No proxy shall be valid after the expiration of 11 months from the date thereof unless otherwise provided in the proxy. Every proxy continues in full force and effect until revoked by the person executing it prior to the vote pursuant thereto, except as otherwise provided herein. Such revocation may be effected by a writing delivered to the corporation stating that the proxy is revoked or by a subsequent proxy executed by, or by attendance at the meeting and voting in person by, the person executing the proxy. The dates contained on the forms of proxy presumptively determine the order of execution, regardless of the postmark dates on the envelopes in which they are mailed.

An appointment of the proxy is revocable by the shareholder unless the appointment form conspicuously stated that it is irrevocable and the appointment is coupled with an interest in the shares or in the corporation generally. An appointment made irrevocable as provided herein becomes revocable when the interest in the proxy terminates. A transferee for value of shares subject to an irrevocable appointment may revoke the appointment if the transferee was ignorant of its existence when the share were acquired and both the existence of the appointment and its revocability were not noted conspicuously on the certificate (or information statement for shares without certificates) representing the shares.

The death or incapacity of the shareholder appointing a proxy does not revoke the proxy's authority unless notice of the death or incapacity is received by the officer or agent who maintains the corporation's share transfer book before the proxy exercises his or her authority under the appointment.

Unless the appointment of a proxy contains an express limitation on the proxy's authority, a corporation may accept the proxy's vote or other action as that of the shareholder making the appointment. If the proxy appointed fails to vote or otherwise act in accordance with the appointment, the shareholder is entitled to such legal or equitable relief as is appropriate in the circumstances.

SECTION 8. VOTING OF SHARES. Except as otherwise provided in the articles of incorporation or the Illinois Business Corporation Act of 1983, as amended, each outstanding voting share, regardless of class, shall be entitled to one vote upon each matter submitted to vote at a meeting of shareholders.

SECTION 9. VOTING OF SHARES BY CERTAIN HOLDERS. Shares of the corporation's own shares held by the corporation in fiduciary capacity may be voted and shall be counted in determining the total number of outstanding shares entitled to vote at any given time.

Shares registered in the name of another corporation, domestic or foreign, may be voted by any officer agent, proxy or other legal representative authorized to vote such shares under the law of incorporation of such corporation. The chairman of the board or president or other person holding the position of chief executive officer of such other corporation may be treated as authorized to vote such shares, together with any other

person indicated and any other holder of an office indicated by the corporate shareholder to the corporation as a person or an officer authorized to vote such shares. Such persons and offices indicated shall be registered on the transfer books for shares and included in any voting list prepared in accordance with Section 5 of this Article.

Shares registered in the name of a deceased person, a minor ward or a person under legal disability may be voted by his or her administrator, executor, or court appointed guardian, either in person or by proxy without a transfer of such shares into the name of such administrator, executor, or court appointed guardian. Shares registered in the name of a trustee may be voted by him or her, either in person or by proxy.

Shares registered in the name of a receiver may be voted by such receiver, and shares held by or under the control of a receiver may be voted by such receiver without the transfer thereof into his or her name if authority so to do is contained in an appropriate order of the court by which such receiver was appointed.

A shareholder whose shares are pledged shall be entitled to vote such shares until the shares have been transferred into the name of the pledgee, and thereafter the pledgee shall be entitled to vote the shares so transferred.

Any number of shareholders may create a voting trust for the purpose of conferring upon a trustee or trustees the right to vote or otherwise represent their share, for a period not to exceed ten years, by entering into a written voting trust agreement specifying the terms and conditions of the voting trust, and by transferring their shares to such trustee or trustees for the purpose of the agreement. Any such trust agreement shall not become effective until a counterpart of the agreement is deposited with the corporation at its registered office. The counterpart of the voting trust agreement so deposited with the corporation shall be subject to the same right of examination by a shareholder of the corporation, in person or by agent or attorney, as is the record of the shareholders of the corporation, and shall be subject to examination by any holder of a beneficial interest in the voting trust, either in person or by agent or attorney, at any reasonable time for any proper purpose.

SECTION 10. INSPECTORS. At any meeting of shareholders, the presiding officer may, or upon the request of any shareholder shall, appoint one or more persons as inspectors for such meeting.

Such inspectors shall ascertain and report the number of shares represented at the meeting, based upon their determination of the validity and effect of proxies; count all votes and report the results; and do such other acts as are proper to conduct the election and voting with impartiality and fairness to all the shareholders.

Each report of an inspector shall be in writing and signed by him or her or by a majority of them if there be more than one inspector acting at such meeting. If there is more than one inspector, the report of a majority shall be the report of the inspectors. The report of the inspector or inspectors on the number of shares represented at the meeting and the results of the voting shall be prima facie evidence thereof.

SECTION 11. INFORMAL ACTION BY SHAREHOLDERS. Any action required to be taken at any annual or special meeting of the shareholders of the corporation, or any other action which may be taken at a meeting of the shareholders, may be taken without a meeting and without a vote, if a consent in writing, setting forth the action so taken, shall be signed (i) if 5 days prior notice of the proposed action is given in writing to all of the shareholders entitled to vote with respect to the subject matter thereof, by the holders of outstanding shares having not less then the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voting or (ii) by all of the shareholders entitled to vote with respect to the subject matter thereof.

Prompt notice of the taking of the corporate action without a meeting by less than unanimous written consent shall be given in writing to those shareholders who have not consented in writing. In the event that the action which is consented to is such as would have required the filing of a certificate under any section of the Illinois Business Corporation Act of 1983 if such action had been voted on by the shareholders at a meeting thereof, the certificate filed under such section shall state, in lieu of any statement required by such section concerning any vote of shareholders, that written consent has been given in accordance with the provisions of Section 7.10 of the Illinois Business Corporation Act of 1983, as amended, and that written notice has been given as provided in such Section 7.10.

SECTION 12. VOTING BY BALLOT. Voting on any question or in any election may be by voice unless the presiding officer shall order or any shareholder shall demand that voting be by ballot.

ARTICLE III.

DIRECTORS

SECTION 1. GENERAL POWERS. The business and affairs of the corporation shall be managed by or under the direction of its board of directors except as otherwise required by law.

SECTION 2. NUMBER, TENURE AND QUALIFICATIONS. The number of directors of the corporation shall be five (5). Except as provided in Section 13 of this Article, each director shall hold office until the next annual meeting of shareholder or until his successor shall have been elected and qualified. Directors need not be residents of the State of Illinois or shareholders of the corporation. The number of directors may be increased or decreased from time to time, pursuant to the provisions of the articles of incorporation, by the amendment of this section; but no decrease shall have the effect of shortening the term of any incumbent director. So long as Kelso Investment Associates V, L.P., a Delaware limited partnership ("KIA"), Kelso Equity Partners V, L.P., a Delaware limited partnership ("KEP"), and the individuals named on the signature page to that certain Agreement and Plan of Recapitalization dated as of July 26, 1996 shall beneficially own, in the aggregate, more than 10% of the outstanding shares of the corporation, the directors of the board of directors of the corporation shall be identical to the directors on the Board of Directors of Universal Outdoor Holdings, Inc., a Delaware corporation.

SECTION 3. REGULAR MEETINGS. A regular meeting of the board of directors shall be held without other notice than theseby-laws, immediately after the annual meeting of shareholders. The board of directors may provide, by resolution, the time and place for the holding of additional regular meetings without other notice than such resolution.

SECTION 4. SPECIAL MEETINGS. Special meetings of the board of directors may be called by or at the request of the chairman of the board, president or any two directors. The person or persons authorized to call special meetings of the board of directors may fix any place as the place for holding any special meeting of the board of directors called by them.

SECTION 5. NOTICE. Notice of any special meeting shall be given at least ten (10) days previous thereto by written notice to each director at his business address as it appears in records of the corporation. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail so addressed, with postage thereon prepaid. If notice be given by telegram, such notice shall be deemed to be delivered when the telegram is delivered to the telegram company. The attendance of a director at any meeting shall constitute a waiver of notice of such meeting, except where a director attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the board of directors need be specified in the notice or waiver of notice of such meeting.

SECTION 6. QUORUM. At all meetings of the board one-half of the directors shall constitute a quorum for the transaction of business. If a quorum is not present at said meeting, a majority of the directors present may adjourn the meeting at any time without further notice. Unless specifically prohibited by the articles of incorporation or these by-laws, members of the board of directors or of any committee of the board of directors may participate in and act at any meeting of such board or committee through the use of a conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other. Participation in such meeting shall constitute attendance and presence in person at the meeting of the person or persons so participating.

SECTION 7. MANNER OF ACTING. The act of the majority of the directors present at a meeting at which a quorum is present shall be the act of the board of directors, unless the act of a greater number is required by statute or these by-laws.

SECTION 8. VACANCIES. Vacancies and newly created directorships resulting from any increase in the authorized number of directors may be filled by the unanimous approval of the directors present at a meeting at which there is a quorum, and each director so chosen shall hold office until his successor is elected and qualified, or until his earlier resignation or removal. If there are no directors in office, then an election of directors may be held in the manner provided by statute.

SECTION 9. ACTION WITH A MEETING. Unless specifically prohibited by the articles of incorporation or theseby-laws, any action required to be taken at a meeting of the board of directors, or any other action which may be taken at a meeting of the board of directors, or of any committee thereof may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all the directors entitled to vote with respect to the subject matter thereof, or by all the members of such committee, as the case may be. Any such consent signed by all directors or all the members of the committee shall have the same effect as a unanimous vote, and may be stated as such in any document filed with the Secretary of State or with anyone else.

SECTION 10. COMPENSATION. The board of directors, by the affirmative vote of a majority of directors then in office, and irrespective of any personal interest of any of its members, shall have authority to establish reasonable compensation of all directors for services to the corporation as directors, officers, or otherwise. By resolution of the board of directors, the directors may be paid their expenses, if any, of attendance at each meeting of the board. No such payment previously mentioned in this section shall preclude any director from serving the corporation in any other capacity and receiving compensation therefor.

SECTION 11. PRESUMPTION OF ASSENT. A director of the corporation who is present at a meeting of the board of directors at which action on any corporate matter is taken shall be conclusively presumed to have assented to the action taken unless his dissent shall be entered in the minutes of the meeting or unless he shall file his written dissent to such action with the person acting as the secretary of the meeting before the adjournment thereof or shall forward such dissent by registered mail to the secretary of the corporation immediately after the adjournment of the meeting. Such right to dissent shall not apply to a director who voted in favor of such action.

SECTION 12. COMMITTEES. A majority of the directors may create one or more committees and appoint members of the board of directors to serve on the committee or committees. Each committee shall have two or more members, who serve at the pleasure of the board.

(a) Unless the appointment by the board of directors requires a greater number, a majority of any committee shall constitute a quorum and a majority of a quorum is necessary for committee action. A committee may act by unanimous consent in writing without a meeting, and subject to the provisions of the by-laws or action by the board of directors, the committee by majority vote of its members shall determine the time and place of meetings and the notice required therefor.

(b) To the extent specified by the board of directors or in the articles of incorporation or theseby-laws, each committee may exercise the authority of the board of directors under Section 8.05 of the Illinois Business Corporation Act of 1983, as amended; provided, however, a committee may not:

(1) authorize distributions;

(2) approve or recommend to shareholders any act required by law to be approved by shareholders;

(3) fill vacancies on the board or on any of its committees;

(4) elect or remove officers or fix the compensation of any member of the committee;

(5) adopt, amend or repeal these by-laws;

(6) approve a plan of merger not requiring shareholder approval;

(7) authorize or approve reacquisition of shares, except according to a general formula or method prescribed by the board;

(8) authorize or approve the issuance or sale, or contract for sale, of shares or determine the designation and relative rights, preferences, and limitations of a series of shares, except that the board may direct a committee to fix the specific terms of the issuance or sale or contract for sale of the number of shares to be allocated to particular employees under an employee benefit plan; or

(9) amend, alter, repeal, or take action inconsistent with any resolution or action of the board of directors when the resolution or action of the board of directors provides by its terms that it shall not be amended, altered or repealed by action of a committee.

Vacancies in the membership of the committee shall be filled by the board of directors at a regular or special meeting of the board of directors. The executive committee shall keep regular minute of its proceedings and report the same to the board when required.

SECTION 13. REMOVAL OF DIRECTORS. Any director may be removed, with or without cause, (i) by unanimous approval of the directors present at a meeting at which a quorum is present as set forth in the articles of incorporation, or (ii) at a meeting of shareholders by the affirmative vote of the holders of a majority of the outstanding shares then entitled to vote at an election of directors, except as follows:

(1) No director shall be removed at a meeting of shareholders unless the notice of such meeting shall state that a purpose of the meeting is to vote upon the removal of one or more directors named in the notice. Only the named director or directors may be removed at such meeting.

(2) In the case the corporation provides for cumulative voting, if less than the entire board is to be removed, no director may be removed at a meeting of shareholders, with or without cause, if the votes cast against his or her removal would be sufficient to elect him or her if then cumulatively voted at an election of the entire board of directors.

(3) If a director is elected by a class or series of shares, he or she may be removed only by the shareholders of that class or series.

The above provisions shall not preclude the circuit court of the county in which the corporation's registered office is located from removing a director of the corporation from office in a proceeding commenced either by the corporation or by shareholders of the corporation holding at least 10 percent of the outstanding shares of any class if the court finds (1) the director is engaged in fraudulent or dishonest conduct or has grossly abused his or her position to the detriment of the corporation, and (2) removal is in the best interest of the corporation. If the court removes a director, it may bar the director from reelection for a period prescribed by the court. If such a proceeding is commenced by the shareholders, they shall make the corporation a party defendant.

ARTICLE IV

OFFICERS

SECTION 1. NUMBER. The officers of the corporation shall be a chairman of the board, president, a treasurer, a secretary, and such vice presidents, assistant treasurers, assistant secretaries or other officers as may be elected by the board of directors. Any two or more offices may be held by the same person.

SECTION 2. ELECTION AND TERM OF OFFICE. If a certificate representing shares has allegedly been lost or destroyed the board of directors may in its discretion, except as may be required by law, direct that a new certificate be issued upon such indemnification and other reasonable requirements as it may impose.

SECTION 3. TRANSFERS OF SHARES. Transfers of shares of the corporation shall be recorded on the books of the corporation and, except in the case of a lost or destroyed certificate, on surrender for cancellation of the certificate for such shares. A certificate presented for transfer must be duly endorsed and accompanied by proper guaranty of signature and other appropriate assurances that the endorsement is effective. Transfer of an uncertificated share shall be made on receipt by the corporation of an instruction from the registered owner or other appropriate person. INDEMNIFICATION OF OFFICERS,
DIRECTORS, EMPLOYEES AND AGENTS

The corporation shall have power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or who is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit or proceeding by judgment or settlement, conviction or upon a plea of nolo contenders or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which such person reasonably believed to be in or not opposed to the best interest of the corporation, and with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

SECTION 2. The corporation shall have the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation and except that no indemnification shall be made in respect of any claim, issue or

matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of his or her duty to the corporation unless and only to the extent that the court in which such action or suit was brought shall determine upon application that despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper.

SECTION 3. To the extent that a director, officer, employee or agent of a corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in Sections 1 and 2, or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith.

SECTION 4. Any indemnification under Sections 1 and 2 (unless ordered by a court) shall be made by the corporation only as authorized in the specific case upon a determination that indemnification of the director, officer, employee or agent is proper in the circumstances because such person has met the applicable standard of conduct set forth in Sections 1 and 2. Such determination shall be made (a) by the board of directors by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding, or (b) if such a quorum is not obtainable, or, even if obtainable, a quorum of disinterested directors so directs, by independent legal counsel in a written opinion, or (c) by the shareholders.

SECTION 5. The indemnification provided by this article shall not be deemed exclusive of any other rights to which those indemnified may be entitled under any contract, agreement, vote of shareholders or disinterested directors or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

SECTION 6. The corporation shall have power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against him or her and incurred by him or her in any such capacity, or arising out of his or her status as such, whether or not the corporation would have the power to indemnify him or her against such liability under the provisions of this article.

SECTION 7. Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid by the corporation in advance of the final disposition of such action, suit or proceeding, as authorized by the board of directors in the specific case, upon receipt of an undertaking by or on behalf of the director, officer, employee or agent to repay such amount, unless it shall ultimately be determined that he or she is entitled to be indemnified by the corporation as authorized in this Section.

SECTION 8. If the corporation pays an indemnity or advances expenses to a director, officer, employee or agent, the corporation shall report the indemnification or advance in writing to the shareholders with or before the notice of the next shareholders meeting.

2024 (the "***Exchange Notes***") pursuant to a Registration Statement on Form S-4 filed with the Securities and Exchange Commission (the "***Commission***") on February 28, 2020, under the Securities Act of 1933, as amended (the "***Securities Act***"). We have examined originals or copies, certified or otherwise identified to our satisfaction, of such records of the Registrants and such agreements, certificates and receipts of public officials, certificates of officers or other representatives of the Registrants, and such other documents as we have deemed necessary or appropriate as a basis for the advice set forth below, including (i) the articles or certificates of incorporation and certificates of formation, as applicable, and the bylaws and operating agreements, as applicable, of the Registrants; (ii) resolutions of the boards of directors (or a committee thereof), boards of managers or sole members, as applicable, of the Registrants with respect to the issuance of the Exchange Notes and the Note Guarantees; (iii) the Original Indenture and the Supplemental Indentures; (iv) the Registration Statement; and (v) the Exchange and Registration Rights Agreement, dated as of February 12, 2019 (the "***Registration Rights Agreement***"), among the Issuer, certain of the Guarantors and the initial purchasers named therein.

We have assumed for purposes of this letter: (i) each document we have reviewed for purposes of this letter is accurate and complete, each such document that is an original is authentic, each such document that is a copy conforms to an authentic original, and all signatures on each such document are genuine; that the parties thereto (other than the Delaware Registrants and the Illinois Registrant) had the power, corporate or other, to enter into and perform all obligations thereunder; that each such document was duly authorized by all requisite corporate action of parties and that such documents were or will be duly executed and delivered by each party thereto (other than the Delaware Registrants and the Illinois Registrant); and (ii) that the Registration Rights Agreement and every other agreement we have examined for purposes of this letter constitutes a valid and binding agreement of each party to that document and that each

such party has satisfied all legal requirements that are applicable to such party to the extent necessary to entitle such party to enforce such agreement, and that each party to any document is in good standing and duly incorporated or organized under the laws of the state of its incorporation or organization (except that we make no such assumption with respect to the Delaware Registrants and the Illinois Registrant). We have not independently established or verified any facts relevant to the opinion expressed herein, but have relied upon statements and representations of officers and other representatives of the Registrants and others.

Our opinion expressed below is subject to: (i) the effect of bankruptcy, insolvency, fraudulent conveyance and other similar laws and judicially developed doctrines in this area such as substantive consolidation and equitable subordination; (ii) the effect of general principles of equity; and (iii) other commonly recognized statutory and judicial constraints on enforceability including statutes of limitations. "General principles of equity" include but are not limited to: (A) principles limiting the availability of specific performance and injunctive relief; (B) principles which limit the availability of a remedy under certain circumstances where another remedy has been elected; (C) principles requiring reasonableness, good faith and fair dealing in the performance and enforcement of an agreement by the party seeking enforcement; (D) principles which may permit a party to cure a material failure to perform its obligations; and (E) principles affording equitable defenses such as waiver, laches and estoppel.

Based upon and subject to the assumptions, qualifications, exclusions and limitations set forth in this letter, we are of the opinion that when (i) the Registration Statement becomes effective, (ii) the Indenture has been duly qualified under the Trust Indenture Act of 1939, as amended, and (iii) the Exchange Notes have been duly executed and authenticated in accordance with the provisions of the Indenture, and duly delivered to the holders thereof in exchange for the Existing Notes, the Exchange Notes will be valid and binding obligations of the Issuer and the Note Guarantees will be valid and binding obligations of the Guarantors.

Our advice on every legal issue addressed in this letter is based exclusively on the internal law of the State of New York, the General Corporation Law of the State of Delaware, the Limited Liability Company Act of the State of Delaware and the Illinois Business Corporation Act, in each case, without our having made any investigation as to the applicability of any specific law unless such advice specifically references a specific law, and represents our opinion as to how that issue would be resolved were it to be considered by the highest court in the jurisdiction which enacted such law. We express no opinion as to what law might be applied by any courts to resolve any issue addressed by our opinion and we express no opinion as to whether any relevant difference exists between the laws upon which our opinions are based and any other laws which may actually be applied to resolve issues which may arise. The manner in which any particular issue would be treated in any actual court case would depend in part on facts and circumstances particular to the case and would also depend on how the court involved chose to exercise the wide discretionary authority generally available to it. None of the opinions or other advice contained in this letter considers or covers any foreign or state securities (or "blue sky") laws or regulations.

For purposes of our opinion that the Exchange Notes will be valid and binding obligations of the Issuer and the Note Guarantees will be valid and binding obligations of the Guarantors, we have, without conducting any research or investigation with respect thereto, relied on the opinions of: (i) Holland & Knight LLP, with respect to the Florida Registrants, (ii) Snell & Wilmer L.L.P., with respect to the Nevada Registrants, and (iii) Reed Smith LLP, with respect to the Pennsylvania Registrant, that such Registrants have the requisite corporate or other power to perform their obligations under the Indenture, the Exchange Notes and the Note Guarantees, that such Registrants have duly authorized, executed and delivered the Indenture and have duly authorized the Exchange Notes and the Note Guarantees, as applicable, and that the Indenture, the Exchange Notes and the Note Guarantees do not conflict with, or require consents under, the laws of their respective states of organization. We are not licensed to practice in Florida, Nevada or Pennsylvania, and we have made no investigation of, and do not express or imply an opinion on, the laws of such states. This letter is not intended to guarantee the outcome of any legal dispute which may arise in the future.

This opinion is limited to the specific issues addressed herein, and no opinion may be inferred or implied beyond that expressly stated herein. We assume no obligation to revise or supplement this opinion after the date of effectiveness of the Registration Statement should the present laws of the States of New York, Delaware or Illinois be changed by legislative action, judicial decision or otherwise.

We hereby consent to the filing of this opinion with the Commission as Exhibit 5.1 to the Registration Statement. We also consent to the reference to our firm under the heading “Legal Matters” in the Registration Statement. In giving this consent, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the Act or the rules and regulations of the Commission.

This opinion is furnished to you in connection with the filing of the Registration Statement in accordance with the requirements of Item 601(b)(5) of Regulation S-K under the Act.

Sincerely,

/s/ Kirkland & Ellis LLP

The documents referred to in items (2) and (3) above are hereinafter collectively referred to as the "Opinion Documents."

The Opinion Documents, the Related Documents, and the Support Certificate rendered to Holland & Knight LLP by the Florida Entities (the "Support Certificate") are hereinafter collectively referred to as the "Documents." Except as may otherwise be specifically noted in this opinion letter, the opinions expressed herein relate solely to the Documents, and not to any other documents, including any documents that are referred to in, incorporated by reference into, or listed as attachments, exhibits, or schedules to, any of the Documents.

With your consent, we have assumed that certificates of public officials dated earlier than the date of this opinion letter remain accurate from such earlier dates through and including the date of this opinion letter. As to matters of fact underlying the opinions expressed herein, we have relied on the representations and warranties made by the parties in the Documents and, with respect to opinion paragraph 1 below, we have relied on the statements of third parties contained in the Status Certificates. We have made no independent investigation of the accuracy or completeness of such matters of fact.

For purposes of this opinion letter, the term "to our knowledge" or a similar phrase means the conscious awareness of facts or other information, at the time of delivery of this opinion letter, by the lawyers in our firm who have given substantive attention to the preparation of, and transactions effected by, the Opinion Documents, and does not include constructive, implied, imputed, presumed, or assumed notice or knowledge of facts or information.

Except to the extent expressly set forth herein, and with your permission, we have not undertaken any independent investigation (including without limitation review of the books, records,

or files of any of the Florida Entities or review of any governmental records or court dockets) to determine the existence or absence of any facts or other information, and no inference as to our knowledge or the existence or absence of any such facts or other information should be drawn from the fact of our representation of the Florida Entities (or any of them) as local Florida counsel.

B. Assumptions

In rendering the opinions herein, we have relied, without independent investigation, upon the following assumptions:

(a) Each party to the Opinion Documents (other than the Florida Entities) is organized and is validly existing and in good standing in its jurisdiction of organization;

(b) Each party to the Opinion Documents (other than the Florida Entities) has the power and authority to execute, deliver, and perform its obligations under the Opinion Documents, and the Opinion Documents have been duly authorized by all necessary action on its part and have been duly executed and delivered by it;

(c) The Opinion Documents constitute the valid and binding obligation of each party thereto (including the Florida Entities), enforceable against each such party in accordance with their respective terms;

(d) Each natural person executing the Opinion Documents or any other document referred to herein is legally competent to do so;

(e) Each party to the Opinion Documents (other than the Florida Entities) has complied with all legal requirements pertaining to its status, as such status relates to its rights to enforce such Opinion Documents against the Florida Entities (including, but not limited to, qualifying to do business, if required, in the relevant jurisdiction); and

(f) Each person who has taken any action relevant to any of our opinions in the capacity of director, officer, manager, member, or partner was duly and validly elected or appointed to or otherwise occupied that director, officer, manager, member, or partner position and held that position when such action was taken.

C. Opinions

Based on and subject to the foregoing and subject to the exceptions, qualifications, and limitations herein set forth, we express the following opinions:

1. Based solely on the Status Certificates for the Florida Entities, (a) Exceptional Outdoor is a corporation currently existing under the laws of the State of Florida and the corporate status of Exceptional Outdoor is active, and (b) Get Outdoors is a limited liability company currently existing under the laws of the State of Florida and the limited liability company status of Get Outdoors is active.

2. Each of the Florida Entities (a) has the corporate or limited liability company power, as applicable, to execute and deliver the Opinion Documents and to perform its respective obligations thereunder, including the Guarantees, (b) has taken all necessary corporate or limited liability company action, as applicable, to authorize the execution and delivery of the Opinion Documents and the performance of its respective obligations thereunder, including the Guarantees, and (c) has duly executed and delivered the Opinion Documents.

3. The execution and delivery by the Florida Entities of the Opinion Documents and the issuance of the Guarantees do not, and the performance by the Florida Entities of their respective obligations thereunder, including with respect to the Guarantees, will not, (a) result in a violation of any of the Organizational Documents of the Florida Entities, or (b) result in a violation of Applicable Law (as hereafter defined).

4. The execution and delivery by the Florida Entities of the Opinion Documents and the issuance of the Guarantees, and the performance of the Florida Entities' respective obligations thereunder (including with respect to the Guarantees), do not require under Applicable Law any consent or approval of, registration or filing with, or any other action by, any governmental authority of the State of Florida, except for (a) those obtained or made prior to the date hereof, (b) consents, approvals, authorizations, orders, registrations or filings required in connection with the ordinary course of conduct by the Florida Entities of their respective businesses and ownership, improvement or operation by the Florida Entities of their respective assets in the ordinary course of business (as to which we express no opinion), (c) those that may be required under federal securities laws and regulations or state "blue sky" laws and regulations (as to which we express no opinion) or any other laws, regulations or governmental requirements which are excluded from the coverage of this opinion letter, and (d) consents, approvals, authorizations, orders or filings that may be required by any banking, insurance or other regulatory statutes to which you may be subject (as to which we express no opinion).

D. Qualifications

This opinion letter is based as to matters of law solely on such internal law of the State of Florida that, in our experience, are normally applicable both to entities that are not engaged in regulated business activities and to transactions of the type contemplated by the Opinion Documents and to the parties thereto, without our having made any special investigation concerning any other law, rule, or regulation ("Applicable Law").

We express no opinion as to: (a) choice-of-law provisions; (b) any law, rule, or regulation relating to (i) taxation, Federal Reserve Board margin requirements, antitrust or trade regulation, banking, securities, fiduciary requirements or labor or employee rights and benefits laws, including the Employee Retirement Income Security Act of 1974, as amended; (ii) usury, (iii) patents, copyrights, trademarks, trade secrets, and other intellectual property; (iv) planning, zoning, historic preservation, condominiums, cooperatives, subdivisions, wetland matters, air, water, or noise pollution, effluent waste disposal, hazardous substances, environmental contamination, fire, life safety, or building codes, occupational safety or health, the Fair Housing Act, or the Americans with Disabilities Act, as amended; (v) the creation, perfection or priority of any security interest;

(vi) forfeitures or racketeering, or relating to criminal prosecution; (vii) corrupt practices, including, without limitation, the Foreign Corrupt Practices Act of 1977, as amended; (viii) the USA PATRIOT Act of 2001 (Public Law 107-56), the International Emergency Economic Powers Act, 50 U.S.C. § 1701 et seq., The Trading with the Enemy Act, 50 U.S.C. app. I et seq., or any other law, rule or regulation designed to combat terrorism or money laundering; and (ix) the Dodd-Frank Wall Street Reform and Consumer Protection Act, as amended (including all requests, guidelines, or directives thereunder or issued in connection therewith); (c) insolvency, antitrust, pension, employee benefit, environmental, intellectual property, banking, insurance, labor, health and safety, and securities laws; and (d) federal law or the laws, rules, or regulations of any county, municipality, or similar political subdivision or any agency or instrumentality thereof.

Our opinion on each legal issue addressed herein represents our judgment concerning how that issue would be resolved were it to be considered by the highest court of the jurisdiction upon whose law our opinion on that issue is based. The manner in which any particular issue would be treated in any actual court case would depend in part on facts and circumstances particular to the case, and our opinions are not a guaranty of an outcome of any legal dispute which may arise with regard to the Opinion Documents.

This opinion letter speaks as of the date hereof. We disclaim any obligation to provide you with any subsequent opinion or advice by reason of any future changes or events which may affect or alter any opinion rendered herein. This opinion letter is limited to the matters stated herein, and no opinion is implied or to be inferred beyond the matters stated herein.

Re: Exchange Offer for 9.25% Senior Notes due 2024 of Clear Channel Worldwide Holdings, Inc.

Ladies and Gentlemen:

We are issuing this opinion letter as Pennsylvania counsel to IN-TER-SPACE Services, Inc., a Pennsylvania corporation (the "Company"), in connection with the Company's guarantee of up to $1,901,525,000 in aggregate principal amount of 9.25% Senior Notes due 2024 (the "Exchange Notes") to be issued by Clear Channel Worldwide Holdings, Inc., a Nevada corporation (the "Issuer"), in connection with an exchange offer being made pursuant to a Registration Statement on Form S-4 (as it may be supplemented or amended, the "Registration Statement"), to be filed with the Securities and Exchange Commission (the "Commission") on February 28, 2020 under the Securities Act of 1933, as amended (the "Securities Act"). The Exchange Notes are to be issued pursuant to the Indenture, dated as of February 12, 2019 (the "Original Indenture"), among the Issuer, the guarantors named therein (including the Company) and U.S. Bank National Association, as trustee (the "Trustee"), as supplemented by a Supplemental Indenture, dated as of May 1, 2019, among the Issuer, the guarantors named therein (including the Company), and the Trustee (the "First Supplemental Indenture"), and as further supplemented by the Second Supplemental Indenture, dated as of August 23, 2019, among the guaranteeing subsidiaries named therein and the Trustee (as so further supplemented, the "Indenture").

In our capacity as such Pennsylvania counsel, we have examined electronic copies, identified to our satisfaction, of the following documents:

(a) the Registration Statement;

(b) the Indenture;

(c) the Company's Articles of Incorporation and Bylaws, each certified as of the date hereof to us by an officer of the Company (collectively, the "Company Charter Documents");

(d) a copy of the subsistence certificate issued by the Secretary of the Commonwealth of the Commonwealth of Pennsylvania dated February 18, 2020 (the "Subsistence Certificate"); and

(e) a written consent of the board of directors of the Company, dated February 6, 2019, with respect to the filing of the Registration Statement and the Company's guarantee of the Exchange Notes.

The opinion given in paragraph 1 below is based solely upon the Subsistence Certificate.

In connection with this opinion, we have made such examinations of law as we have deemed appropriate and have relied, without independent verification, upon certificates of public officials and, as to matters of fact material to our opinion, also without independent verification, upon representations made in the documents that we have examined and upon certificates and other inquiries of officers of the Company.

ReedSmith

We have assumed the legal capacity and competence of natural persons, the genuineness of all signatures, the authenticity of all documents submitted to us as originals, the conformity to original documents of documents submitted to us as certified, conformed, photostatic, electronic or facsimile copies, and the completeness of all documents reviewed by us. We have also assumed, without independent verification, (i) that the parties to the Indenture and the other agreements, instruments and documents executed in connection therewith, other than the Company, have the power (including, without limitation, corporate or limited liability company power where applicable) and authority to enter into and perform the Indenture and such other agreements, instruments and documents, (ii) the due authorization, execution and delivery by such parties, other than the Company, of the Indenture and such other agreements, instruments and documents, and (iii) that the Indenture and such other agreements, instruments and documents constitute legal, valid and binding obligations of each such party, including the Company, enforceable against each such party, including the Company, in accordance with their respective terms.

Based upon the foregoing and subject to the assumptions, exceptions, limitations and qualifications set forth herein, we are of the opinion that:

1. The Company is a corporation that is subsisting under the laws of the Commonwealth of Pennsylvania.

2. The Company has the corporate power and authority to enter into, deliver and perform its obligations under the Indenture.

3. The Original Indenture and the First Supplemental Indenture have been duly authorized, executed and delivered by the Company.

4. The guarantee of the Exchange Notes by the Company pursuant to the Indenture has been duly authorized by the Company.

5. The execution and delivery by the Company of the Original Indenture and the First Supplemental Indenture, the consummation of the transactions contemplated by the Indenture and the compliance by the Company with its obligations thereunder, and the guarantee by the Company of the Exchange Notes pursuant to the Indenture, (a) will not contravene any provision of the Company Charter Documents and (b) do not violate any officially published statute, rule or regulation of the Commonwealth of Pennsylvania that we have, in the exercise of customary professional diligence, recognized as applicable to the Company or to transactions of the type contemplated by the Indenture.

6. No consent, waiver, approval, authorization or order of any Pennsylvania court or governmental authority of the Commonwealth of Pennsylvania is required for the execution and delivery by the Company of the Original Indenture and the First Supplemental Indenture, the performance by the Company of its obligations under the Indenture, or the guarantee by the Company of the Exchange Notes pursuant to the Indenture, except such as may be required under (a) the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, and (b) any state securities or blue sky laws, rules and regulations.

The opinions stated herein are subject to the following qualifications:

(a) we do not express any opinion with respect to the effect on the opinions stated herein of any bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer, preference and other similar laws affecting creditors' rights generally, and the opinions stated herein are limited by such laws and by general principles of equity (regardless of whether enforcement is sought in equity or at law);

ReedSmith

(b) except to the extent expressly stated in the opinions contained herein, we do not express any opinion with respect to the effect on the opinions stated herein of (i) the compliance or non-compliance of any party to the Indenture with any laws, rules or regulations applicable to such party or (ii) the legal status or legal capacity of any party to the Indenture;

(c) we do not express any opinion with respect to any law, rule or regulation that is applicable to any party to the Indenture or the transactions contemplated thereby solely because such law, rule or regulation is part of a regulatory regime applicable to any such party or any of its affiliates as a result of the specific assets or business operations of such party or such affiliates;

(d) we do not express any opinion with respect to any tax, securities, antifraud, anti-bribery, anti-terrorism, criminal, antitrust, consumer credit, usury, debt collection, privacy, derivatives, public utility, zoning, land use, or commodities laws, rules or regulations or any laws, rules or regulations of any political subdivisions of the Commonwealth of Pennsylvania, or any provision regarding waiver of jury trial, consent to venue or jurisdiction, power of attorney, set-off, choice of law, service of process or indemnification; and

(e) the opinions stated herein are limited to the agreements and documents specifically identified in the opinions contained herein without regard to any agreement or other document referenced in such agreement or document (including agreements or other documents incorporated by reference or attached or annexed thereto).

We express no opinion as to the law of any jurisdiction other than the Commonwealth of Pennsylvania.

This opinion is limited to the matters expressly stated herein. No implied opinion may be inferred to extend this opinion beyond the matters expressly stated herein. This opinion is given as of the date hereof only and not as of any future date, and we do not undertake to advise you or anyone else of any changes in the opinions expressed herein resulting from changes in law, changes in facts or any other matters that hereafter might occur or be brought to our attention.

We hereby consent to the filing of this opinion with the Commission as Exhibit 5.3 to the Registration Statement. In giving this consent, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Commission thereunder. Re: Registration Statement on Form S-4

Ladies and Gentlemen:

We are issuing this opinion letter in our capacity as special Nevada counsel to Clear Channel Worldwide Holdings, Inc., a Nevada corporation (the "Issuer") and Outdoor Management Services, Inc., a Nevada corporation (the "Guarantor") in connection with the Issuer's issuance of $1,901,525,000 in aggregate principal amount of the Issuer's 9.25% Senior Notes due 2024 (the "Exchange Notes") and the Guarantor's proposed guarantee, along with the guarantees of the other guarantors under the Indenture (as defined below), of the Exchange Notes, to be issued by the Issuer, with respect to an exchange offer to be made pursuant to a Registration Statement on Form S-4 (such Registration Statement, as supplemented or amended, is hereinafter referred to as the "Registration Statement"), filed with the Securities and Exchange Commission (the "Commission") on February 28, 2020, under the Securities Act of 1933, as amended (the "Securities Act"). The obligations of the Issuer under the Exchange Notes will be guaranteed by the Guarantor along with other guarantors. The Exchange Notes and the guarantee thereof (the "Guarantee") will be issued pursuant to the Indenture, dated as of February 12, 2019 (as may be amended or supplemented from time to time, the "Indenture"), among the Issuer, the guarantors named therein, including the Guarantor, and U.S. Bank National Association, as trustee.

In connection with this opinion, and as such counsel, we have examined and relied upon, but have not prepared, originals, or copies certified or otherwise identified to our satisfaction, of the following documents, corporate records and other instruments: (i) the articles of incorporation and by-laws for the Issuer and the Guarantor, (ii) resolutions adopted by unanimous written consent of the board of directors of the Issuer and the Guarantor with respect to the issuance of the Exchange Notes and the Guarantee, respectively, (iii) Certificates of Existence with Status in Good Standing for the Issuer and the Guarantor, issued by the Secretary of State of Nevada on February 18, 2020, (iv) the Registration Statement, and (v) the Indenture.

For purposes of this opinion, we have assumed the authenticity of all documents submitted to us as originals, the conformity to the originals of all documents submitted to us as copies and the authenticity of the originals of all documents submitted to us as copies. We have also assumed the genuineness of the signatures of persons signing all documents in connection with which this opinion is rendered, the authority of such persons signing on behalf of the parties thereto other than the Issuer and the Guarantor and the due authorization, execution and delivery of all documents by the parties thereto other than the Issuer and the Guarantor. As to any facts material to the opinions expressed herein which we have not independently established or verified, we have relied upon statements and representations of officers and other representatives of the Issuer and the Guarantor.

Our opinions expressed below are subject to the qualifications that we express no opinion as to the applicability of, compliance with, or effect of any law except the laws of the State of Nevada and the Nevada case law decided thereunder.

Based upon and subject to the assumptions, qualifications and limitations set forth herein and the further limitations set forth below, we are of the opinion that:

1. Each of the Issuer and the Guarantor is a corporation duly incorporated, existing and in good standing under the laws of the State of Nevada.

2. Each of the Issuer and the Guarantor has the corporate power to enter into and perform its obligations under the Indenture, the Exchange Notes and the Guarantee, as applicable.

3. The Indenture has been duly authorized, executed and delivered by the Issuer and the Guarantor.

4. The Exchange Notes and the Guarantee have been duly authorized by the Issuer and the Guarantor, respectively.

5. The execution and delivery of the Indenture by the Issuer and the Guarantor, the execution and delivery of the Exchange Notes by the Issuer, the issuance of the Guarantee by the Guarantor, and the performance by the Issuer and the Guarantor of their respective obligations thereunder (including with respect to the Guarantee) do not and will not conflict with or constitute or result in a breach or default under (or an event which with notice or the passage of time or both would constitute a default under) or result in the creation of a lien or encumbrance under or violation of any of, (i) the articles of incorporation, bylaws or written consent of directors of the Issuer and the Guarantor, respectively, or (ii) any statute or governmental rule or regulation of the State of Nevada.

6. No consent, waiver, approval, authorization or order of any State of Nevada court or governmental authority of the State of Nevada or any political subdivision thereof is required for the execution and delivery by the Issuer of the Exchange Notes or the issuance by the Guarantor of the Guarantee, except such as may be required under the Securities Act or the Securities Exchange Act of 1934, as amended.

This opinion is limited to the specific issues addressed herein, and no opinion may be inferred or implied beyond that expressly stated herein. We assume no obligation to revise or supplement this opinion should the present laws of the State of Nevada be changed by legislative action, judicial decision or otherwise.

Kirkland & Ellis LLP may rely upon this opinion to the same extent as if it were an addressee hereof.

We hereby consent to the filing of this opinion with the commission as Exhibit 5.4 to the Registration Statement. We also consent to the reference to our firm under the heading “Legal Matters” in the Registration Statement. Delivery of this Letter of Transmittal to an address, or transmission hereof via a facsimile number, other than as set forth above or in accordance with the instructions herein, will not constitute valid delivery. You should read the instructions accompanying this Letter of Transmittal carefully before completing this Letter of Transmittal.

Questions and requests for assistance with respect to the procedures for tendering or withdrawing tenders of Original Notes or the completion of this Letter of Transmittal should be directed to the Exchange Agent, U.S. Bank National Association, at cts.specfinance@usbank.com.

The undersigned acknowledges that he or she has received the prospectus, dated , 2020 (the "Prospectus") of Clear Channel Worldwide Holdings, and this letter of transmittal (the "Letter of Transmittal"), which together constitute Clear Channel Worldwide Holdings' offer to exchange up to $1,901,525,000 principal amount of Clear Channel Worldwide Holdings' Exchange Notes for a like principal amount of Clear Channel Worldwide Holdings' outstanding, unregistered Original Notes (the "Exchange Offer"). Capitalized terms used but not defined herein shall have the same meaning given to them in the Prospectus.

Clear Channel Worldwide Holdings will issue Exchange Notes in exchange for Original Notes tendered and accepted in the Exchange Offer promptly following the Expiration Date. You may withdraw your tender of Original Notes at any time before the Expiration Date.

For each Original Note accepted for exchange, the holder of such Original Note will receive an Exchange Note having a like principal amount of outstanding Original Notes validly tendered and accepted in connection with the Exchange Offer. The Exchange Notes will bear interest at a rate of 9.25% per annum from the last interest payment date on which interest was paid on the Original Notes surrendered in exchange therefor, which was February 15, 2020. Interest will be payable, in arrears, on February 15 and August 15 of each year, beginning on August 15, 2020. The Exchange Notes will mature on February 15, 2024. The terms of the Exchange Notes are identical in all material respects to those of the Original Notes, except that the Exchange Notes have been registered under the Securities Act and the transfer restrictions, registration rights and additional interest provisions related to the Original Notes do not apply to the Exchange Notes.

Clear Channel Worldwide Holdings may redeem some or all of the Exchange Notes at the times and under the circumstances described in the Prospectus under the heading "Description of the Exchange Notes—Optional Redemption."

The Exchange Notes will be Clear Channel Worldwide Holdings' unsecured senior obligations and will rank *pari passu* in right of payment with all existing and future senior indebtedness of the issuer and the guarantors.

Except as set forth in the Prospectus, the Exchange Notes will be represented by one or more permanent global Exchange Notes in definitive, fully registered form without interest coupons. Each global Exchange Note will be deposited with the trustee and registered in the name of Cede & Co., as nominee of The Depository Trust Company ("DTC"). Each beneficial interest in a global Exchange Note is referred to as a "Book-Entry Interest." Book-Entry Interests will be issued in minimum denominations of $2,000 and integral multiples of $1,000 in excess of $2,000. The Exchange Notes will be issued promptly following the expiration of the Exchange Offer only in exchange for the Original Notes accepted in the Exchange Offer. See "Book-Entry; Delivery and Form" in the Prospectus. Clear Channel Worldwide Holdings does not intend to apply for listing of the Exchange Notes on any securities exchange or to seek approval for quotation through an automated quotation system.

The Exchange Offer is described in the Prospectus and in this Letter of Transmittal. All terms and conditions contained in, or otherwise referred to in, the Prospectus are deemed to be incorporated in, and form a part of, this Letter of Transmittal. Therefore, you are urged to read carefully the Prospectus and the items referred to therein. The terms and conditions contained in the Prospectus, together with the terms and conditions governing this Letter of Transmittal and the instructions herein, are collectively referred to herein as the "Terms and Conditions."

Clear Channel Worldwide Holdings reserves the right, in its sole discretion, to amend, at any time, the Terms and Conditions of the Exchange Offer. Clear Channel Worldwide Holdings will give you notice of any amendments if required by applicable law. The Exchange Offer is subject to certain customary conditions, which Clear Channel Worldwide Holdings may amend or waive. The Exchange Offer is not conditioned upon any minimum principal amount of outstanding Original Notes being tendered. See "The Exchange Offer—Conditions to the Exchange Offer" in the Prospectus.

We have agreed that, for a period ending on the earlier of (a) 180 days after the Exchange Offer has been completed and (b) the date on which a broker-dealer no longer owns Original Notes (the "Prospectus Delivery Period"), we will make the Prospectus, as amended or supplemented, available to any broker-dealer for use in connection with any such resale. In addition, during the Prospectus Delivery Period, all dealers effecting transactions in the Exchange Notes may be required to deliver a Prospectus.

This Letter of Transmittal may be used to participate in the Exchange Offer if certificates representing Original Notes are to be physically delivered to the Exchange Agent or if Original Notes are to be tendered by effecting a book-entry transfer into the Exchange Agent's account at DTC and instructions are not being transmitted through the Automated Tender Offer Program ("ATOP") procedures of DTC. Unless you intend to tender your Original Notes through the ATOP procedures of DTC, you should complete, sign and submit this Letter of Transmittal to the Exchange Agent, U.S. Bank National Association, prior to the Expiration Date. DTC will verify

acceptance of the Exchange Offer, execute a book-entry transfer of the tendered Original Notes into the account of the Exchange Agent at DTC and send to the Exchange Agent a "book-entry confirmation," which shall include an agent's message. An "agent's message" is a message, transmitted by DTC to, and received by, the Exchange Agent and forming part of a book-entry confirmation, which states that DTC has received an express acknowledgement from a DTC participant tendering Original Notes that the participant has received and agrees to be bound by the terms of this Letter of Transmittal as an undersigned hereof and that Clear Channel Worldwide Holdings may enforce such agreement against the participant. Delivery of the agent's message by DTC will satisfy the terms of the Exchange Offer as to execution and delivery of a Letter of Transmittal by the DTC participant identified in the agent's message. Accordingly, holders who tender their Original Notes through DTC's ATOP procedures shall be bound by, but need not complete, this Letter of Transmittal.

If you are a beneficial owner that holds Original Notes through Euroclear or Clearstream and wish to tender your Original Notes, you must instruct Euroclear or Clearstream, as the case may be, to block the account in respect of the tendered Original Notes in accordance with the procedures established by Euroclear or Clearstream. You are encouraged to contact Euroclear or Clearstream directly to ascertain their procedures for tendering Original Notes.

Holders that anticipate tendering other than through DTC are urged to contact promptly a bank, broker or other intermediary (that has the capability to hold securities custodially through DTC) to arrange for receipt of Exchange Notes to be delivered pursuant to the Exchange Offer and to obtain the information necessary to provide the required DTC participant with account information in this Letter of Transmittal.

Beneficial owners are urged to appropriately instruct their bank, broker, custodian or other nominee at least five business days prior to the Expiration Date in order to allow adequate processing time for their instruction.

TENDER OF ORIGINAL NOTES

To effect a valid tender of Original Notes through the completion, execution and delivery of this Letter of Transmittal, the undersigned must complete the tables below entitled "Method of Delivery" and "Description of Original Notes Tendered" and sign this Letter of Transmittal where indicated.

Exchange Notes will be delivered in book-entry form through DTC and only to the DTC account of the undersigned or the undersigned's custodian, as specified in the table below entitled "Method of Delivery," on the settlement.

Clear Channel Worldwide Holdings has not provided guaranteed delivery procedures in conjunction with the Exchange Offer or other materials provided therewith.

Failure to provide the information necessary to effect delivery of Exchange Notes will render such holder's tender defective, and Clear Channel Worldwide Holdings will have the right, which it may waive, to reject such tender without notice.

Ladies and Gentlemen:

Upon the terms and subject to the conditions of the Exchange Offer, the undersigned hereby tenders to Clear Channel Worldwide Holdings the aggregate principal amount of the Original Notes indicated above. Subject to, and effective upon, the acceptance for exchange of the Original Notes tendered hereby, the undersigned hereby sells, assigns and transfers to, or upon the order of, Clear Channel Worldwide Holdings all right, title and interest in and to such Original Notes as are being tendered hereby.

The undersigned constitutes and appoints the Exchange Agent as his or her agent and attorney-in-fact (with full knowledge that the Exchange Agent also acts as the agent of Clear Channel Worldwide Holdings) with respect to the tendered Original Notes, with full power of substitution, to: (a) deliver certificates for such Original Notes; (b) deliver Original Notes and all accompanying evidence of transfer and authenticity to or upon the order of Clear Channel Worldwide Holdings upon receipt by the Exchange Agent, as the undersigned's agent, of the Exchange Notes to which the undersigned is entitled upon the acceptance by Clear Channel Worldwide Holdings of the Original Notes tendered under the Exchange Offer; and (c) receive all benefits and otherwise exercise all rights of beneficial ownership of the Original Notes, all in accordance with the terms of the Exchange Offer. The power of attorney granted in this paragraph shall be deemed irrevocable and coupled with an interest.

The undersigned hereby represents and warrants that the undersigned has full power and authority to tender, sell, assign and transfer the Original Notes tendered hereby and that Clear Channel Worldwide Holdings will acquire good and unencumbered title thereto, free and clear of all liens, restrictions, charges and encumbrances and not subject to any adverse claim when the same are accepted by Clear Channel Worldwide Holdings. The undersigned hereby further represents that it is not an "affiliate," as defined in Rule 405 under the Securities Act, of Clear Channel Worldwide Holdings or the guarantors of the Original Notes, that any Exchange Notes to be received by it will be acquired in the ordinary course of the undersigned's business and that at the time of commencement of the Exchange Offer it had no arrangement with any person to participate in a distribution of the Exchange Notes.

In addition, if the undersigned is a broker-dealer, the undersigned represents that it is not engaged in, and does not intend to engage in, a distribution of the Exchange Notes. If the undersigned is a broker-dealer that will receive Exchange Notes for its own account in exchange for Original Notes, it represents that the Original Notes to be exchanged for Exchange Notes were acquired by it as a result of market-making activities or other trading activities and acknowledges that it will deliver a prospectus in connection with any resale of such Exchange Notes; however, by so acknowledging and by delivering a prospectus, the undersigned will not be deemed to admit that it is an "underwriter" within the meaning of the Securities Act.

The undersigned also acknowledges that this Exchange Offer is being made by Clear Channel Worldwide Holdings based upon Clear Channel Worldwide Holdings' understanding of an interpretation by the staff of the SEC as set forth in no-action letters issued to third parties, that the Exchange Notes issued in exchange for the Original Notes pursuant to the Exchange Offer may be offered for resale, resold and otherwise transferred by holders thereof, without compliance with the registration and prospectus delivery provisions of the Securities Act, provided that: (1) such holders are not affiliates of Clear Channel Worldwide Holdings or the guarantors of the Original Notes within the meaning of Rule 405 under the Securities Act; (2) such Exchange Notes are acquired in the ordinary course of such holders' business; and (3) such holders are not engaged in, and do not intend to engage in, a distribution of such Exchange Notes and have no arrangement or understanding with any person to participate in the distribution of such Exchange Notes. However, the staff of the SEC has not considered this Exchange Offer in the context of a no-action letter, and there can be no assurance that the staff of the SEC would make a similar determination with respect to the Exchange Offer as in other circumstances. If a holder of Original Notes is an affiliate of Clear Channel Worldwide Holdings or the guarantors of the Original Notes, acquires the Exchange Notes other than in the ordinary course of such holder's business or is engaged in or intends to engage in a distribution of the Exchange Notes or has any arrangement or understanding with respect to the distribution of the Exchange Notes to be acquired pursuant to the Exchange Offer, such holder could not rely on the applicable interpretations of the staff of the SEC and must comply with the registration and prospectus delivery requirements of the Securities Act in connection with any secondary resale transaction.

The undersigned will, upon request, execute and deliver any additional documents deemed by Clear Channel Worldwide Holdings to be necessary or desirable to complete the sale, assignment and transfer of the Original Notes tendered hereby. All authority conferred or agreed to be conferred in this Letter of Transmittal and

every obligation of the undersigned hereunder shall be binding upon the successors, assigns, heirs, executors, administrators, trustees in bankruptcy and legal representatives of the undersigned and shall not be affected by, and shall survive, the death or incapacity of the undersigned. This tender may be withdrawn only in accordance with the procedures set forth in "The Exchange Offer—Withdrawal of Tenders" section of the Prospectus.

Unless otherwise indicated in the box entitled "Special Issuance Instructions" below, please issue the Exchange Notes in the name of the undersigned or, in the case of a book-entry delivery of Original Notes, please credit the account indicated above maintained at DTC. INSTRUCTIONS FORMING PART OF THE TERMS AND CONDITIONS OF THE EXCHANGE OFFER

1. Delivery of Letter of Transmittal. This Letter of Transmittal is to be completed by tendering holders of Original Notes if certificates representing Original Notes are to be physically delivered to the Exchange Agent or if Original Notes are to be tendered by effecting a book-entry transfer into the Exchange Agent's account at DTC and instructions are not being transmitted through ATOP. **Holders who tender their Original Notes through DTC's ATOP procedures shall be bound by, but need not complete, this Letter of Transmittal; thus, a Letter of Transmittal need not accompany tenders effected through ATOP.**

Certificates for all physically tendered Original Notes or a confirmation of a book-entry transfer into the Exchange Agent's account at DTC of all Original Notes delivered electronically, as the case may be, as well as a properly completed and duly executed Letter of Transmittal (or a manually executed facsimile thereof) or properly transmitted agent's message, and any other documents required by this Letter of Transmittal, must be received by the Exchange Agent at its address set forth herein prior to the Expiration Date.

Any financial institution that is a participant in DTC may electronically transmit its acceptance of an Exchange Offer by causing DTC to transfer Original Notes to the Exchange Agent in accordance with DTC's ATOP procedures for such transfer prior to the Expiration Date. The Exchange Agent will establish an account or accounts at DTC to facilitate the Exchange Offer and will make such accounts available for the deposit of Original Notes.

Delivery of a Letter of Transmittal to DTC will not constitute valid delivery to the Exchange Agent. No Letter of Transmittal should be sent to Clear Channel Worldwide Holdings or DTC.

The method of delivery of this Letter of Transmittal, the Original Notes and all other required documents, including delivery through DTC and any acceptance or agent's message delivered through ATOP, is at the option and risk of the tendering holder. If delivery is by mail, registered mail, with return receipt requested and properly insured, is recommended. Instead of delivery by mail, it is recommended that the holder use an overnight or hand-delivery service. In all cases, sufficient time should be allowed to ensure timely delivery.

Neither Clear Channel Worldwide Holdings nor the Exchange Agent is under any obligation to notify any tendering holder of Original Notes of Clear Channel Worldwide Holdings' acceptance of tendered Original Notes prior to the Expiration Date.

2. Partial Tenders (not applicable to note holders who tender by book-entry transfer). If less than all of the Original Notes evidenced by a submitted certificate are to be tendered, the tendering holder(s) should fill in the aggregate principal amount of Original Notes to be tendered in the box above entitled "Description of Original Notes Tendered." A reissued certificate representing the balance of nontendered Original Notes will be sent to such tendering holder, unless otherwise provided in the appropriate box on this Letter of Transmittal, promptly after the Expiration Date. ALL OF THE ORIGINAL NOTES DELIVERED TO THE EXCHANGE AGENT WILL BE DEEMED TO HAVE BEEN TENDERED UNLESS OTHERWISE INDICATED.

3. Delivery of the Exchange Notes. Exchange Notes to be issued according to the terms of the Exchange Offer, if consummated, will be delivered in book-entry form. The appropriate DTC participant name and number (along with any other required account information) needed to permit such delivery must be provided in the table on page 4 entitled "Method of Delivery." Failure to do so will render a tender of the Original Notes defective, and Clear Channel Worldwide Holdings will have the right, which it may waive, to reject such delivery. Holders that anticipate participating in the Exchange Offer other than through DTC are urged to contact promptly a bank, broker or other intermediary (that has the capability to hold securities custodially through DTC) to arrange for receipt of Exchange Notes delivered pursuant to the Exchange Offer and to obtain the information necessary to complete the table.

4. Special Issuance and Special Delivery Instructions. Tendering holders of Original Notes should indicate in the applicable box the name and address to which substitute certificates representing Original Notes for any Original Notes not exchanged are to be issued or sent or, in the case of a book-entry delivery of Original Notes and/or Exchange Notes, the appropriate DTC participant name and number, if different from the name or address or the DTC participant name and number, as the case may be, of the person signing this Letter of Transmittal. In the

case of issuance in a different name, the employer identification or social security number of the person named also must be indicated. Holders tendering Original Notes by book-entry transfer may request that Original Notes not exchanged be credited to such account maintained at DTC as such note holder may designate hereon. If no such instructions are given, such Original Notes not exchanged will be returned to the name and address or the account maintained at DTC, as the case may be, of the person signing this Letter of Transmittal.

5. Amount of Tenders. Tenders of Original Notes will be accepted in minimum denominations of $2,000 in principal amount and integral multiples of $1,000 in excess of $2,000. Book-entry transfers to the Exchange Agent should be made in the exact principal amount of Original Notes tendered.

6. Signatures on Letter of Transmittal; Bond Powers and Endorsements; Guarantee of Signatures. If this Letter of Transmittal is signed by the holder of the Original Notes tendered hereby, the signature must correspond exactly with the name as written on the face of the certificates or on DTC's security position listing as the holder of such Original Notes without any change whatsoever.

If any tendered Original Notes are owned of record by two or more joint owners, all of such owners must sign this Letter of Transmittal.

If any tendered Original Notes are registered in different names on several certificates, it will be necessary to complete, sign and submit as many separate copies of this Letter of Transmittal as there are different registrations of certificates.

When this Letter of Transmittal is signed by the registered holder or holders of the Original Notes specified herein and tendered hereby, no endorsements of certificates or separate bond powers are required. If, however, any untendered or unexchanged Original Notes are to be reissued to a person other than the registered holder, then endorsements of any certificates transmitted hereby or separate bond powers are required. Signatures on such certificate(s) must be guaranteed by an Eligible Guarantor Institution.

If this Letter of Transmittal is signed by a person other than the registered holder or holders of any certificate(s) specified herein, such certificate(s) must be endorsed or accompanied by appropriate bond powers, in either case signed exactly as the name or names of the registered holder or holders appear(s) on the certificate(s) and signatures on such certificate(s) must be guaranteed by an Eligible Guarantor Institution.

An "**Eligible Guarantor Institution**" is one of the following firms or other entities identified in Rule 17Ad-l 5 under the Securities Exchange Act of 1934, as amended (as the terms are used in Rule 17Ad-15):

(a) a bank;

(b) a broker, dealer, municipal securities dealer, municipal securities broker, government securities dealer or government securities broker;

(c) a credit union;

(d) a national securities exchange, registered securities association or clearing agency; or

(e) a savings association.

If any of the Original Notes tendered are held by two or more registered holders, all of the registered holders must sign this Letter of Transmittal.

Clear Channel Worldwide Holdings will not accept any alternative, conditional, irregular or contingent tenders. By executing this Letter of Transmittal (or a manually executed facsimile hereof) or directing DTC to transmit an agent's message, you waive any right to receive notice of the acceptance of your Original Notes for exchange.

If this Letter of Transmittal or any certificates or bond powers are signed by trustees, executors, administrators, guardians or attorneys-in-fact, officers of corporations or others acting in a fiduciary or representative capacity, such persons should so indicate when signing and, unless waived by Clear Channel Worldwide Holdings, evidence satisfactory to Clear Channel Worldwide Holdings of their authority to so act must be submitted with this Letter of Transmittal.

Beneficial owners whose tendered Original Notes are registered in the name of a broker, dealer, commercial bank, trust company or other nominee must contact such broker, dealer, commercial bank, trust company or other nominee if they desire to tender their Original Notes.

7. Transfer Taxes. Except as set forth in this Instruction 7, Clear Channel Worldwide Holdings will pay or cause to be paid any transfer taxes with respect to the transfer and sale of Original Notes to it, or to its order, pursuant to the Exchange Offer. If Original Notes not tendered or accepted for exchange are to be registered in the name of any persons other than the registered holder, or if tendered Original Notes are registered in the name of any persons other than the persons signing this Letter of Transmittal, or if Exchange Notes are to be delivered to, or issued in the name of, any person other than the registered holder of the Original Notes tendered, or if a transfer tax is imposed for any reason other than the exchange of Original Notes in connection with the Exchange Offer, the amount of any transfer taxes (whether imposed on the registered holder or such other person) will be payable by the tendering holder unless satisfactory evidence of the payment of such taxes or exemption therefrom is submitted. For the avoidance of doubt, transfer taxes will not be considered to include income, franchise or similar taxes that are occasioned by the transfer of the Original Notes pursuant to the Exchange Offer.

8. Validity of Tenders. All questions concerning the validity, form, eligibility (including time of receipt), acceptance and withdrawal of tendered Original Notes will be determined by Clear Channel Worldwide Holdings in its absolute discretion, which determination will be final and binding. Clear Channel Worldwide Holdings reserves the absolute right to reject any and all tenders of Original Notes not in proper form or any Original Notes the acceptance for exchange of which may, in the opinion of its counsel, be unlawful. Clear Channel Worldwide Holdings also reserves the absolute right to waive any defect or irregularity in tenders of Original Notes, whether or not similar defects or irregularities are waived in the case of other tendered Original Notes. The interpretation of the Terms and Conditions by Clear Channel Worldwide Holdings shall be final and binding on all parties. Unless waived, any defects or irregularities in connection with tenders of Original Notes must be cured within such time as Clear Channel Worldwide Holdings shall determine. Neither Clear Channel Worldwide Holdings nor the Exchange Agent nor any other person will be under any duty to give notification of defects or irregularities with respect to tenders of Original Notes, nor shall any of them incur any liability for failure to give such notification.

Tenders of Original Notes will not be deemed to have been made until such defects or irregularities have been cured or waived. Any Original Notes received by the Exchange Agent that are not validly tendered and as to which the defects or irregularities have not been cured or waived will be returned by the Exchange Agent to the holders of Original Notes, unless otherwise provided in this Letter of Transmittal, as soon as practicable following the Expiration Date or the withdrawal or termination of an Exchange Offer.

9. Waiver of Conditions. Clear Channel Worldwide Holdings reserves the absolute right to amend or waive any of the conditions to the Exchange Offer at any time.

10. Withdrawal. Tenders may be withdrawn only pursuant to the procedures and subject to the terms set forth in the Prospectus under the caption "Description of the Exchange Offer—Withdrawal of Tenders."

11. Requests for Assistance or Additional Copies. Questions and requests for assistance with respect to the procedures for tendering or withdrawing tenders of Original Notes or for the completion of this Letter of Transmittal and requests for additional copies of the Prospectus and this Letter of Transmittal may be directed to the Exchange Agent at its telephone number indicated herein.

12. Tax Identification Number. An exchange of Original Notes for Exchange Notes pursuant to the Exchange Offer should not be treated as a taxable exchange for U.S. federal income tax purposes. In particular, no backup withholding or information reporting is required in connection with such an exchange. However, under U.S. federal income tax laws, payments made with respect to the Exchange Offer or the Exchange Notes may be subject to backup withholding (currently at a rate of 24%). Generally, such payments may be subject to backup withholding unless the holder (i) is exempt from backup withholding or (ii) furnishes the payer with its correct taxpayer identification number ("TIN") and provides certain certifications. Backup withholding is not an additional tax.

Rather, the amount of backup withholding is treated as an advance payment of a tax liability, and a holder's U.S. federal income tax liability will be reduced by the amount of tax withheld. If withholding results in an overpayment of taxes, a refund may be obtained by the holder from the Internal Revenue Service (the "IRS"), provided that the required information is timely furnished to the IRS.

To avoid backup withholding, a U.S. Holder (defined below) should notify the Exchange Agent of its correct TIN by completing the Substitute Form W-9 included herein and certifying on Substitute Form W-9 that the TIN provided is correct (or that the holder is awaiting a TIN). In addition, a U.S. Holder is required to certify on Substitute Form W-9 that the holder is not subject to backup withholding because (i) the holder is exempt from backup withholding, (ii) the holder has not been notified by the IRS that it is subject to backup withholding as a result of a failure to report all interest or dividends, or (iii) the IRS has notified the holder that the holder is no longer subject to backup withholding. If the U.S. Holder has not been issued a TIN and has applied for one or intends to apply for one in the near future, such U.S. Holder should write "Applied For" in the space provided for the TIN in Part 1 of the Substitute Form W-9, and sign and date the Substitute Form W-9 and the Certificate of Awaiting Taxpayer Identification Number. If "Applied For" is written in Part 1 and the Exchange Agent is not provided with a TIN by the time of payment, the Exchange Agent will withhold 24% from any payments made pursuant to the Exchange Offer. Consult the enclosed Guidelines for Certification of Taxpayer Identification Number on Substitute Form W-9 for guidelines on completing the Substitute Form W-9. If the Exchange Agent is provided with an incorrect TIN or the holder makes false statements resulting in no backup withholding, the holder may be subject to penalties imposed by the IRS. As used herein, a "U.S. Holder" means a beneficial owner of Original Notes or Exchange Notes that is, for U.S. federal income tax purposes, (a) a citizen or individual resident of the United States as determined for U.S. federal income tax purposes, (b) a corporation, or other entity classified as a corporation for such purposes, created or organized in or under the laws of the United States or any state thereof or the District of Columbia, (c) an estate, the income of which is subject to U.S. federal income taxation regardless of the source of the income, or (d) a trust if (i) a court within the United States can exercise primary supervision over its administration and one or more "United States persons," as defined in the Code, have the authority to control all of the substantial decisions of the trust, or (ii) the trust has validly elected to be treated as a "United States person" under applicable regulations.

To prevent backup withholding, a Non-U.S. Holder (as defined below) should submit the following applicable IRS Form W-8 to the Exchange Agent, certifying under penalties of perjury to the holder's foreign status: (i) if an individual, submit a properly completed IRS Form W-8 BEN; (ii) if an entity, submit a properly completed IRS Form W-8 BEN-E; (iii) if a pass-through entity, intermediary, foreign branch of a U.S. person, or a U.S. Branch acting as an intermediary to income not effectively connected with the United States, submit a properly completed IRS Form W-8 IMY; or (iv) if the Non-U.S. Holder has effectively connected income with the United States, submit a properly completed IRS Form W-8 ECI. If applicable, establish an exemption per the instructions on the applicable IRS Form W-8. IRS Forms W-8 may be obtained on the web at www.irs.gov. As used herein, a "Non-U.S. Holder" means a beneficial owner of Original Notes or Exchange Notes that is not a U.S. Holder.

Certain holders (including, among others, corporations and certain non-U.S. persons) may be exempt from these backup withholding requirements. See the enclosed Guidelines for Certification of Taxpayer Identification Number on Substitute Form W-9 for further information regarding exempt holders. Exempt holders should furnish their TIN, check the box in Part 2 of the Substitute Form W-9, and sign, date and return the Substitute Form W-9 to the Exchange Agent. Holders should consult their tax advisors as to any qualification for exemption from backup withholding, and the procedure for obtaining the exemption.

Purpose of Form

A person who is required to file an information return with the IRS must get your correct Taxpayer Identification Number ("TIN") to report, for example, income paid to you. Use Substitute Form W-9 to give your correct TIN to the Exchange Agent and, when applicable, (1) to certify the TIN you are giving is correct (or you are waiting for a number to be issued), (2) to certify you are not subject to backup withholding, or (3) to claim exemption from backup withholding if you are an exempt payee. The TIN provided must match the name given on the Substitute Form W-9.

How to Get a TIN

If you do not have a TIN, apply for one immediately. To apply for an SSN, obtain Form SS-5, Application for a Social Security Card, at the local office of the Social Security Administration or get this form on-line at www.ssa.gov/online/ss-5.pdf. You may also obtain this form by calling 1-800-772-1213. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer ID Numbers under Businesses Topics. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an individual TIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can get Forms W-7 and SS-4 from the IRS by calling 1-800-TAXFORM (1-800-829-3676) or from the IRS web site at www.irs.gov.

If you do not have a TIN, write "Applied For" in Part 1, complete the "Certificate of Awaiting Taxpayer Identification Number," and sign and date this Substitute Form W-9 and give it to the Exchange Agent.

Note: Writing "Applied For" on the form means that you have already applied for a TIN OR that you intend to apply for one soon. As soon as you receive your TIN, complete another substitute Form W-9, include your TIN, sign and date the form, and give it to the Exchange Agent.

CAUTION: A domestic entity that is disregarded for U.S. federal income tax purposes that has a foreign owner must use the appropriate Form W-8.

Payees Exempt from Backup Withholding

Generally, individuals (including sole proprietors) are NOT exempt from backup withholding. Corporations may be exempt from backup withholding for certain payments, such as interest and dividends.

Note: If you are exempt from backup withholding, you should still complete Substitute Form W-9 to avoid possible erroneous backup withholding. If you are exempt, enter your correct TIN in Part 1, check the "Exempt" box in Part 2, and sign and date the form. If you are a nonresident alien or a foreign entity not subject to backup withholding, give the Exchange Agent the appropriate completed Form W-8, Certificate of Foreign Status.

The following is a list of payees that may currently be exempt from backup withholding and for which no information reporting is required. For interest and dividends, all listed payees are exempt except for those listed in item (9). For broker transactions, payees listed in (1) through (13) and any person registered under the Investment Advisers Act of 1940 who regularly acts as a broker are exempt. Payments subject to reporting under sections 6041 and 6041A are generally exempt from backup withholding only if made to payees described in items (1) through (7). However, the following payments made to a corporation (including gross proceeds paid to an attorney under Codes Section 6045(f), even if the attorney is a corporation) and reportable on Form 1099-MISC are not exempt from backup withholding: (i) medical and health care payments, (ii) attorneys' fees, and (iii) payments for services paid by a federal executive agency. Only payees described in items (1) through (5) are exempt from backup withholding for barter exchange transactions and patronage dividends.

(1) An organization exempt from tax under Code Section 501(a), or an individual retirement plan ("IRA"), or a custodial account under Code Section 403(b)(7), if the account satisfies the requirements of Code Section 401(f)(2).

(2) The United States or any of its agencies or instrumentalities.

(3) A state, the District of Columbia, a possession of the United States, or any of their subdivisions or instrumentalities.

(14) A middleman known in the investment community as a nominee or custodian.

(15) An exempt charitable remainder trust, or a non-exempt trust described in Code Section 4947.

Certain payments that are not subject to information reporting are also not subject to backup withholding. For details, see Code Sections 6041, 6041A, 6042, 6044, 6045, 6049, 6050A and 6050N, and the regulations promulgated thereunder.

Privacy Act Notice. Section 6109 of the Code requires you to give your correct TIN to persons who must file information returns with the IRS to report interest, dividends, and certain other income paid to you, mortgage interest you paid, the acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA or Archer MSA or HSA. The IRS uses the numbers

for identification purposes and to help verify the accuracy of your tax return. The IRS may also provide this information to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia and U.S. possessions to carry out their tax laws. The IRS may also disclose this information to other countries under a tax treaty, or to federal and state agencies to enforce federal non-tax criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism.

You must provide your TIN whether or not you are required to file a tax return. Payers must generally withhold (currently at the rate of 24%) from taxable interest, dividends, and certain other payments to a payee who does not give a TIN to a payer. Certain penalties may also apply including those listed below.

Penalties

Failure to Furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of $100 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil Penalty for False Information With Respect to Withholding. If you make a false statement with no reasonable basis which results in no imposition of backup withholding, you are subject to a penalty of $500.

Criminal Penalty for Falsifying Information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.
